NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 AUGUST 2018

1. General information

The company is a private company limited by shares, registered in England and Wales. The address of the registered office is Nile House, Nile Street, Brighton, BN1 1HW.

2. Statement of compliance

These financial statements have been prepared in compliance with Section 1A of FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland'.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through profit or loss.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

The financial statements have been prepared under the going concern basis which assumes that the company will continue in operational existence for the foreseeable future. The validity of this assumption depends upon the continuing financial support of the holding company.

If the company were unable to continue in operational existence for the foreseeable future, adjustment would have to be made to reduce the balance sheet values of the assets to their recoverable amounts and to provide for further liabilities that might arise. The directors believe that it is appropriate for the financial statements to be prepared on the going concern basis.

Financial instruments

Financial instruments are classified and accounted for, according to the substance of the contractual arrangement, as either financial assets, financial liabilities or equity instruments. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

4. Debtors
