THE ADMINISTRATORS' PROGRESS REPORT

1 Introduction

- 1.1 I, together with my partner Daniel Richardson, was appointed Joint Administrator of Sunningdale House Developments Limited ("the Company") on 9 August 2023. The appointment was made by West One Loan Limited ("West One") of Third Floor, The Edward Hyde Building, 38 Clarendon Road, Watford, WD17 1JW.
- 1.2 However, as reported in our Proposals, the validity of our appointment was contested by Sunningdale Investments Limited ("SIL"), via their appointed solicitors, who made a court application to this affect. SIL are the Company's shareholder and are the largest creditor of the Company according to the Company's records. SIL have raised uncertainty as to the validity of West One's security.
- 1.3 On 6 October 2023, after discussion between solicitors acting for us, SIL and West One, the court declared that the appointment was valid and by consent of all parties, Jeremy Woodside of Quantuma Advisory Limited ("Quantuma"), Third Floor, 196 Deansgate, Manchester, M3 3WF was appointed alongside us as Joint Administrator.
- 1.4 This Administration is being handled by CG&Co at 27 Byrom Street, Manchester, M3 4PF and Quantuma Advisory Limited at Third Floor, 196 Deansgate, Manchester, M3 3WF. The Administrators' contact details are by phone on 0161 358 0210 or via email at info@cg-recovery.com (CG&Co) and 0161 694 9144 (Quantuma Advisory Limited). The Administration is registered in the In the High Court of Justice Business and Property Courts in Manchester Insolvency and Companies List (ChD), reference number CR-2023-MAN-0980 of 2023.
- 1.5 As Joint Administrators, we are required to provide a progress report covering the period of six months commencing from the date the Company entered Administration and every subsequent period of six months. This progress report covers the period from 9 August 2023 to 8 February 2024 ("the Period") and should be read in conjunction with our earlier proposals report and any previous progress reports which have been issued.
- 1.6 Information about the way that we will use, and store personal data on insolvency appointments can be found at <https://cg-recovery.com/privacy-policy-2/> (CG&Co) and at <https://www.quantuma.com/privacy-policy> (Quantuma"). If you are unable to download this, please contact us and a hard copy will be provided to you.
- 1.7 The trading address of the Company was Unit 14 Invicta Way, Manston Park, Ramsgate, CT12 5FD.
- 1.8 The registered office of the Company is 27 Byrom Street, Manchester, M3 4PF and its registered number 09323682.

2 Receipts and Payments

- 2.1 At Appendix A is our Receipts and Payments Account covering the period of this report.
- 2.2 In Section 3 below, you will find an update on the progress made during the Period in realising the Company's assets and dealing with its affairs.

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

3 Progress of the Administration

- 3.1 You may recall that the statutory objective being pursued in the Administration was 'realising property in order to make a distribution to one or more secured or preferential creditors'. In addition to the pursuance of this statutory objective, the Administrators have duties imposed by insolvency and other legislation, some of which may not provide any financial benefit to creditors.
- 3.2 This section of the report provides creditors with an update on the progress made in the Period, both in terms of the achievement of the statutory objective, but also work which is required of the Administrators under other related legislation.

Administration (including statutory compliance & reporting)

- 3.3 As noted above, the Administrators must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work that I anticipated would need to be done in this area was outlined in our Proposals.
- 3.4 Where the costs of statutory compliance work or reporting to creditors exceeds the initial estimate, it will usually be because the duration of the case has taken longer than anticipated, possibly due to protracted asset realisations, which have in turn placed a further statutory reporting requirement on the Administrators.
- 3.5 As noted in our Proposals, this work will not necessarily bring any financial benefit to creditors but is required on every case by statute.

Realisation of Assets

Stoneleigh House and the land adjoining Stone House, The Tram Road, Folkestone, CR20 1QR ("Tram Road")

- 3.6 The Company owns the freehold title of Tram Road. Following our appointment, we instructed, agents to secure and report to us on the make up of Tram Road. We have subsequently insured the property.
- 3.7 We have received agent's appraisals on the value and recommended sale strategy for Tram Road, but are not disclosing the estimated value, so not to prejudice the future sale.
- 3.8 Tram Road is not yet on the market as we are in discussions with the local authority to clarify the terms of a s106 agreement and affordable housing provision and, until clarity is established on this point, as this will have significant impact on the value of the site, we are not proposing to market and sell the property until the details from the Local Authority are confirmed.
- 3.9 A further update will be provided in our next progress report.

Book Debt – Murston Construction Limited ("Murston")

- 3.10 The Company has an amount outstanding for funds loaned to Murston in the sum of £625,000. Murston have granted the Company the benefit of a Legal Mortgage incorporating a fixed charge. However, Shawbrook Bank Limited have a deed of priority which means that its security ranks ahead of the security held by the Company.
- 3.11 Following our appointment, we requested repayment from Murston. Murston, via its solicitors, have advised that it is unable to repay the debt in full. We have requested details of its current financial position which have been provided and reviewed and reviewed by us. Furthermore, Murston's solicitors have made an offer in full and final settlement of the sum due at a compromised level. We

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

have not reported this as the payment is due by 15 March 2024 and we will provide an update in our next Progress Report.

Debts due from Subsidiaries

- 3.12 As reported in our Proposals, we believe that several of the Company's subsidiaries have amounts due to the Company. Following our appointment, we requested Company records from the director and former director.
- 3.13 We have been advised that the records are electronic and that they are held on a server, owned by a third party. After protracted dialogue with this third party and instruction of our solicitors, Brabners LLP, access has recently been granted to the Joint Administrators. However, the records contained have not enabled us to properly clarify the position in relation to the subsidiaries and we are due to interview the former director and financial controller to assist us in our enquiries and clarify the position.
- 3.14 Several of the subsidiaries are subject to formal insolvency proceedings and Receiver Appointments and therefore, expected recoveries from these subsidiaries is understood to either not be available or compromised.
- 3.15 However, we have received a payment in the sum of £23,910.80 in relation to the Sunningdale House Developments (Tuckingmill) Limited.
- 3.16 An update will be provided in our next Progress Report.
- 3.17 It is anticipated that the work the Administrators and their staff have undertaken to date will bring a financial benefit to creditors because a distribution to one of more secured or preferential creditor is expected.

Creditors (claims and distributions)

- 3.16 Administrators are not only required to deal with correspondence and claims from unsecured creditors (which may include retention of title claims), but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture.
- 3.18 Since 1 December 2020, claims from preferential creditors now fall into one of two categories, either ordinary (typically involving employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal, which rank equally among themselves), or secondary (which are claims by HMRC for VAT or other relevant tax deductions such as PAYE and employee NIC deductions, together with student loans and CIS deductions, which also rank equally among themselves). Ordinary preferential claims rank ahead of secondary preferential claims and all preferential creditors must be paid in full before any distribution can be made to the unsecured creditors of a company.
- 3.19 Work undertaken by Administrators in dealing with a company's creditors may only bring a financial benefit to certain classes of creditor such as a secured creditor or the preferential creditors, however an Administrator is required by statute to undertake this work. Similarly, if a distribution is to be paid to any class of creditor, work will be required to agree those claims and process the dividend payments to each relevant class of creditor. The more creditors a company has, the more time and cost will be involved by the Administrators in dealing with those claims.
- 3.20 More information on the anticipated outcome for all classes of creditor in this case can be found in Section 4 below.

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

Investigations

- 3.21 Some of the work Administrators are required to undertake is to comply with legislation such as the Company Directors' Disqualification Act 1986 (**CDDA 1986**) and Statement of Insolvency Practice 2 – Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless these investigations reveal potential asset recoveries that the Administrators can pursue for the benefit of creditors.
- 3.22 We can confirm that we have submitted a report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986. As this is a confidential report, I am unable to disclose the contents.
- 3.23 Under the division of duties between CG & Co and Quantuma, the investigations are being handled by Quantuma. Quantuma have made an initial assessment of whether there could be any matters that might lead to recoveries for the estate and what further investigations may be appropriate. This assessment considered information provided by creditors either at the initial meeting (where held) or as a response to the request to complete an investigation questionnaire.
- 3.23 The investigations are ongoing and we are unable to provide specific details so not to prejudice the same. We will provide a further update in our next report to creditors.

What remains to be done in the Administration

- 3.24 As detailed earlier in this report, there are several classes of assets still to be realised. Once this has been done, we will be able to make a distribution to one of more secured and/or preferential creditors.
- 3.25 Furthermore, the Joint Administrators' investigations remain ongoing.

4 Estimated Outcome for Creditors

- 4.1 As presently, the outcome from the Company's assets are either uncertain or intentionally not disclosed so not to prejudice the future realisation, we have not included an Estimated Outcome Statement at this stage.
- 4.2 Based upon present information, we believe that a distribution will be paid to the Company's secured creditor, West One.
- 4.3 Based upon present information, we believe that there will be sufficient funds available to enable a distribution to preferential creditors.
- 4.4 The Company granted a floating charge to West One on 15 October 2021. Accordingly, we are required to create a fund out of the Company's net floating charge property for unsecured creditors (known as the **Prescribed Part**).
- 4.5 Based on present information, we estimate the value of the Company's net floating charge property to be uncertain as it's dependent upon future asset realisations. Arising from this, the value of the unsecured creditors' fund is presently estimated to be uncertain. Please note that this estimate is subject to fluctuation and the final outcome can only be determined once all asset realisations have been made.
- 4.6 The outcome for unsecured creditors is dependent upon future asset realisations and, particularly, from the amounts realised from the subsidiaries.
- 4.7 An update will be provided in our next progress report.

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

5 Pre-administration Costs

6 Joint Administrators' Remuneration

- 6.1 As Joint Administrators, we are required to provide creditors with details of the work we propose to undertake in the Administration and the expenses we consider will be, or is likely to be, incurred in dealing with the Company's affairs, prior to determining the basis upon which our remuneration will be fixed.
- 6.2 In addition to this, where Administrators seek agreement to the basis of their remuneration by reference to time properly spent by them and their staff in attending to matters arising in the Administration, a fees estimate outlining the time and estimated cost of the work to be done must also be provided.

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

- 6.3 We are not currently seeking to agree the quantum of our remuneration and this will be done at a later date. However, we are proposing the basis be time costs for time properly spent on this assignment by the Administrators and their staff and a percentage of realisations in relation to the same of the Tram Road.
- 6.4 We will provide creditors with full details of what the quantum is proposed along with the rationale for the same prior to circulating correspondence for creditors to consider and vote upon the requested basis and quantum.
- 6.5 Further information on the work done since our appointment to the date of this report can be found in Section 3 of this report.
- 6.6 We will provide updates on the expenses we consider will be, or are likely to be, incurred during this case in due course.
- 6.7 A copy of "A Creditors' Guide to Administrators' Fees" is available on request or can be downloaded from <https://www.r3.org.uk/technical-library/england-wales/technical-guidance/creditor-guides/>. If you would prefer this to be sent to you in hard copy please contact CG&Co on 0161 358 0210.

7 Creditors' Rights

- 7.1 Within 21 days of the receipt of this report, a secured creditor, or an unsecured creditor (with the concurrence of at least 5% in value of the unsecured creditors) may request in writing that the Administrators provide further information about their remuneration or expenses (other than pre-administration costs) which have been itemised in this progress report.
- 7.2 Any secured creditor, or an unsecured creditor (with the concurrence of at least 10% in value of the unsecured creditors) may within 8 weeks of receipt of this progress report make an application to court on the grounds that, in all the circumstances, the basis fixed for the Administrators' remuneration is inappropriate and/or the remuneration charged or the expenses incurred by the Administrators, as set out in this progress report, are excessive.

8 Ending the Administration

- 8.1 All Administrations automatically come to an end after the period of one year, unless the Company's creditors agree to extend this period, or the Court orders the Administrators' term of office be extended for a specified period of time.
- 8.2 At the time of drafting these Proposals we do not believe that an extension to the period of Administration will be necessary; however, we will confirm the position to creditors in a subsequent progress report in due course.
- 8.3 Based on information currently available, the information on the exit route(s) we believe may be appropriate in this Administration is/are set out below.

Creditors Voluntary Liquidation

- 8.4 Based on present information, the Administrators think a dividend may be paid to the unsecured creditors only by virtue of the Prescribed Part. However, if there are sufficient realisations to enable a distribution to unsecured creditors other than virtue of the Prescribed Part, the Administrators will either make an application to Court to enable them to make a distribution to unsecured creditors in the Administration or they will file a notice with the Registrar of Companies in order that the Administration will cease and the Company will move automatically into Creditors' Voluntary

SUNNINGDALE HOUSE DEVELOPMENTS LIMITED - IN ADMINISTRATION

Liquidation ("CVL") to facilitate this distribution. It is proposed that the Administrators in office at the date of conversion to CVL will become the Joint Liquidators of the CVL.

- 8.5 It is proposed that the Joint Liquidators will be authorised to act jointly and severally in the subsequent Liquidation.

Dissolution

- 8.6 If the Joint Administrators think that a distribution may be available to the unsecured creditors from the Prescribed Part by virtue of section 176A(2)(a) only, this will be distributed in due course within the Administration and a notice will thereafter be filed at Court and with the Registrar of Companies with the Administrators' final report, for the dissolution of the Company.
- 8.7 However, if the Administrators think that the Company has insufficient property to permit a distribution to the unsecured creditors and that there may only be a distribution available to the secured and/or preferential creditors of the Company. As a result, once these distributions have been made, a notice will be filed at Court and with the Registrar of Companies with the Administrators' final report, for the dissolution of the Company.
- 8.8 The Administrators' appointment will end following the registration of the notice by the Registrar of Companies.

Compulsory Liquidation

- 8.9 If a move to CVL is not possible because a dividend to the unsecured creditors (other than by virtue of the Prescribed Part) is not anticipated, but the Administrators conclude that an exit into Liquidation is appropriate so that further investigations into the Company's affairs may be carried out for example, an application to Court may be made to exit into Compulsory Liquidation instead. If this exit route is appropriate, at this stage it is anticipated (but is not mandatory) that the Administrators will become the Joint Liquidators in the subsequent Liquidation.
- 8.10 The Administrators will be discharged from liability under Paragraph 98(3) of Schedule B1 to the Insolvency Act 1986 immediately upon their appointment as Administrators ceasing to have effect.

9 Next Report

- 9.1 The Administrators are required to provide a progress report within one month of the end of the next six months of the Administration or earlier if the Administration has been finalised or they wish to extend it.

Additional Information in Relation to the Joint Administrators' Fees, Expenses & the use of Subcontractors

Staff Allocation and the Use of Subcontractors

The general approach to resourcing our assignments is to allocate staff with the skills and experience to meet the specific requirements of the case.

The constitution of the case team will usually consist of a Partner, a Manager, and an Administrator or Assistant. The exact constitution of the case team will depend on the anticipated size and complexity of the assignment and the experience requirements of the assignment.

We have utilised the services of the following subcontractors in this case:

Name of Subcontractor	Basis of Fee Arrangement
Prism 339 – Bank Statement Analysis	Agreed Fixed Fee

Professional Advisors

On this assignment we have used the professional advisors listed below. We have also indicated alongside, the basis of our fee arrangement with them, which is subject to review on a regular basis.

Name of Professional Advisor	Basis of Fee Arrangement
Brabners LLP (legal advice)	Time cost basis plus disbursements
Specialist Risk Insurance Solutions (insurance)	Risk Based Premium
Brecher LLP (legal Advice)	Time Cost basis plus disbursements
Hilden Management (Agents)	Agreed fixed fee

Our choice was based on our perception of their experience and ability to perform this type of work, the complexity and nature of the assignment and the basis of our fee arrangement with them.

Joint Administrators' Expenses

The estimate of expenses which were anticipated in the Administration was provided to creditors when the basis of my fees was approved. The table below compares the anticipated costs against those incurred to date.

Category 1 expenses

These expenses do not require prior approval by creditors. The type of expenses that may be charged to a case as a Category 1 expense generally comprise of external supplies of incidental services specifically identifiable to the case, such as postage, case advertising, invoiced travel and external printing, external room hire and external storage costs. Also chargeable, will be any properly reimbursed expenses incurred by personnel in connection with the case. These expenses may include expenses which are payments first met by an office holder and then reimbursed from the estate.
