(a) Debtors To Hold in Trust. Upon the occurrence and during the continuance of an Event of Default, each Debtor will, upon receipt by it of any revenue, income, profits or other sums in which a security interest is granted by this Security Agreement, payable pursuant to any agreement or otherwise, or of any check, draft, note, trade acceptance or other instrument evidencing an obligation to pay any such sum, hold the sum or instrument in trust for the Security Agent (for the benefit of the Secured Parties), segregate such sum or instrument from their own assets and forthwith, without any notice, demand or other action whatsoever (all notices, demands, or other actions on the part of the Secured Parties being expressly waived), endorse, transfer and deliver any such sums or instruments or both to the Security Agent to be applied to the repayment of the Secured Obligations in accordance with the provisions of Section 8(d) hereof.

(b) Collections, etc. Upon the occurrence and during the continuance of an Event of Default, the Security Agent may, in its sole discretion, in its name (on behalf of the Secured Parties) or in the name of any Debtor or otherwise, demand, sue for, collect or receive any money or property at any time payable or receivable on account of or in exchange for, or make any compromise or settlement deemed desirable with respect to, any of the Collateral, but shall be under no obligation to do so, or the Security Agent may extend the time of payment, arrange for payment in installments, or otherwise modify the terms of, or release, any of the Collateral, without thereby incurring responsibility to, or discharging or otherwise affecting any liability of, any Debtor. The Security Agent will not be required to take any steps to preserve any rights against parties with prior claims to the Collateral. If any Debtor fails to make any payment or to take any action required hereunder, the Security Agent may make such payments and take all such actions as the Security Agent reasonably deems necessary to protect the Security Agent's (on behalf of

the Secured Parties) security interests in the Collateral and/or the value thereof, and the Security Agent is hereby authorized (without limiting the general nature of the authority hereinabove conferred) to pay, purchase, contest or compromise any Liens that in the judgment of the Security Agent appear to be equal to, prior to, or superior to, the security interest of the Security Agent (on behalf of the Secured Parties) in the Collateral and any Liens not expressly permitted by the Secured Debt Documents.

(c) Possession, Sale of Collateral, etc. Upon the occurrence and during the continuance of an Event of Default, the Security Agent (on behalf of the Secured Parties) may enter upon the premises of any Debtor or wherever the Collateral may be, and take possession of the Collateral, and may demand and receive such possession from any Person who has possession thereof, and the Security Agent may take such measures as it deems necessary or proper for the care or protection thereof, including the right to remove all or any portion of the Collateral, and with or without taking such possession may sell or cause to be sold, whenever the Security Agent shall decide, in one or more sales or parcels, at such prices as the Security Agent may deem appropriate, and for cash or on credit or for future delivery, without assumption of any credit risk, all or any portion of the Collateral, at any broker's board or at a public or private sale, without demand of performance but with ten (10) days' prior written notice to the Debtors of the time and place of any such public sale or sales (which notice the Debtors hereby agree is reasonable) and with such other notices as may be required by Applicable Law and cannot be waived, and neither the Security Agent nor any Secured Party shall have any liability should the proceeds resulting from a private sale be less than the proceeds realizable from a public sale, and the Security Agent (on behalf of the Secured Parties) or any other Person may be the purchaser of all or any portion of the Collateral so sold and thereafter hold the same absolutely, free (to the fullest extent permitted by Applicable Law) from any claim or right of whatever kind, including any equity of redemption, of any Debtor, any such demand, notice, claim, right or equity being hereby expressly waived and released to the fullest extent permitted by Applicable Law. At any sale or sales made pursuant to this Section 8, the Security Agent (on behalf of the Secured Parties) may bid for or purchase, free (to the fullest extent permitted by Applicable Law) from any claim or right of whatever kind, including any equity of redemption, of any Debtor, any such demand, notice, claim, right or equity being hereby expressly waived and released, any part of or all of the Collateral offered for sale, and may make any payment on account thereof by using any claim for moneys then due and payable to the Security Agent (for the benefit of the Secured Parties) by the Debtors hereunder as a credit against the purchase price. The Security Agent (on behalf of the Secured Parties) shall in any such sale make no representations or warranties with respect to the Collateral or any part thereof, and neither the Security Agent nor any Secured Party shall be chargeable with any of the obligations or liabilities of any Debtor. Each Debtor hereby agrees that (i) it will indemnify and hold the Security Agent and each Secured Party harmless from and against any and all claims with respect to the Collateral asserted before the taking of actual possession or control of the relevant Collateral by the Security Agent pursuant to this Section 8, or arising out of any act of, or omission to act on the part of, any Person (other than the Security Agent or any Secured Party) prior to such taking of actual possession or control by the Security Agent (whether asserted before or after such taking of possession or control), or arising out of any act on the part of any Debtor or its Affiliates or agents before or after the commencement of such actual possession or control by the Security Agent, and (ii) neither the Security Agent nor any Secured Party shall have any liability or obligation to any Debtor arising out of any such claim except for acts of willful misconduct or gross negligence by such Person not taken in good faith. In any action hereunder during the

continuance of an Event of Default, the Security Agent shall be entitled, if permitted by Applicable Law, to the appointment of a receiver without notice, to take possession of all or any portion of the Collateral and to exercise such powers as a court shall confer upon the receiver. Notwithstanding the foregoing, upon the occurrence and during the continuance of an Event of Default, the Security Agent and the Secured Parties shall be entitled to apply, without prior notice to any of the Debtors except as may be required by Applicable Law, any cash or cash items constituting Collateral in the possession of the Security Agent or the Secured Parties in the manner set forth in Section 8(d).

(d) Application of Proceeds. The Debtors further agree that the Security Agent may apply any proceeds from the disposition of any of the Collateral towards payment of the Secured Obligations in the manner set forth in Section 16 of the Intercreditor Agreement.

(e) Power of Attorney. Upon the occurrence and during the continuance of an Event of Default, each Debtor does hereby irrevocably make, constitute and appoint the Security Agent or any of its officers or designees its true and lawful attorney-in-fact with full power in the name of the Security Agent, such other Person or such Debtor (i) to receive, open and dispose of all mail addressed to any Debtor and to endorse any notes, checks, drafts, money orders or other evidences of payment relating to the Collateral that may come into the possession of the Security Agent with full power and right to cause the mail of any such Debtor to be transferred to the Security Agent's own offices or otherwise, and to do any and all other acts necessary or proper to carry out the intent of this Security Agreement and the grant of the security interests hereunder, and each Debtor hereby ratifies and confirms all that the Security Agent or such other Person shall properly do by virtue of this Section 8(e). In addition, upon the occurrence and during the continuance of an Event of Default, each Debtor does hereby further irrevocably make, constitute and appoint the Security Agent or any of its officers or designees its true and lawful attorney-in-fact in the name of the Security Agent, such other Person or any Debtor, (a) to enforce all of such Debtor's rights under and pursuant to all agreements with respect to the Collateral, all for the sole benefit of the Security Agent (for the benefit of the Secured Parties) as contemplated hereby, (b) to enter into such other agreements as may be necessary or appropriate in the judgment of the Security Agent to complete the production, distribution or exploitation of any item of Product which is included in the Collateral, (iii) to enter into and perform such agreements as may be necessary in order to carry out the terms, covenants and conditions of the Secured Debt Documents, that are required to be observed or performed by any Debtor, (iv) to execute such other and further mortgages, pledges and assignments of the Collateral, and related instruments or agreements, as the Security Agent may reasonably require for the purpose of perfecting, protecting, maintaining or enforcing the security interests granted to the Security Agent on behalf of the Secured Parties hereunder and under the Secured Debt Documents and (v) to do any and all other acts necessary or proper to carry out the intention of this Security Agreement and the grant of the security interests hereunder and under the Secured Debt Documents. Each appointment under this Section 8(e) is coupled with interests, is given for valuable consideration and shall be irrevocable without the prior written consent of the Security Agent. Each of the Debtors hereby ratifies and confirms in advance all that the Security Agent or its officers or designees as such attorney-in-fact shall properly do by virtue of this power of attorney. In the event the Security Agent exercises the power of attorney granted herein, the Security Agent shall, concurrently with such exercise, to the extent lawful and entitled to do so, provide written notice to the Debtors in accordance with Section 16 hereof.

SECTION 9. Copyrights and Trademarks. From the Closing Date and for so long as the Commitments shall be in effect, any amount shall remain outstanding under the Notes, any L/C Exposure or BA Exposure shall remain outstanding or any monetary Obligation then due and payable shall remain unpaid or unsatisfied, each of the Debtors agrees that, unless the Required Lenders shall otherwise consent in writing, each of them will, and each of them will cause their respective Subsidiaries (other than the Excluded Subsidiaries) to:

(a) As soon as practicable, to the extent any Debtor (A) is or becomes the copyright proprietor in respect of any item of Product or otherwise acquires a material copyrightable interest in any item of Product or (B) acquires any material trademark, service mark, trade name or service name, take any and all actions necessary to register in the United States Copyright Office or the United States Patent and Trademark Office, as applicable, the copyright for each such item of Product or each such trademark, service mark, trade name or service name, in the name of such Debtor in conformity with the laws of the United States (such copyright registrations in the United States to reflect each separate copyrightable work), deliver to the Security Agent and the Administrative Agent, no later than the date of delivery of the statements referred to in Section 5.1(a) of the Credit Agreement covering the period in which any Debtor created or acquired any such rights, written evidence of the filing of applications to register any and all such copyrights, trademark, service mark, trade name or service names.

(b) As soon as practicable and in any event no later than the date of delivery of the statements referred to in Section 5.1(a) of the Credit Agreement covering the period in which any Debtor created or acquired any material copyright, trademark, service mark, trade name or service name which is owned solely by such Debtor, such Debtor shall deliver to the Security Agent and the Administrative Agent:

(i) in the case of domestic Debtors (or any other Debtor, in the case of distribution rights in the United States), a Copyright Security Agreement or a Trademark Security Agreement, as applicable, relating to such copyright, trademark, service mark, trade name or service name, executed by such U.S. Debtor;

(ii) in the case of non-U.S. Debtors, such other supplements or other documents or instruments as required by any applicable Security Documents or as the Administrative Agent may request (in form and substance satisfactory to the Administrative Agent) relating to such copyright, trademark, service mark, trade name or service name, executed by such Debtor.

(c) Maintain all material trademark and material trade name registrations and prosecute all material trademark and material trade name applications in the name of the applicable Debtor, and take any all actions necessary to register any trademarks and trade names as such Debtor may use which are of substantial value to such Debtor in the name of such Debtor in conformity with the laws of the United States, Canada, the United Kingdom, and such other jurisdictions as may be appropriate, and, on an annual basis deliver to the Security Agent and the Administrative Agent (i) written evidence of all such trademark or trade name registrations for inclusion in the Collateral under this Credit Agreement and (ii) a supplement to the Trademark Security Agreement (in form and in substance satisfactory to the Administrative Agent) or

acknowledgement of security for filing with the Canadian Intellectual Property Office, in each case relating to such trademark or trade name, executed by such Debtor.

(d) Obtain instruments of transfer or other documents evidencing the interest of any Debtor with respect to the copyright relating to items of Product in which such Debtor is not entitled to be the initial copyright proprietor and any trademark, service mark, trade name or service name which such Debtor acquires.

(e) As soon as practicable and in any event within 30 days after the date hereof for items in the following clause (i) and within 120 days after the Closing Date for items in the following clause (ii), unless otherwise agreed by the Administrative Agent, cause: (i) material copyrights and materials trademarks registered or applied for by any Debtor to be accurately reflected in the United States Copyright Office and the United States Patent and Trademark Office, respectively, in accordance with clauses (a) through (d) under this Section 9, and (ii) all stale registrations and inaccurate, incorrect or misleading Lien registrations to be terminated, in each case to ensure the Security Agent has a first perfected Lien in such Collateral pursuant to and in accordance with Section 2.

SECTION 10. Financing Statements and Payment Directions. Each Debtor hereby authorizes the Security Agent to file UCC financing statements (or foreign equivalent) and any amendments thereto or continuations thereof and any other appropriate security documents or instruments and to give any notices necessary or desirable as determined by the Security Agent to perfect the Lien of the Security Agent (for the benefit of the Secured Parties) in the Collateral, in all cases without the signature of any Debtor or to execute such items as attorney-in-fact for any Debtor. In the event the Security Agent exercises such power of attorney, the Administrative Agent shall provide to the Debtors copies of any such documents or instruments executed by the Security Agent. Each Debtor authorizes the Security Agent to use the description "all assets" or a similar description in any such UCC financing statement (or foreign equivalent). Each Debtor further authorizes the Security Agent, at the time that any Event of Default shall have occurred and be continuing, to notify any account debtor that all sums payable to such Debtor relating to the Collateral shall be paid directly to the Security Agent.

SECTION 11. Remedies Not Exclusive. The remedies conferred upon or reserved to the Security Agent in this Security Agreement are intended to be in addition to, and not in limitation of, any other remedy or remedies available to the Security Agent. Without limiting the generality of the foregoing, the Security Agent and the Secured Parties shall have all rights and remedies of a secured creditor under Article 9 of the UCC and under any other Applicable Law.

SECTION 12. Termination and Release. The security interests granted under this Security Agreement shall terminate when all of the Secured Obligations shall have been fully and indefeasibly paid and performed. Upon request by the Debtors (and at the sole cost and expense of the Borrowers) after such termination, the Security Agent will promptly take all reasonable action and do all things reasonably necessary, including authorizing, executing and delivering UCC termination statements (or foreign equivalents), termination letters to account debtors and copyright and trademark releases, to terminate the security interest granted to the Security Agent (for the benefit of the Secured Parties) hereunder; provided that the Security Agent shall only be

required to deliver such documents to the Debtors and shall have no obligation to file or record any such document.

SECTION 13. Quiet Enjoyment. The Security Agent acknowledges and agrees that the security interest hereunder of the Security Agent (for the benefit of the Secured Parties) is subject to the rights of Quiet Enjoyment (as defined below) of various licensees (which are not Affiliates of any Debtor) under license agreements and distributors under Distribution Agreements, whether existing on the date hereof or hereafter executed. For purposes hereof, “Quiet Enjoyment” shall mean, in connection with the rights of such licensees and distributors, the Security Agent’s agreement that its rights in the Collateral under this Security Agreement are subject to the rights of such licensees and distributors to distribute, exhibit and/or exploit the applicable item of Product licensed to them, and to receive prints or tapes or other delivery items or have access to preprint material or master tapes and other items to which such Distributor is entitled in connection therewith, and that even if the Security Agent shall become the owner of the Collateral in case of an Event of Default, the Security Agent’s ownership rights shall be subject to the rights of said licensees and distributors, subject to a reservation by the Security Agent (for the benefit of the Secured Parties) of any rights available to the applicable Debtor if such licensee or distributor is in default under the applicable license or Distribution Agreement. Neither the Security Agent nor any Secured Party shall be responsible for any liability or obligation of any Debtor or such licensee or distributor under the applicable license or Distribution Agreement. The Security Agent agrees that, upon the reasonable request of a Debtor, it will provide written confirmation (in form and substance reasonably acceptable to the Security Agent) of such rights of Quiet Enjoyment to distributors under Distribution Agreements.

SECTION 14. Release of Collateral. Upon any disposition of property permitted by the Intercreditor Agreement, the security interest granted herein shall be deemed to be automatically released with respect to such disposed property and such property shall automatically be free and clear of the liens and security interests granted hereunder with no further action on the part of any person. Upon such release, the Security Agent will promptly take all reasonable action and do all things reasonably necessary, including authorizing, executing and delivering UCC termination statements (or foreign equivalents), termination letters to account debtors, terminations of Account Control Agreements and copyright and trademark releases, to release the applicable security interest granted to the Security Agent (for the benefit of the Secured Parties) hereunder.

SECTION 15. Continuation and Reinstatement. The security interest granted hereunder shall continue to be effective or be reinstated, as the case may be, if at any time payment of any Security Liability or any part thereof is rescinded or must otherwise be restored by the Security Agent or any Secured Party upon the bankruptcy or reorganization of any Debtor or otherwise.

SECTION 16. Further Assurances. The Debtors agree that the Debtors will from time to time, at the reasonable request of the Security Agent: (i) duly execute and deliver, or cause to be duly executed and delivered, at the cost and expense of the Borrowers, such further instruments as may be appropriate in the reasonable judgment of the Security Agent to carry out the provisions and purposes of this Security Agreement; (ii) promptly execute and deliver or cause to be executed and delivered, at the cost and expense of the Borrowers, such further instruments as may be appropriate in the reasonable judgment of the Security Agent, to provide the Security Agent (on behalf of the Secured Parties) a first priority perfected Lien (subject to Permitted Liens) in the

Collateral and any and all documents (including, without limitation, the execution, amendment or supplementation of any financing statement and continuation statement or other statement) for filing under the provisions of the UCC and the rules and regulations thereunder, or any other Applicable Law; (iii) perform or cause to be performed such other ministerial acts which are reasonably necessary or advisable, from time to time, in order to grant and maintain in favor of the Security Agent (for the benefit of the Secured Parties) the security interest in the Collateral contemplated hereunder and under the other Secured Debt Documents; and (iv) promptly undertake to deliver or cause to be delivered to the Security Agent, such other documentation, consents, authorizations and approvals in form and substance reasonably necessary or advisable to perfect or maintain the Liens of the Security Agent in the Collateral for the benefit of the Secured Parties.

SECTION 17. Notice.
