The company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 30 March 2021.

The members have not required the company to obtain an audit of its financial statements for the year ended 30 March 2021 in accordance with Section 476 of the Companies Act 2006.

The director acknowledges his responsibilities for:

- (a) ensuring that the company keeps accounting records which comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the company as at the end of each financial year and of its profit or loss for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the company.

**BALANCE SHEET - continued**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 MARCH 2021**

**1. STATUTORY INFORMATION**

A & Co (UK) Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

The presentation currency of the financial statements is the Pound Sterling (£).

**2. ACCOUNTING POLICIES**

**Basis of preparing the financial statements**

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

**Restatement**

The comparative figures have been restated regarding the reclassification of creditors to show correct presentation and there is no impact on the retained earnings.

**Going Concern**

Where total liabilities exceed current assets, the directors consider whether the company has sufficient resources to meet its working capital requirements and whether the company has the support of its creditors. Where the directors form the opinion that the company has sufficient resources to meet its working capital requirements and has the support of its creditors, the accounts are prepared on a going concern basis.

**Turnover**

Turnover represents rental income received from investment property.

**Investment property**

In accordance with the Financial Reporting Standard, no depreciation is provided in respect of investment property. This is a departure from the requirements of the Companies Act 2006 which requires all properties to be depreciated. Such properties are not held for consumption but for investment and the directors consider that to depreciate them would not give a true and fair view. Depreciation is only one of many factors reflected in the periodic valuation of properties and accordingly the amount of depreciation which might otherwise have been charged cannot be separately identified or quantified. The directors consider that this policy results in the accounts giving a true and fair view.

Investment property is shown at most recent valuation. Any aggregate surplus or deficit arising from changes in fair value is recognised in profit or loss.

**Taxation**

Taxation for the year comprises current and deferred tax. Tax is recognised in the Profit and Loss Account, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

**NOTES TO THE FINANCIAL STATEMENTS - continued**  
**FOR THE YEAR ENDED 30 MARCH 2021**

**2. ACCOUNTING POLICIES - continued****Deferred tax**

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.
