**NOTES TO THE ACCOUNTS
FOR THE YEAR ENDED 31/07/2017**

1. STATUTORY INFORMATION

Eden Blue Limited is a private company limited by shares registered in EW - England and Wales, registered number 09109606. The registered office is 61 Queen Square, Bristol, United Kingdom, BS1 4JZ.

2. ACCOUNTING POLICIES

2a. Basis Of Accounting

The accounts have been prepared under the historical cost convention.

The accounts have been prepared in accordance with FRS102 - The Financial Reporting Standard applicable in the UK and Republic of Ireland and the Companies Act 2006.

2b. First Year Adoption

These are the first accounts that comply with FRS 102 Section 1A small entities. The date of transition is 01 August 2015. No transitional adjustments were required.

2c. Taxation

Corporation tax payable is provided on taxable profits at the current rates.

Deferred tax is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred taxation balance has not been discounted. Deferred tax assets are recognised only when it is likely that they will be utilised.

2d. Turnover

Turnover represents the invoiced value of goods and services supplied by the company, net of value added tax and trade discounts.

2e. Financial Instruments

Financial assets and liabilities are recognised in the balance sheet when the company becomes party to the contractual provisions of the instrument.

Trade and other debtors and creditors are classified as basic financial instruments and are measured on initial recognition at transaction price. Debtors and creditors are subsequently measured at amortised cost at the effective interest rate method. A provision is established when there is objective evidence that the company will not be able to collect all amounts due. Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank and bank overdrafts which are an integral part of the company's cash management.

Financial liabilities and equity instruments issued by the company are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of any direct issue costs. Interest bearing bank loans, overdrafts and other loans which meet the criteria of basic financial instruments are initially recorded at the present value of cash payable to the bank, usually being equivalent to the proceeds received net of direct issue costs. These liabilities are subsequently measured at amortised cost, using the effective interest rate method.
