DIRECTORS' REPORT

For the year ended 31 March 2020

The directors present the Annual Report and the unaudited financial statements for the year ended 31 March 2020.

In preparing this report, the directors have taken advantage of the small companies exemptions provided by section 415A of the Companies Act 2006.

The directors have also taken advantage of the exemption available to small companies under section 414B of part 15 of the Companies Act 2006, and consequently no strategic report has been prepared.

Going concern

After making enquiries and based on the assumptions outlined in the accounting policies in the notes to the financial statements, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. DIRECTORS' RESPONSIBILITIES STATEMENT

For the year ended 31 March 2020

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law), including FRS 102 Section 1A small entities. Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to financial statements (continued)

For the year ended 31 March 2020

1. Accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the periods presented, unless otherwise stated.

The accounts have been prepared in accordance with the provisions of FRS 102 Section 1A small entities. There were no material departures from that standard.

Basis of preparation

The financial statements have been prepared on the historical cost basis.

Critical accounting judgements and key sources of estimation uncertainty

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates. The directors have not identified any critical accounting judgements or key sources of estimation uncertainty in respect to the company's financial statements.

Going concern

The directors have prepared the financial statements on a going concern basis. The Company is a subsidiary of Meininger Hotels Limited, which manages its facilities and working capital on a pooled basis across the Group.

Based on the relationship between this Company and Meininger Hotels Limited, the directors of this Company have sought and received an expression of the parent company's intention to provide such support as may be necessary for the foreseeable future.

Given the uncertainty regarding the duration, extent and ultimate impact of the Covid-19 pandemic, it has been difficult to forecast the future performance of the Meininger Hotels Limited Group and consequently its funding requirements. The Directors have therefore concluded that a material uncertainty exists that may cast significant doubt on the Group's ability to continue as a going concern. However, given managements continued ability to take successful mitigating actions against the effect of Covid-19, and the commitment from Ares SSG (refer note 7) to financially support Meininger for the remainder of the crisis, the Directors have concluded that it is appropriate to prepare the financial reporting of the Group accounts on a going concern basis.

In relying on this parent company support, the directors have considered Meininger Hotel Limited's ability to continue to provide this support and have concluded that this is satisfactory.

7. Ultimate controlling party

The Company's immediate parent undertaking is Meininger Hotels Limited.

Holidaybreak Limited is the parent company of the smallest group of which the parent company is a member and for which group financial statements are drawn up. Copies of the financial statements are available from 3rd Floor, 30 Millbank, London, SW1P 4DU.

As at 31 March 2019, Holidaybreak Limited was 51% owned by Cox & Kings Limited (C&K), a company registered in India, and 49% owned by Borita Global Limited (Borita). Borita is an SPV, 100% owned by funds managed by Ares SSG Capital Holdings Limited (Ares SSG). C&K was the ultimate controlling party as at this date.

On 22nd October 2019 a corporate insolvency process was commenced for Cox & Kings Ltd (C&K) in India. C&K's board has been suspended and the affairs of C&K are run by a Resolution Professional (RP) appointed by a Committee of Creditors.

Borita's investment in Holidaybreak Ltd has preference and minority protection rights. The defaults at C&K have triggered a right for Ares SSG to control the Holidaybreak Limited board including on all aspects of liquidity events. Given that, the Directors believe that the Group will remain unaffected by the insolvency process for Cox & Kings Ltd in India.
