Ipsos Foundation

Report of the Trustees
for the Year Ended 30 June 2023

The Trustees present their report and financial statements for the year ended 30 June 2023. The Foundation was incorporated on 30 April 2015 and was registered as a charity on 8 December 2015. The charity and company numbers can be found on the legal and administrative page, along with the principal address of the Foundation.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Charity's governing document, the Companies Act 2006 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

The purpose of the Ipsos Foundation is to help disadvantaged children and youth with education, anywhere that Ipsos operates (currently Ipsos operates in 90 countries). To do this, applications are made to the Ipsos Foundation by charities working together with an Ipsos employee to ensure accuracy in both completing and complying with the Ipsos Foundation Application Guide (IFAG).

The Trustee board meet periodically during the year, depending on the number of applications received. All applications are considered and, depending upon the merits of the application, decisions are made to either approve /reject or request more information at each meeting.

A summary of the performance of applications this year is:

Nine approved

Two rejected

One deferred

£187,440 has been awarded to the successful charities and a further £44,201 has been committed by Ipsos and approved by the Trustees in the period. The charities have benefitted many different disadvantaged children in countries as diverse as Brazil, Colombia, Costa Rica, Germany, India, Italy, Jordan, Lebanon, Morocco, Nepal, Philippines, Poland, Pakistan, Spain, South Africa, and the UK. In each case where a charity receives an award, the relevant Ipsos employee, who submitted the application, will monitor and review the use of the money and report back to the trustees on the progress and benefit that have been provided. This will occur within twelve months of the award.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake.

FINANCIAL REVIEW

Financial position

The Charity does not have any formal reserves policy as funds will be provided by Ipsos as and when required.

As at 30 June 2023, the charitable company had reserves of £39,042. The financial statements have been prepared on a going concern basis due to the ongoing financial support from Ipsos MORI UK Ltd.

The Trustees have assessed the major risks to which the Charity is exposed and are satisfied that systems are in place to mitigate exposure to the major risks. The main risk to the charity is ensuring that money donated is spent in accordance with the application. This is mitigated by receiving regular reports stating on what the donation has been spent.

FINANCIAL REVIEW
Plans for the future

The Trustee board is committed to the vision of helping disadvantaged children and youth with education. The desire of the trustees is to see wider geographical application, more charities and children benefitting and to create more opportunities for Ipsos employee engagement and volunteering.

The Trustees are still considering allowing employees to help fund the work of the Ipsos Foundation and are actively engaged in plans to increase the communication of the work of the Ipsos Foundation both internally within Ipsos and externally. As part of this communication, we are now widely reporting, within Ipsos, on the charities we have supported and the benefits it has brought.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Ipsos Foundation is a registered charity number 1164761. The Ipsos Foundation was, and is, established by funding from Ipsos Mori UK Limited, a subsidiary of Ipsos SA which is a publicly quoted French based Market Research group of companies. The Ipsos Foundation does not actively fundraise. At the, roughly, quarterly meetings trustees agree the areas of activity they wish to support.

All Trustees give of their time freely and no trustee remuneration is paid.

The following trustees, who are also the directors for the purpose of the company law, have held office during the year and up to the date of signing of this report, unless stated otherwise:

Mr B Gosschalk
Mrs G Aitchison
Mr J Haworth (resigned 27 March 2023)
Mrs S Walker
Mr G Moore (appointed 27 March 2023)

There are no formal methods of recruitment and appointment of Trustees, however, the number of trustees employed by the Ipsos group of companies is not supposed to constitute a majority of the trustees.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the Charity should undertake. New trustees are encouraged to review this as part of the induction process.

Approved by order of the board of trustees on26/02/2024..... and signed on its behalf by:

Independent Examiner's Report to the Trustees of
Ipsos Foundation

Independent examiner's report to the trustees of Ipsos Foundation ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 June 2023.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under Section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under Section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by Section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of Section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
for the Year Ended 30 June 2023

1. COMPANY INFORMATION

Ipsos Foundation is a charitable company limited by guarantee incorporated in England and Wales. The registered office is given on the legal and administrative information page.

2. ACCOUNTING POLICIES

BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared on the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

INCOME

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is more likely than not that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

EXPENDITURE

Expenditure is accounted for on an accruals basis, inclusive of VAT which cannot be recovered.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

TAXATION

The charity is exempt from corporation tax on its charitable activities.

GOING CONCERN

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future and they will receive continued financial support provided by Ipsos MORI UK Limited. Thus, the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

CASH AND CASH EQUIVALENTS

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.
