INTRODUCTION

Introduction

This report has been prepared to provide members and creditors with an update on the progress of the Liquidation of the Company since our last report dated 4 September 2017

The report has been prepared in accordance with insolvency legislation to provide members and creditors and the Registrar of Companies with details of the progress made during the Review Period, and with an overview of the conduct of the Liquidation and summary of the information provided in the annual progress reports that have been issued during the Liquidation. Copies of these reports are available on request.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

Details of the appointment of the Joint Liquidators

Garry Lock and Carl Jackson of Quantuma LLP were appointed Joint Liquidators of the Company on 6 July 2016

Please be advised that Ian Cadlock was appointed Joint Liquidator on 31 July 2017 by an Order of the High Court replacing Garry Lock.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

THE PROGRESS OF THE LIQUIDATION

The Joint Liquidators' receipts and payments account

Attached at Appendix 2 is a receipts and payments account covering the Review Period, together with a summary of the transactions during the course of the Liquidation to the date of this report.

VAT Basis

Receipts and payments are shown net of VAT, with any amount due from HM Revenue and Customs shown separately. All VAT has now been reclaimed

Realisation of assets

Goodwill

The Company's management accounts for the year ended 31 December 2015 reflected goodwill with a value of £3,310,669. The Directors advised that this included intellectual property rights, specifically the patent in relation to 3D scanning software/process, the website and domain name www.leftshoecompany.com, together with the Company databases.

The Joint Liquidators instructed professional agents SIA Group (UK) Limited ("SIA") to value the Company's tangible assets including an appraisal of the goodwill and SIA considered the value of the goodwill to be in the region of £10,000

An offer of £10,000 plus VAT was received from ICB Ltd to acquire the Company's business and assets, as defined above. SIA confirmed the offer represented the only prospect of achieving value for the Company's assets and on advice of the agents the offer of £10,000 plus VAT was accepted. The Joint Liquidators also instructed Royds Withy King to assist with the sale agreement and licence of the Company.

The sale of the assets was completed following the Company being placed into liquidation and the sum of £10,000 plus VAT was remitted on 15 July 2016.

Debtors

The Statement of Affairs indicated a book value of £10,808 for the Company debtors. The directors advised it would be unlikely these would be recoverable and following a review, the Liquidators have confirmed that there is no prospect of realisations in this regard.

Inter-Company Debtors

The directors advised that there had been minimal movement on the inter-company accounts since 31 December 2015 which detailed the following inter-Company debts:

Company	£	Comments
Left Shoe Company Oy	271,354	Company ceased to trade no recovery
Left Show Company UK Ltd	25,068	Company In Creditors' Voluntary Liquidation, no recovery
Left Shoe Company North America LLC	47,192	Company ceased to trade no recovery
Total	343,614	

Cash at Bank

The sum of £37.88 was received from the Company bank account held with Danske Bank on 20 July 2016.

Bank Interest Gross

No bank interest has been received during the Review Period. In total gross bank interest of £1.67 has been received during the course of the Liquidation.

Unrealisable Assets

There are no further assets deemed unrealisable.

Administrative, Statutory & Regulatory Tasks

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards.

During the Review Period, primarily these tasks have included:

- Drafting and issuing the progress report to creditors;
- Consulting with and instructing staff and independent advisers as regards practical, technical and legal aspects of the case to ensure efficient progress;
- Maintaining electronic case files, which must include records to show and explain the Liquidation and any decisions made by the Joint Liquidators that materially affect the Liquidation;
- Monitoring and maintaining an adequate statutory bond;

- Conducting periodic case reviews to ensure that the Liquidation is progressing efficiently, effectively and in line with the statutory requirements;
- Maintaining and updating the estate cash book and bank accounts, including regular bank reconciliations and processing receipts and payments; and
- Completing periodic tax returns.
- · Closing procedures including preparing the Final Report.

Payments

Costs incurred and paid during the Review Period and the whole period of the Liquidation are detailed below:

The Liquidators have incurred costs for statutory advertising and bonding totalling £366 which have been paid in the Liquidation.

Costs incurred but remaining unpaid

During the Review Period, the Joint Liquidators have also incurred time costs and category 2 disbursements, not all of which have yet been discharged. Further details of these costs are set out below

CREDITORS: CLAIMS AND DISTRIBUTIONS

Secured creditors / Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the unsecured creditors. This equates to

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000

As previously advised, the Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

Preferential creditors

The offer from ICB Ltd (Tnui Limited) included the transfer of contracts of employment for UK employees. Therefore, it is not anticipated that there will be any claims for arrears of wages or outstanding holiday pay.

To date, no preferential claims have been received within the liquidation.

Unsecured creditors

Unsecured claims were estimated at £625,982 in the Director's Estimated Statement of Affairs and, to date, 7 claims have been received totalling £537,629.

It is not anticipated that a dividend will be paid to unsecured creditors

Joint Liquidators' Remuneration

The basis of the Joint Liquidators' fees were fixed on 26 August 2016 by postal resolutions considered and approved by creditors on 26 August 2016 as follows:

1. That the Joint Liquidators' fees for undertaking the work outlined in the Fee Estimate enclosed with the report to Creditors 1 August 2016 and prepared in connection with fee approval, will be charged by reference to the time properly spent by them and their staff in dealing with the matters relating to the Liquidation, such time to be charged at the hourly charge out rate of the grade of staff undertaking the work at the time the work is undertaken plus VAT. The time costs drawn will not exceed £7,345 00.

In summary the Joint Liquidators' timecosts for the Review Period totals £3,277.75, representing 20.35 hours at an average hourly rate of £161.07. A full breakdown of these costs can be found at Appendix 3. A detailed narrative list of work undertaken by the Joint Liquidators during the Review Period can be found at Appendix 4.

A summary of the total remuneration charged for the period of the Liquidation to date is provided below. Total timecosts amount to £11,240.75 representing 61.75 hours at an average hourly rate of £182.04. A full breakdown of these costs can be found at Appendix 3. A detailed narrative breakdown of timecosts incurred in previous Review Periods has been provided in earlier reports.

In accordance with the resolution approved by creditors, fees totalling £270.35 plus VAT have been drawn in the Review Period.

Fees totalling £2,312.35 plus VAT have been drawn during the period of the Liquidation to date and £8,928.40 has been written off.

We believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon us as Joint Liquidators.

The Joint Liquidators' timecosts incurred to date (whether or not they have been charged to the Liquidation estate) are compared with the original fees estimate as follows. The fee estimate covered the period the whole period of the liquidation.

Joint Liquidators' Expenses

The expenses incurred during the Review Period and to date are compared with the original expenses estimate as follows:

The amount incurred in respect of travel (mileage, parking, train fares and taxi fares) is in excess of the anticipated cost included on the Expenses Estimate due to additional travel to and from meetings

The basis on which the expenses defined as Category 2 disbursements are calculated are explained in Quantuma LLP's current schedule of charge-out rates and chargeable disbursements referred to above. Creditors approved the payment of Category 2 disbursements on this basis on 26 August 2016.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the original fees estimate has been exceeded; and
- the original expenses estimate is unlikely to be exceeded.

The main reasons why the fees estimate has been exceeded is due to a large number of queries and complex claim submissions from creditors in respect of shoe orders, and seeking legal advice in this respect. However, given the limited realisations in this case, the Joint Liquidators have not drawn fees in excess of the fees estimate

A hard copy of both the relevant Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request at no cost

Other professional costs

Solicitors

As previously advised, Royds Withy King were instructed by the Joint Liquidators to advise on appropriate legal matters including the sale of the goodwill. Their costs have been agreed on the basis of their standard hourly charge out rates, plus disbursements and VAT. The Solicitors' time costs for the Review Period amount to £6,000 plus VAT and they have been paid in full.

Agents & Valuers

SIA Group (UK) Limited were instructed as agents and valuers in relation to the Company's tangible assets including an appraisal of the goodwill. Their costs have been agreed on a fixed fee basis. The Agent's costs for the Review Period amount to £1,200 plus VAT and they have been paid in full.

All professional costs are reviewed and analysed before payment is approved.

Creditors' right to request information

Any secured creditor, or unsecured creditor with the support of at least 5% in value of the unsecured creditors or with permission of the Court, may request, in writing, for the Joint Liquidators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

Creditors' right to challenge remuneration and/or expenses

Any secured creditor, or unsecured creditor with the support of at least 10% in value of the unsecured creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

CLOSURE OF THE LIQUIDATION

All matters have been concluded and the Joint Liquidators will vacate office and obtain their Release as Liquidators on delivering the final account to the Registrar of Companies

The company will subsequently be dissolved automatically (cease to exist) three months after the delivery of the final account
