ROSEMONT ESTATES LTD

Notes to the Financial Statements for the year ended 31 May 2020

1. Statutory information

Rosemont Estates Ltd is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

2. Accounting policies

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" including the provisions of Section 1A "Small Entities" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going concern

Following the emergence and spread of the coronavirus (COVID-19) the directors have examined the possible effects on the business of the company and believe its impact will be minimal with no disruption to operations.

The Company meets its day-to-day working capital requirements through its bank facilities and director loans. The director will provide the necessary financial support to enable the Company to continue in operational existence and meet its liabilities as they fall due for the foreseeable future. The director, therefore has a reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. For these reasons, the director continue to adopt the going concern basis in preparing the financial statements.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Turnover

Turnover represents rents and other property income receivable for the year net of Value Added Tax.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Fixtures and fittings	- 15% on cost
-----------------------	---------------

Investment property

Investment property is included at fair value. Gains and losses are recognised in the income statement.

Financial instruments policy

Financial assets and financial liabilities are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

Trade and other debtors and creditors are classified as basic financial instruments and measured at initial recognition at transaction price. Debtors and creditors are subsequently measured at amortised cost using the effective interest rate method. A provision is established when there is objective evidence that the company will not be able to collect all amounts due.

Cash and cash equivalents are classified as basic financial instruments and comprise cash in hand and at bank and bank overdrafts which are an integral part of the company's cash management.

Financial liabilities and equity instruments issued by the company are classified in accordance with the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recorded at the proceeds received, net of direct issue costs.

3. Employees and directors

The average number of employees during the year was NIL (2019 - NIL).
