#### **1.2 In this Deed:**

- (a) the table of contents, the summary and the headings are inserted for convenience only and do not affect the interpretation of this Deed;
- (b) references to clauses and schedules are to clauses of, and schedules to, this Deed;
- (c) references to the Common Terms Agreement, any Finance Document or any other document are to that document as from time to time amended, restated, novated or replaced, however fundamentally;
- (d) references to a person include an individual, firm, company, corporation, unincorporated body of persons and any government entity;
- (e) references to a person include its successors in title, permitted assignees and permitted transferees;
- (f) words importing the plural include the singular and vice versa; and
- (g) references to any enactment include that enactment as amended or re-enacted; and, if an enactment is amended, any provision of this Deed which refers to that enactment will be amended in such manner as the Security Agent, after consultation with the Chargor, determines to be necessary in order to preserve the intended effect of this Deed.

#### **1.3 Capitalised terms defined in the Common Terms Agreement have, unless expressly defined in this Deed, the same meaning in this Deed.**

- 1.4 The provisions of clause 1.2 of the Common Terms Agreement will be deemed to be incorporated in this Deed as if references in such clause to "this Agreement" were references to this Deed and with any other necessary changes.
- 1.5 Where this Deed imposes an obligation on the Chargor to do something if required or requested by the Security Agent, it will do so as soon as practicable after it becomes aware of the requirement or request.
- 1.6 It is intended that this document takes effect as a deed even though the Security Agent may only execute it under hand.
- 1.7 This Deed may be executed in counterparts.
- 1.8 Each category of shares described in the definition of "Shares" in clause 1.1 will be construed as separate from each other category.

#### **Third party rights**

- 1.9 The Rights conferred on each Receiver and on each Officer of the Security Agent or a Receiver under clauses 12 (*Expenses, liability and indemnity*) and 13 (*Payments*) are enforceable by each of them under the Third Parties Act.
- 1.10 No other term of this Deed is enforceable under the Third Parties Act by anyone who is not a party to this Deed.
- 1.11 The parties to this Deed may terminate this Deed or vary any of its terms without the consent of any third party. However, they may not terminate this Deed or vary any of its terms if this would have the effect of terminating or adversely affecting the Rights of an Officer of the Security Agent or a Receiver under this Deed without its consent, but only to the extent that it has notified the Security Agent that it intends to enforce that clause at the time of the termination or variation.

#### **Common Terms Agreement and Intercreditor Deed**

- 1.12 This Deed shall be read together with the Common Terms Agreement and the Intercreditor Deed and, in the event of any conflict or inconsistency between the provisions of this Deed and the provisions of the Common Terms Agreement and the Intercreditor Deed, the relevant provisions of the Common Terms Agreement and the Intercreditor Deed shall prevail. In the case of any conflict between the Common Terms Agreement and the Intercreditor Deed, the provisions of the Intercreditor Deed shall prevail.

## **SECURITY**

### **2 Payment of Secured Obligations**

The Chargor will pay or otherwise discharge all Secured Obligations from time to time incurred by any Obligor under or in connection with the Finance Documents when they become due for payment or discharge whether by acceleration or otherwise and in the manner provided for in the Finance Documents save that the Security Agent and the Senior Creditors will have no claim against the Chargor and their recourse to the Chargor shall be limited to (and may only be recovered from) the amount of any enforcement proceeds actually derived from the Charged Assets after deduction of any expenses of enforcement.

### **3 Charge**

3.1 The charges contained in this clause 3:

- (a) are given to the Security Agent as trustee for the Senior Creditors;
- (b) secure the payment and discharge of the Secured Obligations; and
- (c) are given with full title guarantee.

3.2 The Chargor charges, by way of first fixed charge, all of the Rights which it now has and all of the Rights which it obtains at any time in the future in:

- (a) the Shares;
- (b) any Rights accruing to, derived from or otherwise connected with the Shares (including Dividends and proceeds of Disposal); and
- (c) any warrants, options and other Rights to subscribe for or otherwise acquire Shares.

### **4 Set-off**

4.1 A Senior Creditor may, after an Enforcement Date, set off any matured Secured Obligations due from the Chargor (to the extent beneficially owned by that Senior Creditor) against any matured obligation owed by that Senior Creditor to the Chargor, regardless of the place of payment, booking branch or currency of either obligation.

4.2 If the obligations are in different currencies, the Finance Party may convert either obligation at a market rate of exchange in its usual course of trading for the purpose of the set-off other than any amount credited to the Distribution Account.

4.3 These Rights are in addition to the security conferred on the Security Agent under this Deed.

## **5 Restrictions**

- 5.1 The Chargor will ensure that the restrictions contained in this clause 5 are complied with unless the Security Agent agrees to the contrary.
- 5.2 No Security Interest will exist over, or in relation to, any Charged Asset other than a Permitted Security Interest.
- 5.3 There will be no Disposal of any Charged Asset save where permitted under the terms of the Common Terms Agreement.

## **6 Perfection**

### **General actions**

- 6.1 The Chargor will, at its own expense, create all such Security Interests, execute all such documents, give all such notices, effect all such registrations (whether at the Companies Registry, or otherwise), deposit all such documents and do all such other things as the Security Agent may require from time to time in order to:
  - (a) ensure that it has an effective first-ranking fixed charge over Charged Assets; and
  - (b) facilitate the enforcement of the Senior Creditor Security, the realisation of the Charged Assets or the exercise of any Rights held by the Security Agent or any Receiver under or in connection with the Senior Creditor Security.
- 6.2 The scope of clause 6.1 is not limited by the specific provisions of the rest of this clause 6 or by any other provision of the Senior Creditor Security Documents.

### **Specific requirements**

- 6.3 The Chargor will:
  - (a) on the date of this Deed (or, if it acquires the shares later, as soon as practicable after it does so), deposit with the Security Agent all certificates or other documents of title to the Shares and stock transfer forms for them, executed in blank by the Chargor;
  - (b) if required to do so by the Security Agent (and to the extent that the Chargor is able to do so) amend the articles of association of the Borrower in the manner reasonably required by the Security Agent (and procure that the Borrower takes, or omits to take, all such other steps as the Security Agent may require) in order to enable it to enforce its security without restriction; and

- (c) if reasonably required to do so by the Security Agent, procure that the Security Agent or its nominee becomes registered as the beneficial and/or legal owner of the Shares.

#### **Notification**

- 6.4 If, after the date of this Deed, the Chargor acquires or agrees to acquire any Shares, it will notify the Security Agent as soon as reasonably practicable and will provide it with such information about the acquisition as the Security Agent may reasonably require.

#### **Subsequent security**

- 6.5 If a Senior Creditor receives notice that any Security Interest has been created over Charged Assets, that Senior Creditor will be treated as if it had immediately opened a new account for the Chargor, and all payments received by that Senior Creditor from the Chargor will be treated as if they had been credited to the new account and will not reduce the amount then due from the Chargor to that Senior Creditor.

#### **Financial Collateral**

- 6.6 The parties to this Deed designate those Charged Assets which constitute Financial Collateral to be under the control of the Security Agent.

## ENFORCEMENT

### 7 Enforcement

#### Time for enforcement

- 7.1 The Security Agent may enforce the Senior Creditor Security at any time which is an Enforcement Date or if the Chargor requests it to do so.

#### Methods of enforcement

- 7.2 The Security Agent may enforce the Senior Creditor Security by:
- (a) becoming the registered holder of the Charged Assets, selling the Charged Assets or otherwise receiving the benefit of the Charged Assets in any way it may decide; or
  - (b) appointing a Receiver of all or any part of the Charged Assets.
- 7.3 To the extent that the Senior Creditor Security arises under a security financial collateral arrangement, the Security Agent may at any time which is an Enforcement Date also enforce it by giving written notice to the Chargor that it is appropriating those Charged Assets which consist of financial collateral. On receipt of that notice by the Chargor, the Security Agent will automatically become the absolute owner of that financial collateral, and the Chargor will have no further interest in it. The value of the financial collateral will, as soon as practicable after it has been established, be applied in discharge of the equivalent amount of the Secured Obligations in accordance with clause 8 (*Application of Proceeds*). For this purpose, the Security Agent will value the financial collateral as follows:
- (a) in the case of cash, by reference to its face value received by the Security Agent;
  - (b) in the case of credit claims, or where disposal has taken place, by reference to the amount actually recovered by the Security Agent; and
  - (c) in the case of financial instruments, by reference to such public indices, valuations or other matters as the Security Agent may reasonably decide,

Expressions defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 will have the same meanings in this clause.

- 7.4 A Receiver must be appointed by an instrument in writing, and otherwise in accordance with the Insolvency Legislation.
- 7.5 The appointment of a Receiver may be made subject to such limitations as are specified by the Security Agent in the appointment.

7.6 If more than one person is appointed as a Receiver, each person will have power to act independently of any other, except to the extent that the Security Agent may specify to the contrary in the appointment.

7.7 The Security Agent may remove or replace any Receiver.

#### **Powers on enforcement**

7.8 The Security Agent, and any Receiver, will have the following powers in respect of the Charged Assets:

- (a) the powers given to a mortgagee or a receiver by the Law of Property Act 1925, but without the restrictions contained in section 103 of that Act;
- (b) the powers given to an administrative receiver by the Insolvency Legislation; and
- (c) the power to do, or omit to do, on behalf of the Chargor, anything which the Chargor itself could have done, or omitted to do, if the Charged Assets were not the subject of a Security Interest and the Chargor were not in insolvency proceedings.

7.9 Except to the extent provided by law, none of the powers described in this clause 7 will be affected by an Insolvency Event in relation to the Chargor.

#### **Status and remuneration of Receiver**

7.10 A Receiver will be the agent of the Chargor until the Chargor goes into liquidation. He will have no authority to act as agent for the Security Agent, even in the liquidation of the Chargor.

7.11 The Security Agent may from time to time determine the remuneration of any Receiver.

#### **Third parties**

7.12 A person dealing with the Security Agent or with a Receiver is entitled to assume, unless it has actual knowledge to the contrary, that:

- (a) those persons have the power to do those things which they are purporting to do; and
- (b) they are exercising their powers properly.

### **8 Application of proceeds**

All money received by the Security Agent or a Receiver under or in connection with the Finance Documents (whether during, or before, enforcement of the Senior Creditor Security) will, subject to the rights of any persons having priority, be applied in and towards payment of the Secured Obligations in such order as is required by the Payment Cascade in clause 12 (*Payment*

*Cascade after Enforcement Date*) of the Intercreditor Deed (and, if any of the Secured Obligations are not then payable, by payment into a suspense account until they become payable provided that if the aggregate of such monies so placed to the credit of such suspense account or accounts shall equal or exceed the Secured Obligations, the Security Agent or the Receiver as the case may be shall forthwith apply the same towards settlement of the Secured Obligations).

## **REPRESENTATIONS, WARRANTIES AND UNDERTAKINGS**

This includes any costs and expenses relating to the enforcement or preservation of the Senior Creditor Security or the Charged Assets and to any amendment, waiver, consent or release required in connection with the Senior Creditor Security.
- 12.2 Neither the Security Agent nor a Receiver nor any of their Officers will be in any way liable or responsible to the Chargor for any loss or liability of any kind arising from any act or omission by it of any kind (whether as mortgagee in possession or otherwise) in relation to the Charged Assets or the Senior Creditor Security, except to the extent caused by its own negligence or wilful misconduct.
- 12.3 The Chargor will, on demand, indemnify each of the Security Agent, a Receiver and their Officers in respect of all costs, expenses, losses or liabilities of any kind which it incurs or suffers in connection with:

- (a) anything done or omitted in the exercise of the powers conferred on it under the Senior Creditor Security, unless it was caused by its gross negligence or wilful misconduct;
- (b) a claim of any kind (whether relating to the environment or otherwise) made against it which would not have arisen if the Senior Creditor Security had not been granted and which was not caused by its gross negligence or wilful misconduct; or
- (c) any breach by the Chargor of the Finance Documents.

## **13 Payments**

- 13.1 All payments by the Chargor under the Senior Creditor Security Documents will be made in full, without any set-off or other deduction.
- 13.2 If any tax or other sum must be deducted from any amount payable by the Chargor under the Senior Creditor Security Documents, the Chargor will pay such additional amounts as are necessary to ensure that the recipient receives a net amount equal to the full amount it would have received before such deductions.
- 13.3 All amounts payable by the Chargor under the Senior Creditor Security Documents are exclusive of VAT. The Chargor will, in addition, pay any applicable VAT on those amounts.
- 13.4 If the Chargor fails to make a payment to a person under the Senior Creditor Security Documents, it will pay interest to that person on the amount concerned at the Default Rate from the date it should have made the payment until the date of payment (after, as well as before, judgment).
- 13.5 No payment by the Chargor (whether under a court order or otherwise) will discharge the Obligation of the Chargor unless and until the Senior Creditors have received payment in full in the currency in which the Obligation is denominated. If, on conversion into that currency, the amount of the payment falls short of the amount of the Obligation concerned, the Senior Creditors will have a separate cause of action against the Chargor for the shortfall.
- 13.6 Any certification or determination by the Security Agent of an amount payable by the Chargor under this Deed is, in the absence of manifest error, conclusive evidence of that amount.

## **14 Remedies**

- 14.1 The Rights created by this Deed are in addition to any other Rights of the Senior Creditors against the Chargor or any other security provider under any other documentation, the general law or otherwise. They will not merge with or limit those other Rights, and are not limited by them.

14.2 No failure by a Senior Creditor to exercise any Right under this Deed will operate as a waiver of that Right. Nor will a single or partial exercise of a Right by a Senior Creditor preclude its further exercise.

14.3 If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of that provision in any other respect or under the law of any other jurisdiction will be affected or impaired in any way.

## **15 Power of attorney**

15.1 The Chargor, by way of security, irrevocably appoints each of the Security Agent and any Receiver severally to be its attorney:

- (a) to do anything which the Chargor is obliged to do under the Senior Creditor Security Documents; and
- (b) to exercise any of the Rights conferred on the attorney by the Senior Creditor Security Documents or by law.

15.2 The appointment effected under this clause 15 (*Power of Attorney*) shall take effect immediately, but the powers conferred shall only become exercisable on and Enforcement Date or if the Chargor does not fulfil any of its obligations under this Deed within five Business Days of notice from the Security Agent to do so.

15.3 The Chargor will indemnify the Security Agent on demand against the amount certified by the Security Agent to be the cost, loss, or liability suffered by the Security Agent when acting as an attorney.

## **16 The Security Agent**

16.1 The Security Agent may be replaced by a successor in accordance with the Intercreditor Deed.

16.2 On the date of its appointment, the successor Security Agent will assume all the Rights and Obligations of the retiring Security Agent. However, this does not apply to any Obligations of the retiring Security Agent which arise out of its acts or omissions as Security Agent before the appointment of the successor, in respect of which the retiring Security Agent will continue to have the Obligations imposed by, and the Rights contained in, this Deed and the Intercreditor Deed.

16.3 The retiring Security Agent will, at the Chargor's expense, provide its successor with copies of those of its records as Security Agent as its successor properly requires to perform its functions as Security Agent.

## **17 Notices**

The provisions of clause 35 (*Notices*) of the Common Terms Agreement shall apply *mutatis mutandis* in respect of any certificate, notice demand or other communication given or made under this Deed.

## **18 Law and jurisdiction**

- 18.1 This Deed and any non-contractual obligations connected with it are governed by English law.
- 18.2 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed or any non-contractual obligations connected with it (including a dispute regarding the existence, validity or termination of this Deed) (a **Dispute**).
- 18.3 The parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and, accordingly, that they will not argue to the contrary.
- 18.4 Clause 18.2 is for the benefit of the Security Agent only. As a result, the Security Agent will not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.
