## DIRECTORS' REPORT

---

The Directors present their report and the financial statements for the period ended 31 December 2017.

### PRINCIPAL ACTIVITIES

London Stock Exchange Group (Services) Limited (the "Company") is a wholly-owned subsidiary of London Stock Exchange Group plc (the "Parent"), and was incorporated on 17 November 2014. During the prior period, the Company extended its financial year end and as a consequence this report shows comparatives for the period from 30 November 2015 to 31 December 2016.

During the year ended 31 December 2017, the Company operated as an investment holding company and its key objective is the monitoring and review of its investments.

The Company is part of London Stock Exchange Group plc (the "Group").

### REVIEW OF BUSINESS

The Company's loss after tax for the year ended 31 December 2017 was £515.6k (period ended 31 December 2016 profit of: £133.1k), driven by a foreign exchange loss on amounts due from subsidiary undertaking.

Following a detailed review of the investments, it has been considered that the carrying value of £11,936.3k (31 December 2016: £11,936.3k) is appropriate as at 31 December 2017 with no factors to indicate any impairment. Due to the nature of the business, the Directors have concluded that there are no other relevant KPI's.

### FUTURE DEVELOPMENTS

The Company is expected to continue to operate as an investment holding company.

### DIVIDENDS

No dividends have been paid or proposed during the current year and previous period.

### DIRECTORS AND DIRECTORS' INTERESTS

The following Directors have held office throughout the year and up to the date of approval of the financial statements, except as noted below:

L Condrón	
C Thomas	
D Warren	(resigned 20 February 2018)
M Freedman	(appointed 29 April 2018)

None of the Directors had any interest in the shares of the Company. There are no Directors' interests requiring disclosure under Companies Act 2006.

### DIRECTORS' LIABILITIES

The Company has Directors and Officers insurance which provides an indemnity to one or more of its directors against liability in respect of proceedings brought by third parties. Such qualifying third party indemnity provision remains in force as at the date of approving the Directors' Report.

### EMPLOYEES

The Company has no employees.

### PRINCIPAL RISKS AND UNCERTAINTIES

London Stock Exchange Group plc ("LSEG") operates group wide risk management procedures which bring greater judgement to decision making as this allows management to make better, more informed and more consistent decisions based on a clear understanding of the risks involved.

LSEG has adopted a group wide risk management system that provides ongoing formal assurance that all the subsidiary companies are appropriately controlling all of the risks to which they are exposed, ensuring that internal controls operate efficiently and effectively.

## DIRECTORS' REPORT

---

The Company is subject to a variety of foreseeable and unforeseeable risks and uncertainties which may have an impact on the Company's ability to execute its strategy and deliver its expected performance. The identification, assessment and management of these risks are central to the Company's operating framework. The Company's risk management structure is based on the 'three lines of defence' model:

- The First line (Management), is responsible and accountable for identifying, assessing and managing risk.
- The Second line (Risk Management and Compliance), is responsible for defining the risk management process and policy framework and providing challenge to the first line on risk management activities assessing risks and reporting to the Group Board Committees on risk exposure.
- The Third line (Internal Audit), provides independent assurance to the Board and other key stakeholders over the effectiveness of the systems of controls and the Risk Framework.

The Company's principal operational risks are considered to arise from its status as an investment holding company. The value and management of the company's investments in subsidiary undertakings are given by the underlying performance of the investments.

On 23 June 2016 the UK voted to exit the EU. The Company relies on a number of rights that are available to it to conduct business with EU members. This includes, without limitation, the right for the UK trading venues to offer services to members in the EU. The Company has analysed the potential impact and considered contingency plans that it may choose to execute should these rights not be replaced by rights that persist outside EU membership.

### STATEMENT OF DIRECTORS' RESPONSIBILITIES

The Directors are responsible for preparing the Directors' Report and the Financial Statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law, the Directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101).

Under company law, the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing those financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable United Kingdom Accounting Standards including FRS 101 have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Directors are responsible for the maintenance and integrity of the Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

### GOING CONCERN

The Directors have reviewed the Company's forecasts and projections, taking into account reasonably possible changes in trading performance, which show that the Company has sufficient financial resources and access to funding. On the basis of this review, and after making due enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### EVENTS AFTER THE REPORTING PERIOD

An 89.9% interest in LSEG Business Services RM S.R.L was acquired by London Stock Exchange Group (Services) Limited on 25 May 2018.

### STRATEGIC REPORT

In accordance with section 414B of the Companies Act 2006 (Strategic Report and Directors' Report) Regulations 2013, the Company has taken the exemption not to prepare a strategic report as the Company qualifies as a small company in accordance with sections 382(2) and 383(3) of the Companies Act 2006. In the current year and in the prior year, the Company's turnover was not more than £10,200,000 and the number of employees was not more than 50.

### AUDIT EXEMPTION

For the year ended 31 December 2017 the Company was entitled to exemption from audit under section 479A of the Companies Act 2006 relating to subsidiary companies.

In the prior period, the Company was audited by Ernst & Young LLP. This report shows audited comparative results for the period ended 31 December 2016.

## NOTES TO THE FINANCIAL STATEMENTS

Year ended 31 December 2017

---

### 1. Basis of Preparation and Accounting Policies

The financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101) and the Companies Act 2006 (the Act). FRS 101 sets out a reduced disclosure framework for a 'qualifying entity' as defined in the standard which addresses the financial reporting requirements and disclosure exemptions in the individual financial statements of qualifying entities that otherwise apply the recognition, measurement and disclosure requirements of International Financial Reporting Standards (IFRS) as adopted by the European Union.

The Company is a qualifying entity for the purposes of FRS 101. Note 13 gives details of the Company's ultimate parent and from where its consolidated financial statements prepared in accordance with IFRS may be obtained. The Company's date of transition to FRS 101 was 1 April 2012.

FRS 101 sets out amendments to IFRS that are necessary to achieve compliance with the Act and related Regulations. The impact of these amendments to the Company's previously adopted accounting policies in accordance with IFRS as adopted by the EU was not material on the shareholders' equity as at the date of transition and as at 31 December 2017 or on the profit for the year ended 31 December 2017.

*The following disclosure exemptions under FRS 101 have been considered and applied where deemed to be applicable:*

- cash flow statements and related notes;
- disclosure of key management compensation and related party disclosures for intra-group transactions;
- IAS 8: listing of new or revised standards that have not been adopted may be omitted
- IAS 1 disclosure on capital management and comparative information;
- reduced IFRS 2 disclosure for share-based payment arrangements in a subsidiary's financial statements;
- reduced IFRS 7 disclosure of financial instruments;
- reduced IAS 36 disclosure of impairment review;
- reduced IFRS 13 disclosure relating to fair value measurement; and
- the requirement to present comparatives in roll-forward reconciliations for property, plant and equipment and intangible assets.

The following amendments were endorsed by the EU during the year and have been adopted in these financial statements:

- Amendment to IAS 12, 'Income taxes' on recognition of deferred tax assets for unrealised losses
- Amendments to FRS 101, 'Reduced Disclosure Framework 2016/17 Cycle' (July 2017).

The adoption of these standards do not have a material affect on the financial statements.

These financial statements are prepared under the historical cost convention as modified by the revaluation of assets and liabilities held at fair value.

The preparation of financial statements requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies.

These financial statements contain information about London Stock Exchange Group (Services) Limited as an individual company and do not contain consolidated financial information as the parent of a group. The Company has taken the exemption from producing consolidated financial statements afforded by section 400 of the Companies Act 2006 because it is a wholly owned subsidiary of London Stock Exchange Group plc which prepares consolidated financial statements which are publicly available.

The Company is a private limited company, limited by shares incorporated and domiciled in the England and Wales. The address of its registered office is 10 Paternoster Square, London, EC4M 7LS.

#### **Going concern**

The Directors have reviewed the Company's forecasts and projections, taking into account reasonably possible changes in trading performance, which show that the Company has sufficient financial resources and access to funding. On the basis of this review, and after making due enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future and at least 12 months from the date of approval of the financial statements. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

### Accounting policies

#### *Foreign currencies*

These financial statements are presented in Sterling, which is the Company's presentation and functional currency.

Foreign currency transactions are converted into the functional currency using the rate ruling at the date of the transaction or at the monthly average as a proxy. Foreign exchange gains or losses resulting from the settlement of such transactions and from the translation at year-end rates of monetary assets and liabilities denominated in foreign currencies are recognised in the income statement.

#### *Finance income and expenses*

Finance income and expense comprises interest earned on loans with Group counterparties and interest paid on borrowings which reflect the agreed market-based or contractual rate for each transaction undertaken during the financial period.

#### *Investments in subsidiary companies*

Subsidiaries are all entities (including structured entities) over which the Company has control. The Company controls an entity when the Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

Investments in subsidiaries are stated in the Company's financial statements at cost less impairment, if any. On disposal, the difference between the net disposal proceeds and the investment's carrying amount is included in the income statement. Loans to subsidiaries which are determined as capital contributions are recorded as investments in subsidiary undertakings.

#### *Current taxation*

Current tax is recognised in the income statement except to the extent that it relates to items recognised in the Statement of Comprehensive Income or directly in equity. In this case the tax is also recognised in the Statement of Comprehensive Income or directly in equity, respectively.

The current tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the balance sheet date in the country where the Company operates and generates taxable income and any adjustment to tax payable in respect of previous periods.

#### *Trade and other receivables*

Trade and other receivables include amounts due from the parent and subsidiary undertakings on loans and interest on these loans and are measured at amortised cost using the interest rate method. Interest is charged at variable rates as stated within the relevant group loan agreement as set out by management. These loans are repayable either on demand or on dates stipulated within the relevant group loan agreement.

#### *Trade and other payables*

Trade payables falling due within one year include amounts due to the Parent and subsidiary undertakings. They are included in Trade Payables falling due within one year and are measured at amortised cost using the interest rate method.

#### *Share capital*

The share capital of the Company consists of only one class of ordinary Shares and these are classified as equity.

## 2. Significant Judgements and Estimates

Judgements and estimates are regularly evaluated based on historical experience, current circumstances and expectations of future events. The significant judgements for the year ended 31 December 2017 are as follows:

- Valuation of investments in subsidiary companies: for purpose of impairment assessment, determined based on forecast cash flows and an appropriate discount rate. The basis of such values cannot be precise and is subject to market variations in both cases.

There are no significant estimates.
