Notes

(forming part of the financial statements)

1. Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with FRS 102 and in doing so the directors have taken the exemption under FRS 102 para 35.10 (m) to retain its current accounting policies for reported assets, liabilities and equity and to not transition to FRS 102 while the company remains dormant.

Under FRS 1 the Company is exempt from the requirement to prepare a cash flow statement on the grounds of its size.

As the Company is a wholly owned subsidiary of The North of England Zoological Society, the Company has taken advantage of the exemption contained in FRS 8 and has therefore not disclosed transactions or balances with wholly owned entities which form part of the group.

Going Concern

No material uncertainties that cast significant doubt about the ability of the Company to continue as a going concern have been identified by the directors.

2. Share Capital

The company has no share capital, but is limited by guarantee and the ultimate parent company shall contribute a maximum of £1 while it is a member, or within twelve months after it has ceased to be a member, in the event of the Company being dissolved.

3. Ultimate parent undertaking and controlling party

The ultimate parent undertaking and controlling party is the North of England Zoological Society, a company registered in England and Wales which is the parent undertaking of the smallest and largest group to consolidate these financial statements.
