This template illustrates what the Regulator of Community Interest Companies considers to be best practice for completing a simplified community interest company report. All such reports must be delivered in accordance with section 34 of the Companies (Audit, Investigations and Community Enterprise) Act 2004 and contain the information required by Part 7 of the Community Interest Company Regulations 2005. For further guidance see chapter 8 of the Regulator's guidance notes and the alternate example provided for a more complex company with more detailed notes.

### PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

This year we have developed projects with local (Wirral) based charities and third sector organisation. We have continued to oversee the local council's Family Coaching initiative and have further developed our training portfolio.

We have also continued to develop our Guild model to offer ongoing support for those we train and who are working in the community.

Through the Metanoeo Foundation we have been able to offer a free life coach training place on each course we have run which has increased our provision for the marginalised and disadvantaged enabling members of the public to complete our training for free.

This year our turnover increase to £18,925. This trading increase has come about through the ongoing development of relationships with the local third sector as a result of our involvement in the family coaching initiative in partnership with Wirral council.

**PART 2 – CONSULTATION WITH STAKEHOLDERS** – Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

Our stakeholders are the community projects we partner with along the individuals who become guild members.

Regular meetings are held with guild members individually to consider how their participation may be grown along with CPD events where members receive training but also share their own stories and network with other members. We are continuing to offer a peer supervision group and now also offer 1-2-1 supervision.

Discussions with partner groups through projects such as *Cultivating Coaching Cultures* and our *Level 5 Accredited Award in Community-Based Life Coaching* continue to guide the services we provide. As a result of these conversations each of our projects has had a different operational structure to reflect that community's needs.

**PART 3 – DIRECTORS' REMUNERATION** – if you have provided full details in your accounts you need not reproduce it here. Please clearly identify the information within the accounts and confirm that, "There were no other transactions or arrangements in connection with the remuneration of directors, or compensation for director's loss of office, which require to be disclosed" (See example with full notes). If no remuneration was received you must state that "no remuneration was received" below.

**PART 4 – TRANSFERS OF ASSETS OTHER THAN FOR FULL CONSIDERATION** – Please insert full details of any transfers of assets other than for full consideration e.g. Donations to outside bodies. If this does not apply you must state that "no transfer of assets other than for full consideration has been made" below.
