#### **1 General Information**

The Company is a private company limited by shares and incorporated and domiciled in England, United Kingdom. The registered office is Westhaven House, Arlestone Way, Shirley, Solihull, B90 4LH.

#### **2 Accounting policies**

The following accounting policies have been applied consistently in the current and prior year in dealing with items which are considered material in relation to the Company's Financial Statements, except as noted below.

#### ***Basis of preparation***

These Financial Statements were prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In preparing these Financial Statements, the Company applies the recognition, measurement and disclosure requirements of UK adopted international accounting standards, but makes amendments where necessary in order to comply with Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's ultimate parent undertaking, Hill & Smith Holdings PLC includes the Company in its Consolidated Financial Statements. The Consolidated Financial Statements of Hill & Smith Holdings PLC are prepared in accordance with UK adopted international accounting standards and are available to the public and may be obtained from Group Headquarters (see note 4).

In these Financial Statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- a Cash Flow Statement and related notes;
- Comparative year reconciliations for share capital, tangible fixed assets and intangible assets;
- Disclosures in respect of transactions with wholly owned subsidiaries;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Disclosures in respect of the compensation of Key Management Personnel.

#### ***Measurement convention***

The Financial Statements are prepared on the historical cost basis except that the following assets and liabilities are stated at their fair value: derivative financial instruments, financial instruments classified as fair value through the profit or loss or as available-for-sale, investment property and liabilities for cash-settled share-based payments. Non-current assets and disposal groups held for sale are stated at the lower of previous carrying amount and fair value less costs to sell.

#### ***Going concern***

During 2018, the Company performed a number of steps to reduce the Company's balance sheet down to a nominal amount. This resulted in a dividend up to its immediate parent company and the sale of its investment in Hardstaff Barriers Limited to a fellow group company.

As a result of the steps taken during 2018, the directors intend to progress with a liquidation of the Company in the near future. Therefore, the Financial Statements have been prepared on a basis other than going concern.
