1 Introduction

- 1.1 I, Andrew John Whelan of WSM Marks Bloom LLP, Unit 2 Spinnaker Court, 1C Becketts Place, Hampton Wick, Kingston upon Thames KT1 4EQ, was appointed as Liquidator of Pauceanu Ltd ('the Company') on 22 November 2019. The Liquidator can be contacted by phone on 020 8939 8240 or via email at insolvency@wsm.co.uk.
- 1.2 The affairs of the Company are now fully wound-up and this is my final account of the liquidation, which covers the period since my last progress report ('the Period').
- 1.3 The trading address of the Company was 3 Horizon Place, Studio Way, Borehamwood WD6 5FP. The business traded under the Company's name.
- 1.4 The registered office of the Company is Unit 2 Spinnaker Court, 1C Becketts Place, Hampton Wick, Kingston upon Thames KT1 4EQ and its registered number is 09661956.
- 1.5 Information about the way that we will use and store personal data on insolvency appointments can be found in the Privacy Notice at http://wsm.co.uk/insolvency/. If you are unable to download this, please contact us and a hard copy will be provided.

2 Receipts and Payments

2.1 Attached is an account of my receipts and payments for the Period with a comparison to the director's statement of affairs values, which provides details of the remuneration charged and expenses incurred and paid by the Liquidator.

3 Work undertaken by the Liquidator

3.1 This section of the report provides creditors with an overview of the work undertaken in the liquidation since my last progress report, together with information on the overall outcome of the liquidation.

Administration (including statutory compliance & reporting)

- 3.2 The Liquidator must comply with certain statutory obligations under the Insolvency Act 1986 and other related legislation. Details about the work I anticipated undertaking in this regard were outlined previously in the summary of work to be undertaken circulated to creditors on 29 November 2019.
- 3.3 As noted in my initial fees information, this work has not necessarily brought any financial benefit to creditors, but is work required on every case by statute.

Realisation of Assets

- Realisations in this regard, which total £4,450.61, were described in detail in my previous annual progress reports issued to creditors.
- 3.5 As advised in my previous reports to creditors, there was a VAT refund due to the Company in the amount of £5,364.54 and I had submitted the relevant returns to HM Revenue & Customs ('HMRC').

- In the prior period a cheque was received from HMRC in the sum of £2,652.54 being significantly less than the figure stated on the submitted returns.
- 3.7 During the Period the balance of the funds of £2,712.00 was finally received from HMRC which brought realisations in this regard to a close.

Creditors (claims and distributions)

- 3.8 Further information on the outcome for creditors in this case can be found at section 4 of this report. The Liquidator is not only required to deal with correspondence and claims from unsecured creditors, but also those of any secured and preferential creditors of the Company. This may involve separate reporting to any secured creditor and dealing with distributions from asset realisations caught under their security, most typically a debenture as well as dealing with the general handling of communications with stakeholders, such as customers and suppliers.
- 3.9 Claims from preferential creditors typically involve employee claims and payments made on behalf of the Company by the Redundancy Payments Service following dismissal.
- 3.9 The above work will not necessarily bring any financial benefit to creditors generally and the more creditors there are on an assignment, the higher the resultant cost will usually be, however a liquidator is required by statute to undertake this work.
- 3.10 More information on the outcome for all classes of creditor in this case can be found in Section 4 below.

Investigations

- 3.11 Some of the work the Liquidator was required to undertake was to comply with legislation such as the Company Directors' Disqualification Act 1986 (CDDA 1986) and Statement of Insolvency Practice 2 Investigations by Office Holders in Administration and Insolvent Liquidations and may not necessarily bring any financial benefit to creditors, unless those investigations revealed potential asset recoveries that could have been pursued for the benefit of creditors.
- 3.12 My report on the conduct of the Directors of the Company to the Department for Business, Energy & Industrial Strategy under the CDDA 1986 was submitted in accordance with statutory timescales and is confidential.
- 3.13 Since my last progress report I would advise that no further asset realisations have come to light that may be pursued by me for the benefit of creditors.

4 Outcome for Creditors

Secured Creditors

4.1 The Company did not grant fixed or floating charges over the Company's assets to any secured creditors and no distributions have been made to such creditors as a result in the liquidation.

Preferential Creditors

4.2 There were no preferential creditors.

Unsecured Creditors

- 4.3 I received claims totalling £228.13 from two creditors.
- 4.4 No floating charges were granted to secured creditors by the Company. Accordingly, there was no requirement under s176A of the Insolvency Act 1986 to create a fund out of the Company's net floating charge property for unsecured creditors, known as the Prescribed Part
- 4.5 I can confirm that the realisations are insufficient to declare a dividend to the unsecured creditors.

5 Liquidator's Remuneration & Expenses

- The basis of the Liquidator's remuneration was agreed by creditors as a set amount of £10,000 plus VAT by passing a resolution by correspondence 19 December 2019. I have drawn £2,600 plus VAT in respect of this amount. Realisations in the liquidation were insufficient for any further fees to be drawn.
- 5.2 In addition, it was resolved by passing a resolution by correspondence on 22 November 2019 that my pre-appointment fees fixed at £7,000 plus VAT would be drawn from the assets in the liquidation. I have drawn these fees previously.
- 5.3 A narrative explanation of the work undertaken during the Period can be found at section 3 of this report.
- 5.4 Attached is additional information in relation to the Liquidator's fees and the expenses incurred in the liquidation.
- A copy of 'A Creditors' Guide to Liquidators' Fees' is available on request or can be downloaded from www.wsm.co.uk/insolvency/creditors-guides/.

6 Conclusion

6.1 This final account will conclude my administration of this case. The Notice accompanying this account explains creditors rights on receipt of this information and also when I will vacate office and obtain my release as Liquidator.
