## KEY ACTIONS AND DECISIONS REQUESTED FROM CREDITORS

### Decisions requested from unsecured creditors

The Joint Liquidators' are seeking the following decisions from creditors:

- approving the basis of the Joint Liquidators' fees and the drawing of Category 2 Disbursements
- that a liquidation committee will not be appointed.

### Creditors' committee

#### Establishment and guidance

Legislation requires the Joint Liquidators to invite creditors to decide whether to establish a committee because a decision is being sought. However, it is proposed that a liquidation committee will not be appointed. If you want a liquidation committee, sufficient creditors will need to both reject the proposed decision and consent to act as a representative on the committee. At least three creditors must consent to act before a committee can be formed; a maximum of five can be represented. If you do want a committee, please contact this office as soon as possible.

Please note that, if a liquidation committee is established, it would be their responsibility to approve the Joint Liquidators' fees, costs and expenses.

Guidance on acting as a committee member can be found at the R3 website, [www.R3.org.uk](http://www.R3.org.uk). A hard copy can be requested by telephone, email or in writing to this office.

### Key actions required by unsecured creditors

Formal notice of a Qualifying Decision Procedure to consider the above decisions is attached, together with other relevant documentation and guidance.

If you wish to vote in respect of the decisions requested above, please complete and sign:

- a Proof of Debt form and return it with evidence of your claim (if you have not previously done so); and
- a Voting form.

These must be received at RSM UK Restructuring Advisory LLP, The Pinnacle, 170 Midsummer Boulevard, MK9 1BP or by email to [restructuring.miltonkeynes@rsmuk.com](mailto:restructuring.miltonkeynes@rsmuk.com), on or before the decision date (11 September 2023) for you to vote.

### Small debts

Creditors whose debts are treated as a small debt in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof of debt if they wish to vote. Rule 14.31(1) states that Office Holders may treat a debt, which is a small debt according to the accounting records or the statement of affairs of the company, as if it were proved for the purposes of paying a dividend. Small debts are defined in Rule 14.1(3) as a debt (being the total amount owed to a creditor) which does not exceed £1,000.

# CONDUCT OF THE LIQUIDATION

## Realisation of assets

No assets have been realised in the period of this report.

### Debtors

The Company's only asset is an intercompany receivable balance owed by Greensill Capital (UK) Limited ("GCUK") in the sum of £182,049. A claim for this amount was logged with the Administrators of GCUK on 18 November 2022.

Following the most recent update from the Administrators of GCUK, the timing and quantum of any dividend is materially uncertain at this stage, but we will continue to monitor the position to assess whether or not it is worth keeping the liquidation open.

Some time costs have been incurred in the period when liaising with the Joint Administrators of GCUK and logging a claim in the Administration.

The time costs incurred to date in respect of asset realisations are shown on the attached analysis of time costs.

### Investigations

In accordance with legislation the appropriate documentation in relation to the conduct of the directors has been filed. The work done only leads to a financial return to creditors if any rights of action become visible during the course of the investigation, which lead to a recovery for the benefit of the estate.

In this instance, no further investigations were deemed necessary.

The time costs incurred to date in dealing with these matters is set out in the attached analysis of time costs.

### Case specific matters

Minimal time costs have been incurred in the period when providing updates to the Company's sole Director.

The time costs incurred to date in dealing with these matters is set out in the attached analysis of time costs.

## Statutory and case management matters

The following work does not usually result in a financial return to creditors but is required by legislation, best practice and to ensure that the case is managed efficiently and effectively. Key work done in the period included:

### Statutory requirements

- Statutory filing, advertising and appointment notifications to prescribed parties
- Taxation matters, post appointment VAT, pre-appointment VAT & Tax returns, corporation and other post appointment tax returns and payments
- General taxation matters, clearance and closure

### Case management matters

- Client take on evaluation, engagement, guidance, advice
- Establishing validity of appointment, undertaking a security review
- Periodic case reviews, ongoing case planning and strategy, liaising with joint office holders
- Maintaining and updating computerised case management records
- Liaising with former accountants and solicitors
- Initial and ongoing consideration of ethical, conflict & anti money laundering checks

The time costs incurred to date in dealing with these matters is set out in the attached analysis of time costs.

### Receipts and payments

A summary of receipts and payments is attached. Receipts and payments are shown net of VAT, with any amount due to or from HM Revenue and Customs shown separately.

# OUTSTANDING MATTERS

## Assets remaining to be realised

The following assets remain to be realised. Details of the work still required, and the anticipated costs are set out in the "Conduct of the Liquidation" section above, and below.

Nature of asset	Book value (£)	Estimated to realise (£)	Estimated future costs (£)
Book debts – Intercompany loan asset (GCUK)	182,049	Unknown	Unknown

## Other outstanding matters

There are no other outstanding matters, but approval will be sought from the Insolvency Services before closure of the liquidation in light of their investigations in to the Greensill Companies.

## CREDITORS' CLAIMS AND DIVIDEND PROSPECTS

### Dividend prospects

	Owed (£'000)	Paid to date (£)	Estimated future prospects
Unsecured creditors – HMRC Group VAT Liability	300,000	NIL	unknown

### Prescribed Part

The 'Prescribed Part' is a statutory amount set aside for unsecured creditors from funds ('Net Property') available to a Qualifying Floating Charge Holder ('QFCH'). The amount of Net Property is calculated on a sliding scale up to a maximum of £800,000 depending on when the floating charge was created and whether or not it is a first ranking floating charge.

However, there are no QFCHs and the Prescribed Part does not, therefore, apply.

### Agreement of claims

Creditors' claims are usually only agreed if there is a likelihood of a dividend being made to that particular class of creditor.

In this case, as there is little likelihood of a dividend being paid to any class of creditor, no work has been done to agree creditors' claims, other than that necessary for the purposes of admitting claims for voting, where applicable.

Creditors whose debts are treated as a small debt in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof of debt if they wish to vote. Rule 14.31(1) states that Office Holders may treat a debt, which is a small debt according to the accounting records or the statement of affairs of the company, as if it were proved for the purposes of paying a dividend. Small debts are defined in Rule 14.1(3) as a debt (being the total amount owed to a creditor) which does not exceed £1,000.

### Dividend payments

As noted above, there is unfortunately little likelihood of a dividend being paid to any class of creditor, based on current information.

### Creditor communication

The following work was done in the period to comply with legislation, best practice and to ensure creditors were kept informed.

- maintenance of schedules of creditors' claims

Creditors only derive an indirect financial return from this work on cases where a dividend has been, or will be, paid.

The time incurred in dealing with these matters during the period is set out in the attached post appointment analysis of time costs.

# JOINT LIQUIDATORS’ FEES, COSTS AND EXPENSES

## Guide to Liquidator’s fees and expenses

A Guide to Liquidator’s Fees, which provides information for creditors in relation to the fees and expenses of a Liquidator, can be accessed at [this link](#) under ‘general information for creditors’. A hard copy can be requested from this office by telephone, email or in writing. All fees, costs and expenses are subject to VAT.

### Relevant approving body

The unsecured creditors are the Relevant Approving Body and will be responsible for approving the Joint Liquidators’ fee basis and, where applicable, ‘Category 2’ expenses. However, if a liquidation committee is established at any stage, this will become its responsibility and it will be the Relevant Approving Body.

### Pre Appointment Fees, Costs and Expenses

The Joint Liquidators’ costs and expenses for assisting the Directors with the preparation of the Statement of Affairs and in seeking the creditors’ nomination of Liquidator are set out below.

The payment of these has been made directly to the Joint Liquidators by the Company’s beneficial owner and sole Director Alexander Greensill and are therefore not shown in the attached receipts and payments account.

Nature of Fee	Amount £
Statement of Affairs’ Fee	2,000
Administering the deemed consent procedure	500
Total	2,500

### Post-Appointment fees, costs and expenses

#### Basis of fees

Insolvency legislation allows a Liquidator to charge fees on one of, or a combination of, the following bases:

- as a percentage of the value of the property the Liquidator has to deal with (percentage basis);
- to the time spent by the Liquidator or their staff on the liquidation of the case (time cost basis);
- as a set amount (fixed fee basis); or
- a combination of the above (mixed fee basis)

The basis of the Joint Liquidators’ fees has not yet been fixed. No fees will be drawn until approval has been obtained from the Relevant Approving Body.

The Joint Liquidators are now seeking approval from the Relevant Approving Body for their fees to be calculated on a time cost basis. A fee estimate is attached which sets out the time expected to be incurred in dealing with all aspects of the liquidation for a total fee of £8,665.

Please note that we are only seeking approval for fees up to a maximum of £5,500 plus VAT and disbursements, in line with the gurantee letter that was signed by the Company’s sole Director Alexander Greensill prior to the Joint Liquidators’ appointment. The fee estimate has been prepared for the life of the appointment and is being paid directly by Alexander Greensill.

#### Remuneration charged

Legislation requires that ‘remuneration charged’ is reported. Remuneration is charged when the work to which it relates is done. It does not mean the Joint Liquidators’ fees have been paid.

As the Joint Liquidators’ fee basis has not yet been approved, remuneration charged cannot be definitively calculated. It has therefore been calculated based on the fee basis requested above, which is subject to approval.

During the period, the remuneration charged by the Joint Liquidators, totalled £2,977.50. An analysis of time incurred in the period is attached. Time costs incurred since appointment total £2,977.50. Please note that where fees are based on time costs, remuneration charged will be limited to the amount approved.

#### Fee scope and assumptions

The Joint Liquidators’ estimated fees are based on the attached scope and assumptions and reflects the work that is anticipated will be required. Should these prove to be inaccurate, additional costs may be incurred and the Joint Liquidators may seek approval for additional fees.

Expenses and professional costs

Details of the costs and expenses incurred by the Joint Liquidators anticipate will be incurred are set out below. The expenses incurred in the period may include estimated amounts where actual invoices have not been received. Amounts paid to date are shown in the attached receipts and payments account.

Category 1 expenses

These comprise external supplies of incidental services specifically identifiable to the insolvency estate. They do not require approval of the Relevant Approving Body prior to being paid.

Type of expense	Total estimated (£)	Incurred in period (£)
Bond	20	20
Statutory advertising	310.50	310.50
Total	330.50	330.50

Category 2 expenses

These are costs which are not capable of precise identification or calculation, or that may include an element of shared or allocated costs. Payments to outside parties that the Joint Liquidators, firm, or any associate has an interest, are also treated as 'Category 2' expenses. These expenses require the specific approval of the relevant approving body before being paid from the insolvency estate.

Approval for the payment of the 'Category 2' expenses, at the rates prevailing at the date they are incurred is also being sought from the Relevant Approving Body. Details of the current rates are set out below.

Type of expense	Total estimated (£)	Incurred in period (£)
Total	0	0

Other professional costs

The Joint Liquidators retained the following advisers based on their experience and expertise. These costs are not subject to approval by the Relevant Approving Body. However, they are subject to review and approval by the Joint Liquidators.

Party	Nature of advice	Total estimated (£)	Incurred in period (£)
Total		0	0

Creditors' right to information and ability to challenge remuneration and expenses

In accordance with the relevant legislation creditors have a right to request further information about remuneration or expenses and to challenge such remuneration or expenses.

If you wish to make a request for further information, then it must be made within 21 days of receipt of this report in writing by either by (i) any secured creditor or (ii) an unsecured creditor with the concurrence of at least 5% in value of the unsecured creditors.

Any secured creditor, or any unsecured creditor with either the concurrence of at least 10% in value of the unsecured creditors (including that creditor) or the permission of the court, may apply to court on the grounds that the remuneration charged, the basis fixed or expenses incurred by the liquidator are in all the circumstances excessive. Any such challenge must be made no later than eight weeks after receipt of the report which first discloses the charging of remuneration or incurring of the expenses in question.

Realisation of assets	<p>All aspects of the realisation of assets including identifying, securing and insuring assets such as the intercompany receivable balance where appropriate.</p> <p>It is currently uncertain whether the intercompany receivable balance will be realised and therefore minimal time costs have been included in the fee estimate.</p> <p>See fee estimate attached.</p>
Investigations	<p>Collection and review of the company's records in order to identify any potential or actual asset recoveries, antecedent transactions, transactions at under value or voidable dispositions.</p> <p>Reporting to the Department of Business Energy and Industrial Strategy on the conduct of the directors.</p> <p>The majority of this work has already been undertaken and therefore only minimal times costs have been included.</p> <p>See fee estimate attached.</p>

Administration and planning	<p>Work that must be carried out in order to deal with the administration of the case.</p> <p>This includes case planning and strategy, reviews against strategy, liaising with the company's directors and shareholders, and case closure formalities.</p>

CREDITORS whose debts are treated as a SMALL DEBT in accordance with Rule 14.31(1) of the Insolvency (England and Wales) Rules 2016 must still deliver a proof of debt if they wish to vote. Rule 14.31(1) states that Office Holders may treat a debt, which is a small debt according to the accounting records or the statement of affairs of the company, as if it were proved for the purposes of paying a dividend. Small debts are defined in Rule 14.1(3) as a debt (being the total amount owed to a creditor) which does not exceed £1,000.

## Request for physical meeting

Creditors may request that a physical meeting of creditors be held to consider the proposed decision. Any such request must be made, in writing, to the address below, on or before 11 September 2023

A physical meeting will be held if requested by either 10% in value, or 10% in number or 10 of the company's creditors (collectively 'the requisition threshold').

## Requisition Threshold

If the requisition threshold for requesting a physical meeting is met or exceeded the Qualifying decision procedure will be terminated and a physical meeting of creditors will be held.

## Appeals

---

A creditor who disagrees with the manner in which they are treated in relation to the above decision procedure may appeal to the Court within 21 days of the decision date.
