Organisational Background

Penparcau Community Forum came into being late on in 2012 in response to the news that the village's Communities First office was to close at the end of March 2013. Communities First had achieved a great deal to bolster locals' awareness and opportunities in a range of areas including health, employment and education so it would have been a shame not to replace it with something meaningful. We employed the outgoing Communities First co-ordinator to run the office and with funding from the People's Health Trust he's still with us over two years later. He is the one constant in the Forum as everyone else is a volunteer, with various personal and work commitments that make it difficult to attend all the time. That said, we are by now very fortunate that a village mainstay George Barratt has since retired and he (together with our two new Directors, Sue Thomas and Karina Shaw) brings his contacts and boundless energy to bear in organising our growing list of activities. The Forum was incorporated as a company limited by guarantee on 9 September 2015.

We are proud to say that we've come a long way in the last two years and the future looks exciting and positive.

Specifically:

The Easter Egg Hunt was a great success with numerous parents and young children all hunting for chocolate eggs across the Community Centre Park land.

The annual village day of activities on the park was a huge success with well over 1,000 people attending during the day of fun and family friendly activities. The weather was good to us and loads enjoyed the activities on hand in the field during the day. A big thanks to all who supported the Forum through volunteering on the day and especially to the Youth Forum members.

Other activities during the year have included the visits by our History & Heritage group to the National Library, Halloween disco, Santa's sleigh ride around the village, children's Christmas party, switching on of Christmas lights, nature walks over Pendinas, gardening sessions, and coffee mornings.

A vibrant History & Heritage group is in full flow under the leadership of director Karina Shaw. This has exploded in popularity in 2015 with over 400 Facebook watchers and 20-30 attending regular meetings.

We have managed to acquire three defibrillator Heartstart machines for the village and have trained in excess of 40 people in how to use the lifesaving machines. More defibrillators are expected in the coming months.

Our environmental walks and activities, led mostly by our volunteer Chloe Griffiths have been extremely popular. The walks on the Pen Dinas nature reserve have been well attended and the wildlife garden work at the park is drawing good support through another local volunteer Neville Bond.

In addition, we have been part of a consortium of small businesses, Universities and Welsh Government, led by the University of Edinburgh and funded by the European Commission called the COBWEB project. This project has been hugely successful through developing a digital platform that enables people to collect environmental observations that can be used for management and policy. Chloe Griffiths co-ordinated and lead a programme of community-based activities with volunteers in testing the app and the platform through wildlife monitoring.

..... continued

Penparcau Youth Forum for 11-18 year-olds continues to go from strength to strength fundraising and arranging numerous events for other children and young people in Penparcau. We have more work to do to raise numbers but it's very important as it gives our youngsters a focus as well as the opportunity to develop good life skills.

Our Community office is based between the chip shop and the butcher shop and should remain there for at least another eighteen months. A wide variety of people have popped in to see us including our MP Mark Williams, AMs Elin Jones, Simon Thomas, Leanne Wood, Kirsty Williams, Vaughan Gething and William Powell. Former Culture Minister and Deputy-Speaker of the House of Lords, Baroness Kay Andrews OBE popped in to see us in March before speaking at the Old College and she has agreed to act as one of our external advisers.

Through our Facebook and Twitter accounts, we encourage anyone who lives or works in Penparcau, or who has roots in the village to let us know what they want and through the support and funding from the People's Health Trust in London we established a Community Steering Group who meet regularly. This group has proved to be invaluable as we discuss our progress in relation to our 'Area Plan' for the village and funded by the People's Health Trust.

In addition, we were successful with a three-year Lottery application (People and Places) which will enable our Co-ordinator to work on a full-time basis with the project. The Lottery project is aimed at working with young people in the area to up-skill them into employment, training and educational opportunities.

Moreover, most of our work is reported in the Cambrian News and beyond, originally through the excellent work of Pat Bates, and more recently with Sue Thomas one of our new Directors.

Future development

The future is largely concerned with the new Community Centre and Park development, as we took on the lease of the old boxing club and it became the Penparcau Community Centre. Plans to extend it are on view to everyone at the Forum office and the boxing club still uses part of the building. However, we plan to extend it substantially to include a youth area, training room, a training kitchen and community restaurant/café and more. We want it to be something that the village will be proud of and keen to attend regularly.

It is worth noting that all of the above could not have been achieved without our fantastic volunteers. Moreover, we would encourage anyone who has either a good idea or the time to lend a hand as a volunteer (or both) to visit or ring us. They'll get a great deal out of it and will be helping many others.

Finally

In addition to all our volunteers, we would like to recognise the invaluable financial assistance and support received from Aberystwyth Town Council, the Care Society and the People's Health Trust. As without their funding and support the Forum would struggle to survive within this current financial climate.

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.
