Strategic report

The Directors present their Strategic report for RTL Cleanco Limited ("the Company") for the year ended 30 November 2019.

Review of business

The Company has not traded in the current or prior year and hence no profit and loss account has been included.

The result for the year amounted to £nil (2018: £nil).

Principal risks and uncertainties

The Company is a member of the Maverick Topco Limited group of companies ("Group"). Details of the principal risks and uncertainties for the Group, together with a description of the Group's financial risk management objectives and policies is set out in the Directors' Report of Maverick Topco Limited.

Key performance indicators (KPIs)

Given the nature of the Company's activities, the Directors believe that analysis of KPIs for the Company is not necessary or appropriate for an understanding of the development, performance or position of the Company's business.

Going concern

The Directors have prepared the financial statements on the going concern basis. See note 1.2 to the financial statements for further details.

On behalf of the board:

David Clemson

Director

Date: 30 January 2020

Directors' report

The Directors present their report with the financial statements of the Company for the year ended 30 November 2019.

Principal activity

The principal activity of the Company in the year under review was that of a holding company for its subsidiary.

The Directors do not expect there to be any significant change in the Company's principal activity in the foreseeable future.

Dividends

No dividends will be distributed for the year ended 30 November 2019 (2018: *£nil*).

Directors

The Directors who have held office during the year and to the date of this report are as follows:

D Clemson

K Pollock – resigned 31 October 2019

D Whatley – appointed 28 October 2019

Both the Directors who are eligible offer themselves for election at the forthcoming Annual General Meeting.

Statement as to disclosure of information to auditors

So far as the Directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the Company's auditor is unaware, and each Director has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

Pursuant to Section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and KPMG LLP will therefore continue in office.

On behalf of the board:

David Clemson

Director

Date: 30 January 2020

Statement of Directors' responsibilities in respect of the Strategic report, the Directors' report and the financial statements

The Directors are responsible for preparing the Strategic Report, the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

Independent auditor's report to the members of RTL Cleanco Limited

Opinion

We have audited the financial statements of RTL Cleanco Limited ("the Company") for the year ended 30 November 2019 which comprise the Balance sheet, Statement of changes in equity and related notes, including the accounting policies in note 1.

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 30 November 2019 and of its result for the year then ended;
- have been properly prepared in accordance with UK accounting standards, including FRS 102 *The Financial Reporting Standard applicable in the UK and Republic of Ireland*; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities are described below. We have fulfilled our ethical responsibilities under, and are independent of the Company in accordance with, UK ethical requirements including the FRC Ethical Standard. We believe that the audit evidence we have obtained is a sufficient and appropriate basis for our opinion.

The impact of uncertainties due to the UK exiting the European Union on our audit

Uncertainties related to the effects of Brexit are relevant to understanding our audit of the financial statements. All audits assess and challenge the reasonableness of estimates made by the Directors, such as recoverability of goodwill and related disclosures and the appropriateness of the going concern basis of preparation of the financial statements. All of these depend on assessments of the future economic environment and the Company's future prospects and performance.

Brexit is one of the most significant economic events for the UK, and its effects are subject to unprecedented levels of uncertainty of consequences, with the full range of possible effects unknown. We applied a standardised firm-wide approach in response to that uncertainty when assessing the Company's future prospects and performance. However, no audit should be expected to predict the unknowable factors or all possible future implications for a Company and this is particularly the case in relation to Brexit.

Going concern

The Directors have prepared the financial statements on the going concern basis as they do not intend to liquidate the Company or to cease its operations, and as they have concluded that the Company's financial position means that this is realistic. They have also concluded that there are no material uncertainties that could have cast significant doubt over its ability to continue as a going concern for at least a year from the date of approval of the financial statements ("the going concern period").

We are required to report to you if we have concluded that the use of the going concern basis of accounting is inappropriate or there is an undisclosed material uncertainty that may cast significant doubt over the use of that basis for a period of at least a year from the date of approval of the financial statements. In our evaluation of the Directors' conclusions, we considered the inherent risks to the Company's business model, including the impact of Brexit, and analysed how those risks might affect the Company's financial resources or ability to continue operations over the going concern period. We have nothing to report in these respects.

However, as we cannot predict all future events or conditions and as subsequent events may result in outcomes that are inconsistent with judgements that were reasonable at the time they were made, the absence of reference to a material uncertainty in this auditor's report is not a guarantee that the Company will continue in operation.

Strategic report and Directors' report

The Directors are responsible for the Strategic report and the Directors' report. Our opinion on the financial statements does not cover those reports and we do not express an audit opinion thereon.

Our responsibility is to read the Strategic report and the Directors' report and, in doing so, consider whether, based on our financial statements audit work, the information therein is materially misstated or inconsistent with the financial statements or our audit knowledge. Based solely on that work:

Independent auditor's report to the members of RTL Cleanco Limited *(continued)*

- we have not identified material misstatements in the Strategic report and the Directors' report;
- in our opinion the information given in those reports for the financial year is consistent with the financial statements; and
- in our opinion those reports have been prepared in accordance with the Companies Act 2006.

Matters on which we are required to report by exception

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in these respects.

Directors' responsibilities

As explained more fully in their statement set out on page 4, the Directors are responsible for: the preparation of the financial statements and for being satisfied that they give a true and fair view; such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error; assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue our opinion in an auditor's report. Reasonable assurance is a high level of assurance, but does not guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

A fuller description of our responsibilities is provided on the FRC's website at www.frc.org.uk/auditorsresponsibilities.

The purpose of our audit work and to whom we owe our responsibilities

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members, as a body, for our audit work, for this report, or for the opinions we have formed.

Notes

(forming part of the financial statements)

1 Accounting policies

The Company is a private company limited by shares and incorporated and domiciled in the UK. The registered number is 09330824 and the registered address is New Manor, 328 Wetmore Road, Burton on Trent, Staffordshire, DE14 1SP.

The Company is exempt by virtue of s400 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the Company as an individual undertaking and not about its group.

These financial statements were prepared in accordance with Financial Reporting Standard 102 *The Financial Reporting Standard* applicable in the UK and Republic of Ireland ("*FRS 102*") as issued in August 2014. The amendments to FRS 102 issued in July 2018 and effective immediately have been applied. The presentation currency of these financial statements is Sterling. All amounts in the financial statements have been rounded to the nearest £1,000.

The Company's ultimate parent undertaking, Maverick Topco Limited, includes the Company in its consolidated financial statements. The consolidated financial statements of Maverick Topco Limited are prepared in accordance with FRS 102, are available to the public and may be obtained from Companies House. In these financial statements, the Company is considered to be a qualifying entity (for the purposes of this FRS) and has applied the exemptions available under FRS 102 in respect of the following disclosures:

- Reconciliation of the number of shares outstanding from the beginning to end of the period;
- Cash Flow Statement and related notes; and
- Key Management Personnel compensation.

As the consolidated financial statements of Maverick Topco Limited include the equivalent disclosures, the Company has also taken the exemptions under FRS 102 available in respect of the following disclosures:

- The disclosures required by FRS 102.11 *Basic Financial Instruments* and FRS 102.12 *Other Financial Instrument Issues* in respect of financial instruments not falling within the fair value accounting rules of Paragraph 36(4) of Schedule 1.

The accounting policies set out below have, unless otherwise stated, been applied consistently to all periods presented in these financial statements.

1.1. Measurement convention

The financial statements are prepared on the historical cost basis.

1.2. Going concern

These financial statements have been prepared on the going concern basis which Directors believe continues to be appropriate.

The Group meets its day to day working capital requirements from its cash balances and senior facilities, including a term loan facility of £82m provided by Intermediate Capital Group PLC ("ICG"), which is guaranteed by Maverick Interco Limited and all of its material subsidiaries. The senior facilities are subject to a financial covenant, which is reported to ICG on a quarterly basis and with which the Group complied throughout the year ended 30 November 2019.

The Directors have approved future trading forecasts for at least 12 months from the date of approval of these financial statements, including assessing reasonably possible downside scenarios, which indicate the Group has sufficient available facilities to meet its liabilities as they fall due. Based on the above, the Directors believe it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

Notes (continued)

1 Accounting policies (continued)

1.3. Classification of financial instruments issued by the Company

In accordance with FRS 102.22, financial instruments issued by the Company are treated as equity only to the extent that they meet the following two conditions:

- (a) they include no contractual obligations upon the Company to deliver cash or other financial assets or to exchange financial assets or financial liabilities with another party under conditions that are potentially unfavourable to the Company; and
- (b) where the instrument will or may be settled in the Company's own equity instruments, it is either a non-derivative that includes no obligation to deliver a variable number of the Company's own equity instruments or is a derivative that will be settled by the Company exchanging a fixed amount of cash or other financial assets for a fixed number of its own equity instruments.

To the extent that this definition is not met, the proceeds of issue are classified as a financial liability. Where the instrument so classified takes the legal form of the Company's own shares, the amounts presented in these financial statements for called up share capital and share premium exclude amounts in relation to those shares.

1.4. Basic financial instruments

Trade and other debtors / creditors

Trade and other debtors are recognised initially at transaction price less attributable transaction costs. Trade and other creditors are recognised initially at transaction price plus attributable transaction costs. Subsequent to initial recognition they are measured at amortised cost using the effective interest method, less any impairment losses in the case of trade debtors. If the arrangement constitutes a financing transaction, for example if payment is deferred beyond normal business terms, then it is measured at the present value of future payments discounted at a market rate of interest for a similar debt instrument.

Investments in subsidiaries

These are separate financial statements of the Company. Investments in subsidiaries are carried at cost less impairment.

1.5. Impairment

Financial assets (including trade and other debtors)

A financial asset not carried at fair value through profit or loss is assessed at each reporting date to determine whether there is objective evidence that it is impaired. A financial asset is impaired if objective evidence indicates that a loss event has occurred after the initial recognition of the asset, and that the loss event had a negative effect on the estimated future cash flows of that asset that can be estimated reliably.

An impairment loss in respect of a financial asset measured at amortised cost is calculated as the difference between its carrying amount and the present value of the estimated future cash flows discounted at the asset's original effective interest rate. For financial instruments measured at cost less impairment an impairment is calculated as the difference between its carrying amount and the best estimate of the amount that the Company would receive for the asset if it were to be sold at the reporting date. Interest on the impaired asset continues to be recognised through the unwinding of the discount. Impairment losses are recognised in profit or loss. When a subsequent event causes the amount of impairment loss to decrease, the decrease in impairment loss is reversed through profit or loss.

Notes (continued)

1 Accounting policies (continued)

1.5. Impairment (continued)

Non-financial assets

The carrying amounts of the Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated. The recoverable amount of an asset or cash-generating unit is the greater of its value in use and its fair value less costs to sell. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. For the purpose of impairment testing, assets that cannot be tested individually are grouped together into the smallest group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows of other assets or groups of assets (the "cash-generating unit").

An impairment loss is recognised if the carrying amount of an asset or its CGU exceeds its estimated recoverable amount. Impairment losses are recognised in profit or loss.

An impairment loss is reversed if and only if the reasons for the impairment have ceased to apply.

Impairment losses recognised in prior periods are assessed at each reporting date for any indications that the loss has decreased or no longer exists. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

2 Auditor's remuneration

	2019 £000	2018 £000
Audit of these financial statements	1	1

Amounts receivable by the Company's auditor and its associates in respect of services to the Company and its associates, other than the audit of the Company's financial statements, have not been disclosed as the information is required instead to be disclosed on a consolidated basis in the consolidated financial statements of the Company's ultimate parent, Maverick Topco Limited.

3 Staff numbers and costs

The Company had no employees in the current or prior year.

4 Directors' remuneration

During the year, the Directors were remunerated by Riviera Tours Limited. Details of their total remuneration are as follows:

	2019 £000	2018 £000
Directors' remuneration	510	541

The aggregate remuneration of the highest paid director was £271,937 (2018: £292,330).

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

Share premium

The balance classified as share premium relates to the aggregate net proceeds less nominal value of shares on issue of the Company's equity share capital.

9 Related parties

Identity of related parties with which the Company has transacted

As the Company was a wholly owned subsidiary of Maverick Topco Limited at 30 November 2019, the Company has taken advantage of the exemption contained in FRS102.33.1A and has therefore not disclosed transactions or balances with wholly owned entities which form part of the Group headed by Maverick Topco Limited.

10 Ultimate parent company and parent company of larger group

The Company is a subsidiary undertaking of RTL Midco Limited. In the opinion of the Directors, the Company's ultimate owners and ultimate controlling party are funds advised by Silverfleet Capital Partners LLP, 1 Carter Lane, London EC4V 5ER, by virtue of their majority share of the voting rights in the ultimate parent company Maverick Topco Limited.

The largest group in which the results of the Company are consolidated is that headed by Maverick Topco Limited, incorporated in England and Wales. The smallest group in which they are consolidated is that headed by Maverick Interco Limited incorporated in England and Wales. The consolidated financial statements of these groups are available to the public and may be obtained from Companies House, Cardiff, CF14 3UZ.
