ADMINISTRATION AND PLANNING

Statutory information

Statutory information may be found at Appendix I.

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards. A detailed list of these tasks may be found in Appendix IV.

The Liquidator has met her statutory and regulatory duties to report to creditors, as listed below. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

During the Review Period, the following key documents have been issued:

• This progress report;

Other administration tasks

During the review period, the following material tasks in this category were carried out:

- Case reviews:
- Bond reviews;
- Reclamation of VAT;
- Bank reconciliations;
- Realising all assets listed in the directors' statement of affairs;
- Collecting in payment in relation to the overdrawn directors loan account and
- Discharging all outstanding liquidation expenses.

ENQUIRIES AND INVESTIGATIONS

During the Review Period, the Liquidator continued to review the Company's affairs for the period prior to appointment, particularly in relation to the overdrawn director's loan account. Further analysis of the books and records of the Company were undertaken and meetings held with the director to determine the balance owing in relation to the loan account. The final outstanding balance was estimated to be £16,891. After protracted discussions with the director he repaid £11,924.26 in total during the period of the liquidation. No further action has been taken in respect of the balance due to the directors financial circumstances.

REALISATION OF ASSETS

Detailed below is key information about asset realisation and strategy during the review period, however, more details about the work undertaken may be found at Appendix IV.

Overdrawn Directors Loan Account

As detailed above the director repaid £5,853.77 in relation to the overdrawn balance in the review period. In total £11,924.26 was repaid. There are no further monies to be paid in respect of this matter.

There are no other known assets to realise in the liquidation.

CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has had to carry out key tasks which are detailed in the list at Appendix IV. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

The Company has not granted any charges over its assets.

Employees were shown to be owed £2,000 in the statement of affairs. A claim of £3,479.40 has been received, of which £839.40 is claimed preferentially.

Unsecured creditors

HMRC was shown to be owed £36,520 in the statement of affairs. A claim of £42,403.68 has been received.

The trade and expense creditors as per the statement of affairs totalled £2,595. Please be advised that proofs of debt are still being received and therefore the total value of unsecured claims is not known at present.

Dividend prospects

Due to insufficient asset realisations there will be no dividend to creditors.

Where a floating charge is created after 15 September 2003 a prescribed part of the company's net property shall be made available to unsecured creditors. The Company has not granted a floating charge to any creditor after 15 September 2003 and consequently there will be no prescribed part in this Liquidation.

FEES AND EXPENSES

Pre-Appointment Costs

Fixed fee agreed with the Directors and ratified by creditors.

The creditors authorised the fee of £10,000 plus vat and plus disbursements for assisting the director with placing the Company in Liquidation and with preparing the Statement of Affairs on 4 April 2018. During the review period £432.51 has been paid in respect of this fee. Payment has been received in full during the liquidation.

A payment of £1,000 from this fee was paid to JS White & Co. for their assistance with liquidation matters.

The Liquidator's fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and director then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a senior manager or director.

The basis of the Liquidator's fees were approved by creditors on 4 April 2018 in accordance with the following resolution:

"That Walsh Taylor be paid in the sum of £10,000 plus VAT and disbursements in respect of convening the procedure to seek a decision from creditors on the nomination of a liquidator and for the preparation of the statement of affairs."

The time costs for the period 4 April 2019 to 3 April 2020 total £9,954.50, representing 31.50 hours at an average hourly rate of £316.02. Liquidation fees of £3,593.55 have been drawn during the review period.

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Liquidator considers that:

- the original fees estimate has been exceeded; and
- the original expenses estimate has been exceeded.

Given the lack of asset realisations on the matter, the liquidator does not consider that an increase in the request to creditors for further remuneration is required.

The total time costs for the full period of liquidation are £23,190.50 representing total hours of 88.60 at an average rate of £261.74 per hour.

Disbursements

The category 1 disbursements paid for in the period 4 April 2019 to 3 April 2020 total £1,500.95 are detailed at Appendix II and represent the simple reimbursement of actual out of pocket payments made in relation to the assignment.

The category 2 disbursements for the period 4 April 2019 to 3 April 2020 total 3.75. The basis of calculation of this category of disbursement was disclosed to creditors prior to their approval, which was given on 4 April 2018.

Information about this insolvency process may be found on the R3 website at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' may be found https://www.walshtaylor.co.uk/linksdocuments/guide-to-fees/. A hard copy of both the Creditors' Guide and the firm's charge-out rate and disbursement policy may be obtained on request.

Other professional costs

Solicitors

Front Row Legal were instructed as legal advisors in relation to the director's overdrawn loan account. Their costs have been agreed on the basis of their standard hourly charge out rates, plus disbursements and VAT. The solicitors' fees for the period 3 April 2019 to 4 April 2020 amount to £1,500 plus VAT.

CREDITORS' RIGHTS

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.
