KINSHERON DEVELOPMENTS LIMITED

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 28 FEBRUARY 2021

1. General information

Kinsheron Developments Limited is a private company limited by shares incorporated in England and Wales. The address of the registered office is disclosed on the company information page. The principal place of business is 157-159 Walton Road, East Molesey, Surrey, KT8 0DX.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Going concern

The Coronavirus pandemic is creating significant uncertainty globally and the Company is not immune to this. The directors are working to maintain the continuity of their operations as far as they are able, whilst adhering to Government advice. Whilst the pandemic will have had a financial impact on the Company, at this stage it is not possible to reliably forecast what this may be. However, the directors have taken all relevant measures to ensure they are able to safeguard tenants and cashflow to put them in the best possible position to be able to pick up on opportunities as they arise once business starts to return to normal.

Given the uncertainties that exist, they believe these actions should enable them to continue in operational existence. Therefore, it is the directors' opinion that the going concern basis of preparation continues to be appropriate.

2.3 Revenue

Revenue consists of rental income and property sales. Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue is measured as the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

2.4 Operating leases: the Company as lessor

Rental income from operating leases is credited to profit or loss on a straight line basis over the lease term.

Amounts paid and payable as an incentive to sign an operating lease are recognised as a reduction to income over the lease term on a straight line basis, unless another systematic basis is representative of the time pattern over which the lessor's benefit from the leased asset is diminished.

2.5 Government grants

Grants of a revenue nature are recognised in the Statement of income and retained earnings in the same period as the related expenditure.

2.6 Taxation

Tax is recognised in profit or loss except that a charge attributable to an item of income and expense recognised as other comprehensive income or to an item recognised directly in equity is also recognised in other comprehensive income or directly in equity respectively.

The current income tax charge is calculated on the basis of tax rates and laws that have been enacted or substantively enacted by the reporting date in the countries where the Company operates and generates income.
