Babcock IP Management (Number Two) Limited

Strategic report for the year ended 31 March 2017

The directors present their Strategic report on the Company for the year ended 31 March 2017.

Principal activities

Babcock IP Management (Number Two) Limited was incorporated on 11 June 2015, starting to trade on 2 July 2015.

The principal activity of the Company is as a Group IP management company within the Group headed by Babcock International Group PLC.

Review of the business

	Year ended 2017 £000	Nine months 2016 £000
Revenue	33,168	25,065
Profit for the financial year	21,574	16,381

Principal risks and uncertainties

The management of the business and the execution of the Company's strategy are subject to a number of risks and uncertainties. These are managed through the operational review process supplemented at Group level by independent challenge and review by the Group Risk Manager and the Audit and Risk Committee.

Further discussion of these risks and uncertainties, in the context of the Group as a whole, is provided on pages 68 to 79 of the Annual Report of Babcock International Group PLC, which does not form part of this report.

Key performance indicators

Given the straightforward nature of the business, the Company's directors are of the opinion that analysis using key performance indicators is not necessary for an understanding of the development, performance or position of the business.

Financial risk management

All treasury transactions are carried out only with prime rated counter-parties. Financial risk is managed in accordance with Group policies and procedures which are discussed on pages 33 to 37 and Note 2 of the Annual Report of Babcock International Group PLC, which does not form part of this report.

Statement of directors' responsibilities

The directors are responsible for preparing the Strategic report, the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including Financial Reporting Standard 101 'Reduced Disclosure Framework' (FRS 101). Under company law, the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards, including FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

Babcock IP Management (Number Two) Limited

Directors' report for the year ended 31 March 2017 *(continued)*

Statement of directors' responsibilities *(continued)*

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Qualifying third party indemnity provisions

Babcock International Group PLC provides protections for directors of companies within the Group against personal financial exposure they may incur in their capacity as such. These include qualifying third party indemnity provisions (as defined by Companies Act 2006) for the benefit of members of Babcock International Group PLC, including, where applicable, in their capacity as a director of the Company and other companies within the Group. These indemnities came into force in 2012 and remain in force.

Statement of disclosure of information to auditors

Each director, as at the date of this report, has confirmed that in so far as they are aware there is no relevant audit information of which the Company's auditors are unaware, and they have taken all the steps that they ought to have taken as a director in order to make themselves aware of any relevant audit information and to establish that the Company's auditors are aware of this information.

Reappointment of auditors

PricewaterhouseCoopers LLP were reappointed as auditors at the Annual General Meeting.

Report on the financial statements

Our opinion

In our opinion, Babcock IP Management (Number Two) Limited's financial statements (the "financial statements"):

- give a true and fair view of the state of the Company's affairs as at 31 March 2017 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

What we have audited

Babcock IP Management (Number Two) Limited's financial statements comprise:

- the Balance sheet as at 31 March 2017;
- the Income statement and the Statement of comprehensive income for the year then ended;
- the Statement of changes in equity for the year then ended; and
- the Notes to the financial statements, which include a summary of significant accounting policies and other explanatory information.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 101 "Reduced Disclosure Framework".

In applying the financial reporting framework, the directors have made a number of subjective judgments, for example in respect of significant accounting estimates. In making such estimates, they have made assumptions and considered future events.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

In addition, in light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we are required to report if we have identified any material misstatements in the Strategic report and the Directors' report. We have nothing to report in this respect.

Babcock IP Management (Number Two) Limited

Independent auditors' report to the members of Babcock IP Management (Number Two) Limited (continued)

Other matters on which we are required to report by exception

Adequacy of accounting records and information and explanations received

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Directors' remuneration

Under the Companies Act 2006 we are required to report to you if, in our opinion, certain disclosures of directors' remuneration specified by law are not made. We have no exceptions to report arising from this responsibility.

Responsibilities for the financial statements and the audit

Our responsibilities and those of the directors

As explained more fully in the Statement of directors' responsibilities on pages 3 and 4 the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland) ("ISAs (UK and Ireland)"). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

This report, including the opinions, has been prepared for and only for the Company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

What an audit of financial statements involves

We conducted our audit in accordance with ISAs (UK & Ireland). An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error.

This includes an assessment of:

- whether the accounting policies are appropriate to the Company's circumstances and have been consistently applied and adequately disclosed;
- the reasonableness of significant accounting estimates made by the directors; and
- the overall presentation of the financial statements.

Babcock IP Management (Number Two) Limited

Independent auditors' report to the members of Babcock IP Management (Number Two) Limited *(continued)*

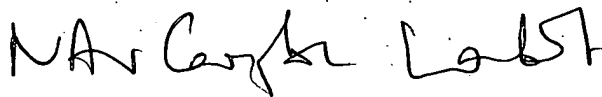

Responsibilities for the financial statements and the audit *(continued)*

What an audit of financial statements involves *(continued)*

We primarily focus our work in these areas by assessing the directors' judgments against available evidence, forming our own judgments, and evaluating the disclosures in the financial statements.

We test and examine information, using sampling and other auditing techniques, to the extent we consider necessary to provide a reasonable basis for us to draw conclusions. We obtain audit evidence through testing the effectiveness of controls, substantive procedures or a combination of both.

In addition, we read all the financial and non-financial information in the annual report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report. With respect to the Strategic report and Directors' report, we consider whether these reports include disclosures required by applicable legal requirements.

Babcock IP Management (Number Two) Limited

Notes to the financial statements

1 General information

Babcock IP Management (Number Two) Limited is a private company which is incorporated and domiciled in the UK. The address of the registered Office is 33 Wigmore Street, London W1U 1QX.

2 Summary of significant accounting policies

The principal accounting policies applied in the preparation of these financial statements are set out below.

Basis of preparation

The financial statements have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). These financial statements are prepared on a going concern basis, under the historical cost convention, as modified by the revaluation of land and buildings and certain financial assets and liabilities measure at fair value through profit and loss in accordance with the Companies Act 2006. The financial statements are prepared in sterling which is the functional currency of the Company and rounded to the nearest £'000.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. The areas involving a higher degree of judgement or complexity, or areas where assumptions and estimates are significant to the financial statements are disclosed in note 3.

The following exemptions from the requirements of IFRS have been applied in the preparation of these financial statements, in accordance with FRS 101:

- a) Paragraphs 45(b) and 46 to 52 of IFRS 2, 'Share based payments'
- b) IFRS 7, 'Financial instruments: Disclosures'
- c) Paragraphs 91 to 99 of IFRS 13 'Fair value measurement' (disclosure of valuation techniques and inputs used for fair value measurement of assets and liabilities)
- d) Paragraph 38 of IAS 1, 'Presentation of financial statements' comparative information in respect of:
 - paragraph 79(a) (iv) of IAS 1 Share capital and reserves;
 - paragraph 73(e) of IAS 16 Property, plant and equipment; and
 - paragraph 118(e) of IAS 38 Intangible assets (reconciliations between the carrying amount at the beginning and end of the year)
- e) The following paragraphs of IAS 1, 'Presentation of financial statements':
 - 10(d), 10(f), 16, 38, 40, 111, and 134-136
- f) IAS 7, 'Statement of cash flows'
- g) Paragraph 30 and 31 of IAS 8 'Accounting policies, changes in accounting estimates and errors'
- h) Paragraph 17 of IAS 24, 'Related party transactions' in respect of key management compensation
- i) The requirements of IAS 24, 'Related party disclosures' to disclose related party transactions entered into between two or more members of a group.

After making enquiries, the directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, the directors consider it appropriate to continue to adopt the going concern basis in preparing these financial statements.

Notes to the financial statements *(continued)***2 Summary of significant accounting policies** *(continued)***Intangible assets**

Intangible assets are stated at cost less accumulated amortisation. The intangible assets are amortised on a straight line basis over a period of 10 years.

Research and development

Research expenditure is recognised as an expense as incurred. Costs incurred on development projects are recognised as intangible assets when it is probable that the project will be a success considering its commercial and technological feasibility, and only if the cost can be measured reliably. Other development expenditure is recognised as an expense as incurred. Development costs previously recognised as an expense are not recognised as an asset in a subsequent period. Development costs that have been capitalised are amortised from the date the product is available for use on a straight-line basis over the period of its expected benefit but not exceeding seven years.

Trade receivables

Trade receivables are stated at their cost less provision for bad debts. A provision for bad debt is established when there is objective evidence that the collection of the debt is no longer probable.

Trade payables

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Trade payables are initially recognised at fair value, which is usually original invoice amount and are subsequently held at amortised cost using the EIR method (although, in practice, the discount is often immaterial). If payment is due within one year or less payables are classified as current liabilities. If not, they are presented as non-current liabilities.

Revenue

Royalty revenue represents amounts receivable for use of intellectual property including know how. Royalty income is recognised on an accruals basis in accordance with the substance of the relevant agreements.

Taxation**(a) Current income tax**

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantially enacted by the balance sheet date.

(b) Deferred income tax

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax basis of assets and liabilities and their carrying amounts in the consolidated financial statements. However, if the deferred income tax arises from initial recognition of an asset or liability in a transaction, other than a business combination, that at the time of the transaction affects neither accounting nor taxable profit or loss, it is not accounted for. Deferred income tax is determined using tax rates (and laws) that have been enacted, or substantially enacted by the balance sheet date and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred income tax assets are recognised to the extent that it is probable that future taxable profit will be available against which the temporary differences can be utilised. Tax is recognised in the

Babcock IP Management (Number Two) Limited

income statement except to the extent that it relates to items recognised directly in either other comprehensive income or in equity.

Notes to the financial statements *(continued)*

3 Critical accounting estimates and judgements

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the balance sheet date and the amounts reported for revenues and expenses during the period. However, the nature of estimation means that actual outcomes could differ from those estimates.

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The following judgements (apart from those involving estimates) have had the most significant effect on amounts recognised in the financial statements.

4 Revenue

	Year ended 2017 £000	Nine months 2016 £000
Group royalty revenue	<u>33,168</u>	<u>25,065</u>

Revenue for both periods originated in the United Kingdom.

5 Income tax expense

Tax expense for the year is lower (2016: lower) than the standard effective rate of corporation tax in the UK for the year ended 31 March 2017 of 20% (2016:20%). The differences are explained below:

	Year ended 2017 £000	Nine months 2016 £000
Profit on ordinary activities before taxation	<u>21,574</u>	<u>16,381</u>
Profit on ordinary activities multiplied by standard UK corporation tax rate of 20%	4,315	3,276
Effects of:		
Expenses not deductible for tax purposes	2,316	1,737
Group relief for nil consideration	(6,631)	(5,013)
Total tax charge for the financial year/period	<u>-</u>	<u>-</u>

It was announced in 2017 UK Budget that UK corporation tax will be reduced to 17% from April 2020. As a result of this change, UK deferred tax balances have been remeasured at 17% as this is the tax rate that will apply on reversal.
