CHARTERED ACCOUNTANTS' REPORT TO THE DIRECTOR ON THE PREPARATION OF THE UNAUDITED STATUTORY ACCOUNTS OF THE HIPPOCRATIC POST LIMITED

PERIOD FROM 23 MARCH 2015 TO 31 MARCH 2016

In order to assist you to fulfil your duties under the Companies Act 2006, we have prepared for your approval the abbreviated accounts of The Hippocratic Post Limited for the period ended 31 March 2016 which comprise the Balance Sheet and the related notes from the company's accounting records and from information and explanations you have given us.

As a practising member firm of the Institute of Chartered Accountants in England and Wales (ICAEW), we are subject to its ethical and other professional requirements which are detailed at icaew.com/regulations.

This report is made solely to the director of The Hippocratic Post Limited in accordance with the terms of our engagement letter dated. Our work has been undertaken solely to prepare for your approval the abbreviated accounts of The Hippocratic Post Limited and state those matters that we have agreed to state to him in this report in accordance with AAF 02/10 as detailed at icaew.com/compilation. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than The Hippocratic Post Limited and its director for our work or for this report.

It is your duty to ensure that The Hippocratic Post Limited has kept adequate accounting records and to prepare statutory abbreviated accounts that give a true and fair view of the assets, liabilities, financial position and loss of The Hippocratic Post Limited. You consider that The Hippocratic Post Limited is exempt from the statutory audit requirement for the period.

We have not been instructed to carry out an audit or a review of the abbreviated accounts of The Hippocratic Post Limited. For this reason, we have not verified the accuracy or completeness of the accounting records or information and explanations you have given to us and we do not, therefore, express any opinion on the statutory abbreviated accounts.

THE HIPPOCRATIC POST LIMITED
NOTES TO THE ABBREVIATED ACCOUNTS
PERIOD FROM 23 MARCH 2015 TO 31 MARCH 2016

1. ACCOUNTING POLICIES

Basis of accounting

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

Changes in accounting policies

In preparing the financial statements for the current year, the company has adopted the Financial Reporting Standard for Smaller Entities (effective January 2015).

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the entity after deducting all of its financial liabilities.

Where the contractual obligations of financial instruments (including share capital) are equivalent to a similar debt instrument, those financial instruments are classed as financial liabilities. Financial liabilities are presented as such in the balance sheet. Finance costs and gains or losses relating to financial liabilities are included in the profit and loss account. Finance costs are calculated so as to produce a constant rate of return on the outstanding liability.

Where the contractual terms of share capital do not have any terms meeting the definition of a financial liability then this is classed as an equity instrument. Dividends and distributions relating to equity instruments are debited direct to equity.

Compound instruments

Compound instruments comprise both a liability and an equity component. At date of issue, the fair value of the liability component is estimated using the prevailing market interest rate for a similar debt instrument. The liability component is accounted for as a financial liability.

The residual is the difference between the net proceeds of issue and the liability component (at time of issue). The residual is the equity component, which is accounted for as an equity instrument.

The interest expense on the liability component is calculated applying the effective interest rate for the liability component of the instrument. The difference between this amount and any repayments is added to the carrying amount of the liability in the balance sheet.
