A&M ENERGY GROUP LIMITED
GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 30 JUNE 2017

The directors present their strategic report of the company and the group for the year ended 30 June 2017.

REVIEW OF BUSINESS

Turnover of the group increased by 16.1% to £23,149,396 (2016/17) from £19,939,909 (2015/16).

The growth reflected the development of the commercial new build insulation market countering the continued decline within the domestic retrofit sector.

The process of geographical expansion to provide national coverage to our clients was completed during the year with trade commencing from our tenth branch in early 2017.

Operating profit increased to £3,115,750 (13.5% 2016/17) from £2,422,105 (12.1% 2015/16).

PRINCIPAL RISKS AND UNCERTAINTIES

The Government's current ECO2 promised additional focus towards the fuel poor and a reduction in bureaucracy and costs of administration which were highlighted in respect of the previous scheme ECO1. The simplification has not materialised and the complexity of the current scheme has led to a continued decline in installed volumes within this market.

However, the ongoing development and expansion of the commercial and new build operations across all locations within the business continues to provide a suitable alternative to ECO funded work in future.

With the growth within the commercial sector new systems and procedures have been implemented allowing better control of profitability and working capital going forward with all locations successfully integrated by the close of the period.

Financial risk is mitigated by the company maintaining acceptable levels of cash resources further to recent periods of profitability however the directors closely assess the working capital requirements of the business.

ON BEHALF OF THE BOARD:

.....
Mr J J Mansfield - Secretary

Date: 15/11/17

A&M ENERGY GROUP LIMITED
REPORT OF THE DIRECTORS
FOR THE YEAR ENDED 30 JUNE 2017

The directors present their report with the financial statements of the company and the group for the year ended 30 June 2017.

DIVIDENDS

The total distribution of dividends for the year ended 30 June 2017 will be £1,483,137.

DIRECTORS

The directors shown below have held office during the whole of the period from 1 July 2016 to the date of this report.

Mr I L Mollard
Mr S Atherton
Mr G K Mollard
Mrs S L Roldaan
Mr A R Laing
Mr I M Holland

STATEMENT OF DIRECTORS' RESPONSIBILITIES

The directors are responsible for preparing the Group Strategic Report, the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the group's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the group's auditors are aware of that information.

ON BEHALF OF THE BOARD:

.....
Mr J J Mansfield - Secretary

Date: 15/11/17

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
A&M ENERGY GROUP LIMITED**

Opinion

We have audited the financial statements of A&M Energy Group Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 30 June 2017 on pages six to twenty. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 30 June 2017 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The directors are responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Directors, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Directors for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Directors have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Directors.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

**REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF
A&M ENERGY GROUP LIMITED**

Responsibilities of directors

As explained more fully in the Statement of Directors' Responsibilities set out on page three, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the group or the parent company or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2017

1. **STATUTORY INFORMATION**

A&M Energy Group Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

2. **ACCOUNTING POLICIES**

General information and basis of preparation

The financial statements have been prepared in accordance with applicable accounting standards including Financial Reporting Standard 102 The Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006. The financial statements have been prepared on a going concern basis under the historical cost convention. The financial statements are presented in sterling which is the functional currency of the company.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Basis of consolidation

The consolidated financial statements incorporate the financial statements of the company and entities controlled by the group (its subsidiaries). Control is achieved where the group has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

On 1 July 2015, a share for share exchange took place between A&M Energy Group Limited and the shareholders of A&M Energy Solutions Limited. This transaction was as a result of a group reorganisation and the creation of A&M Energy Group Limited as the new parent company of the group. The ultimate shareholders remained the same.

The results of subsidiaries acquired or disposed of during the year are included in total comprehensive income from the effective date of acquisition and up to the effective date of disposal, as appropriate using accounting policies consistent with those of the parent. All intra-group transactions, balances, income and expenses are eliminated in full on consolidation.

Investments in subsidiaries are accounted for at cost less impairment in the individual financial statements. On consolidation, any excess of the cost of the acquisition over the group's interest in the net fair value of the identifiable assets and liabilities is recognised as goodwill.

Related party exemption

The company has taken advantage of exemption, under the terms of Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', not to disclose related party transactions with wholly owned subsidiaries within the group.

Transactions between group entities which have been eliminated on consolidation are not disclosed within the financial statements.

Significant judgements and estimates

In the application of the company's accounting policies as set out below, management is required to make judgements, estimates and assumptions about the carrying values of assets and liabilities that are not readily apparent from other sources. The estimates and underlying assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 JUNE 2017

2. ACCOUNTING POLICIES - continued

Turnover and other income

Turnover is measured at the fair value of the consideration received or receivable and represents amounts receivable for goods supplied and services rendered, stated net of discounts and of Value Added Tax.

The company recognises revenue when the amount of revenue can be measured reliably, when it is probable that future economic benefits will flow to the entity and when specific criteria have been met for each of the company's activities described below.

Installations

Turnover from the installation of insulation materials is recognised upon completion of the installation, it is probable that the economic benefits associated with the transaction will flow to the company and the costs incurred or to be incurred in respect of the installation can be measured reliably.

Interest and dividends receivable

Interest income is recognised using the effective interest method and dividend income is recognised as the company's right to receive payment is established.

Tangible fixed assets

Tangible fixed assets are stated at cost (or deemed cost) or valuation less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Improvements to property	- Over the term of the lease
Plant and machinery	- Straight line over 5 years on original cost
Office equipment and computers	- Straight line over 3 years on original cost
Motor vehicles	- Straight line over 5 years on original cost

Assets are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss.

Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost includes all costs of purchase, costs of conversion and other costs incurred in bringing stock to its present location and condition. Cost is calculated using the first-in, first-out formula. Provision is made for damaged, obsolete and slow-moving stock where appropriate.

Taxation

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current or past reporting periods. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax represents the future tax consequences of transactions and events recognised in the financial statements of current and previous periods. It is recognised in respect of all timing differences, with certain exceptions. Timing differences are differences between taxable profits and total comprehensive income as stated in the financial statements that arise from the inclusion of income and expense in tax assessments in periods different from those in which they are recognised in the financial statements. Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of timing differences.

Hire purchase and leasing commitments

Assets acquired under hire purchase contracts or finance leases are capitalised and depreciated over the expected useful life of the asset. Minimum lease payments are apportioned between the finance charge and the reduction of the outstanding lease liability using the effective interest method. The related obligations, net of future finance charges, are included in creditors.

Rentals payable and receivable under operating leases are charged to the profit and loss account on a straight line basis over the period of the lease.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 30 JUNE 2017

2. ACCOUNTING POLICIES - continued**Employee benefits**

When employees have rendered service to the company, short-term employee benefits to which the employees are entitled are recognised at the undiscounted amount expected to be paid in exchange for that service.

The company operates a defined contribution plan for the benefit of its employees. Contributions are expensed as they become payable.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in administrative expenses.

Provisions

Provisions are recognised when the company has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

Related parties

For the purposes of these financial statements, a party is considered to be related to the company if:

1. the party has the ability, directly or indirectly, through one or more intermediaries, to control the company or exercise significant influence over the company in making financial and operating decisions, or has joint control over the company;
2. the company and the party are subject to common control;
3. the party is an associate of the company or a joint venture in which the company is a venturer;
4. the party is a member of key management personnel of the company or the company's parent, or close family member of such an individual, or is an entity under the control, joint control or significant influence of such individuals;
5. the party is a close family member of a party referred to in (1) or is an entity under the control, joint control or significant influence of such individuals; or
6. the party is a post-employment benefit plan which is for the benefit of employees of the company or of any entity that is a related party of the company.

Close family members of an individual are those family members who may be expected to influence, or be influenced by, that individual in their dealings with the entity.

3. EMPLOYEES AND DIRECTORS

	2017 £	2016 £
Wages and salaries	6,743,506	5,884,991
Social security costs	688,123	576,153
Other pension costs	41,433	42,598
	<u>7,473,062</u>	<u>6,503,742</u>

The average monthly number of employees during the year was as follows:

	2017	2016
