ABBREVIATED BALANCE SHEET (continued)
AS AT 31 MARCH 2016

The abbreviated accounts, which have been prepared in accordance with the special provisions relating to companies subject to the small companies regime within Part 15 of the Companies Act 2006, were approved and authorised for issue by the board and were signed on its behalf by:

.....
Mr A Parrott

Director

Date: 16 June 2016

The notes on pages 3 to 4 form part of these financial statements.

NOTES TO THE ABBREVIATED ACCOUNTS
FOR THE YEAR ENDED 31 MARCH 2016

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The full financial statements, from which these abbreviated accounts have been extracted, have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

1.2 Going concern

The company has net assets as at 31 March 2016. The director has considered the future trading expectations and intentions for the next twelve months and has concluded that no material uncertainties exist that may cast doubt over the ability of the company to continue as a going concern. The director will continue to support the company for the foreseeable future. As a result, the going concern basis of accounting has been adopted.

1.3 Cash flow

The financial statements do not include a Cash Flow Statement because the company, as a small reporting entity, is exempt from the requirement to prepare such a statement under the Financial Reporting Standard for Smaller Entities (effective January 2015).

1.4 Turnover

Turnover comprises revenue recognised by the company in respect of goods and services supplied during the year, exclusive of Value Added Tax and trade discounts.

1.5 Tangible fixed assets and depreciation

Tangible fixed assets are stated at cost less depreciation. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Plant and machinery	-	25% reducing balance
Office equipment	-	33% straight line
Computer equipment	-	33% straight line

1.6 Deferred taxation

Full provision is made for deferred tax assets and liabilities arising from all timing differences between the recognition of gains and losses in the financial statements and recognition in the tax computation.

A net deferred tax asset is recognised only if it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax assets and liabilities are calculated at the tax rates expected to be effective at the time the timing differences are expected to reverse.

Deferred tax assets and liabilities are not discounted.

1.7 Pensions

The company contributes to the director's personal pension plan. Employer pension contributions are expensed to the Profit and Loss Account in the period to which the cost relates.
