## Strategic report

The Directors present their Strategic report for the year ended 31 December 2020.

### Principal activity, review of the business and future developments

NSMP HoldCo 2 Limited is part of the Selkie Investments Group ("the Group") that was formed in September 2018 for the purpose of owning and operating midstream gas infrastructure assets in the North Sea. The Group comprises one parent company, Selkie Investments Midstream Topco Limited, and 12 subsidiaries.

The Company's principal activity is the holding of investments.

The result for the year after taxation was £nil (2019: profit of £43.7 million), arising from expenses incurred and taxation.

The Directors envisage that the nature and scale of the Company's activities will continue in the coming year.

### Principal risks and uncertainties

Given its position within the Selkie Investments Midstream Topco Limited group of companies and as the Company is purely an intermediary holding company within the Group, it is not considered to face any singular risks or uncertainties beyond those of being a member of the aforesaid Group.

Approved by the Board of Directors and signed on its behalf by:

Andrew Heppel  
Director  
28 May 2021

## Directors' report

The Directors present their Directors' report for the year ended 31 December 2020.

The Company has chosen in accordance with Section 414(c)(ii) of the Companies Act 2006 to set out in the Strategic report the following, which the Directors believe to be of significant importance:

- Review of the business
- Future developments
- Principal risks and uncertainties

### Results and dividends

The result for the year after taxation amounted to £nil (2019: profit of £43.7 million). No dividends were received from the Company's direct subsidiary (2019: £43.7 million) and no dividends were declared in the year (2019: £43.7 million).

### Directors

The Directors who served the Company during the year and to the date of approval of the financial statements were as follows:

G Barbaro (appointed 23 October 2020)

J Barry

A Heppel

K Lim (resigned 23 October 2020)

### Going concern

The financial statements are prepared utilising the presumption of going concern which is assessed by the Directors for the period to the end of December 2022. The documented assessment process is proportionate in depth and nature to the size, level of risk and complexity of the Company and its operations.

The Company is a holding company within the Selkie Investments Group, headed by Selkie Investments Midstream Topco Limited. It has an investment in subsidiary of £68.8million, net current assets of £3,000 and net assets of £68.8 million. To meet its financial obligations, the Company is dependent on receiving interest payments from its subsidiary. The Company is dependent on the two trading entities within the Group to generate sufficient cash to fund the obligations of the rest of the Group, including the Company, via interest payments and being able to pay this to their respective parent companies.

The Directors have received confirmation from Selkie Investments Midstream Topco Limited, the Company's parent undertaking, that it intends to support the Company for the period to the end of December 2022 by directing cash flows to ensure the Company has sufficient funds available.

The Directors, in conjunction with the Directors of Selkie Investments Midstream Topco Limited, have considered the Group's business plans which provide financial projections through to the end of December 2022. The Group's principal debt facilities comprise a £616.0 million term loan which is repayable in November 2027 as well as access to a £30.0 million Revolving Credit Facility which is currently undrawn. At the year end, the Group had sufficient liquidity (£48.7 million) and was compliant with its financial covenants.

The Group's current suite of contracts are of a long-term nature with reputable, creditworthy counterparties who are deemed to pose limited credit risk. This provides a stable income stream that is forecast to comfortably cover the Group's operational cost base and allows it to meet its trading and other obligations for the foreseeable future out of cash reserves. Finally, the assets of the two trading entities within the Group, NSMP Operations Limited and Teesside Gas & Liquids Processing, are critical to UKCS natural gas resources and essential to the UK's security of energy supply. Currently up to 20% of UK supply passes through these assets. Since the onset of the COVID 19 pandemic, there has been no disruption of supply or diminution in volumes, other than usual seasonal variations.

## Directors' report

### Going concern (continued)

Despite the challenges of the COVID-19 pandemic and a low commodity price environment, the business has delivered a resilient financial performance in 2020. We expect that near-term, a degree of uncertainty will continue into 2021 and, whilst forecasting activity levels in an uncertain economic environment remains challenging, we expect that the Group's resilience will continue.

Consequently, the Directors are satisfied that the Company and the Group have adequate resources to continue to operate and meet their liabilities as they fall due for the period to the end of December 2022. For this reason, they continue to adopt the Going Concern Basis in the preparation of the financial statements.

### Disclosure of information to the auditor

So far as each person who was a Director at the date of approving this report is aware, there is no relevant audit information, being information needed by the auditor in connection with preparing its report, of which the auditor is unaware. Having made enquiries of fellow Directors and the Company's auditor, each Director has taken all the steps that he/she is obliged to take as a Director in order to make himself/herself aware of any relevant audit information and to establish that the auditor is aware of that information.

### Re-appointment of auditor

In accordance with s.485 of the Companies Act 2006, a resolution is to be proposed at the Annual General Meeting for re-appointment of Ernst & Young LLP as auditor of the Company.

Approved by the Board of Directors and signed on its behalf by:

Andrew Heppel  
Director  
28 May 2021

## Statement of Directors' responsibilities

The Directors are responsible for preparing the strategic report, Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that period. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The Directors are responsible for keeping proper accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

## **Independent auditor's report**

### **to the members of NSMP HoldCo 2 Limited**

#### **Opinion**

We have audited the financial statements of NSMP HoldCo 2 Limited for the year ended 31 December 2020 which comprise the Income statement, the Statement of financial position, the Statement of changes in equity and the related notes 1 to 9, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the Company's affairs as at 31 December 2020 and of its result for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

#### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report below. We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for the period to 31 December 2022.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report. However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the Company's ability to continue as a going concern.

#### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The Directors are responsible for the other information contained within the annual report.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in this report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact.

## **Independent auditor's report (continued)**

### **to the members of NSMP HoldCo 2 Limited**

We have nothing to report in this regard.

#### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Strategic report and the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Strategic report and Directors' report have been prepared in accordance with applicable legal requirements.

#### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Strategic report or Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

#### **Responsibilities of Directors**

As explained more fully in the Directors' responsibilities statement set out on page 5, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

#### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

#### **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect irregularities, including fraud. The risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below. However, the primary responsibility for the prevention and detection of fraud rests with both those charged with governance of the entity and management.

## Independent auditor's report (continued)

### to the members of NSMP HoldCo 2 Limited

Our approach was as follows:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the company and determined that the most significant are those that relate to the reporting framework (FRS 102 and the Companies Act 2006) and the relevant tax compliance regulations.
- We understood how NSMP HoldCo 2 Limited is complying with those frameworks by making enquiries of management and those responsible for legal and compliance procedures. We corroborated our enquiries through our review of board minutes and papers provided to the Group's Audit and Risk Committee and attendance at all meetings of the Audit and Risk Committee.
- We assessed the susceptibility of the Company's financial statements to material misstatement, including how fraud might occur by meeting with management to understand where it considered there was a susceptibility to fraud. We also considered performance targets which are based on the results of the Group and their propensity to influence efforts made by management to manage the earnings of this Company. We considered the controls that the Company has established to address risks identified, or that otherwise prevent, deter and detect fraud; and how senior management monitors those programmes and controls. Where the risk was considered to be higher, we performed audit procedures to address each identified fraud risk or other risk of material misstatement. These procedures included testing journals and were designed to provide reasonable assurance that the financial statements were free from material fraud and error.
- Based on this understanding we designed our audit procedures to identify noncompliance with such laws and regulations. Our procedures involved enquiries of legal counsel and management. In addition, we completed procedures to conclude on the compliance of the disclosures in the Annual Report with the requirements of the relevant accounting standards.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## Notes to the financial statements

for the year ended 31 December 2020

### 1. Accounting policies

#### *General information*

NSMP HoldCo 2 Limited is a private limited liability company, limited by shares and incorporated in England. The Registered Office is Suite 1, 3rd Floor, 11-12 St. James's Square, London. The Company's principal activity is the holding of investments.

#### *Statement of compliance*

The Company's financial statements have been prepared in accordance with United Kingdom Accounting Standards, including FRS102 "The Financial Reporting Standard applicable to the UK and Republic of Ireland" and the Companies Act 2006.

#### *Basis of preparation*

The financial statements have been prepared using accounting principles based on historical cost, unless stated otherwise. The financial statements are prepared in GBP sterling which is the functional currency of the Company and rounded to the nearest £000.

In these financial statements, the Company has applied the exemptions available under FRS 102 in respect of the following disclosures:

- the requirement to prepare a Statement of Cash Flows – the requirement to prepare a Statement of Cash Flows
- the requirements of Section 11 Basic Financial Instruments paragraphs 11.42, 11.44, 11.45, 11.47, 11.48(a)(iii), 11.48(a)(iv), 11.48(b) and 11.48(c)
- the requirements of Section 33.7 Related Party Disclosures. The entity has taken advantage of the exemption in paragraph 33.1A not to disclose transactions entered into with other entities that are wholly owned within the group.

The equivalent disclosures and results of the company are included in the consolidated parent company accounts and for that basis these financial statements are not consolidated. Note 9 gives details of the Company's ultimate parent and where the consolidated financial statements prepared may be obtained.

#### *Group financial statements*

The Company has taken advantage of the exemption under section 400 of the Companies Act 2006 not to prepare group financial statements as the Company's financial results and position are included in the consolidated financial statements of its parent company, Selkie Investments Midstream Topco Limited, which prepares group financial statements which are publicly available. Accordingly, these financial statements represent the activities of the Company only.

#### *Going concern*

The financial statements are prepared utilising the presumption of going concern which is assessed by the Directors for the period to the end of December 2022. The documented assessment process is proportionate in depth and nature to the size, level of risk and complexity of the Company and its operations.

The Company is a holding company within the Selkie Investments Group, headed by Selkie Investments Midstream Topco Limited. It has an investment in subsidiary of £68.8 million, net current assets of £3,000 and net assets of £68.8 million. To meet its financial obligations, the Company is dependent on receiving interest payments from its subsidiary. The Company is dependent on the two trading entities within the Group to generate sufficient cash to fund the obligations of the rest of the Group, including the Company, via interest payments and being able to pay this to their respective parent companies.

The Directors have received confirmation from Selkie Investments Midstream Topco Limited, the Company's parent undertaking, that it intends to support the Company for the period to the end of December 2022 by directing cash flows to ensure the Company has sufficient funds available.

The Directors, in conjunction with the Directors of Selkie Investments Midstream Topco Limited, have considered the Group's business plans which provide financial projections through to the end of December 2022.

## Notes to the financial statements

for the year ended 31 December 2020

### 1. Accounting policies (continued)

#### *Going concern (continued)*

The Group's principal debt facilities comprise a £616.0 million term loan which is repayable in November 2027 as well as access to a £30.0 million Revolving Credit Facility which is currently undrawn. At the year end, the Group had sufficient liquidity (£48.7 million) and was compliant with its financial covenants.

The Group's current suite of contracts are of a long-term nature with reputable, creditworthy counterparties who are deemed to pose limited credit risk. This provides a stable income stream that is forecast to comfortably cover the Group's operational cost base and allows it to meet its trading and other obligations for the foreseeable future out of cash reserves. Finally, the assets of the two trading entities within the Group, NSMP Operations Limited and Teesside Gas & Liquids Processing, are critical to UKCS natural gas resources and essential to the UK's security of energy supply. Currently up to 20% of UK supply passes through these assets. Since the onset of the COVID 19 pandemic, there has been no disruption of supply or diminution in volumes, other than usual seasonal variations.

Despite the challenges of the COVID-19 pandemic and a low commodity price environment, the business has delivered a resilient financial performance in 2020. We expect that near-term, a degree of uncertainty will continue into 2021 and, whilst forecasting activity levels in an uncertain economic environment remains challenging, we expect that the Group's resilience will continue.

Consequently, the Directors are satisfied that the Company and the Group have adequate resources to continue to operate and meet their liabilities as they fall due for the period to the end of December 2022. For this reason, they continue to adopt the Going Concern Basis in the preparation of the financial statements.

#### *Judgements and key sources of estimation uncertainty*

The preparation of the financial statements has not required management to make judgements, estimates and assumptions that affect the amounts reported for assets and liabilities as at the statement of financial position date and the amounts reported for revenues and expenses during the year.

#### *Investments in subsidiaries*

Investment in subsidiary companies are included in the financial statements at historical cost less accumulated impairment losses.

#### *Impairment of assets*

At each reporting date fixed assets are reviewed to determine whether there is any indication that those assets have suffered an impairment loss. If there is an indication of possible impairment, the recoverable amount of any affected asset is estimated and compared with its carrying amount. If estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in the income statement.

If an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset in prior years. A reversal of an impairment loss is recognised immediately in the income statement.

#### *Financial instruments*

The Company has chosen to adopt Sections 11 and 12 of FRS 102 in respect of financial instruments. Basic financial assets, including intercompany receivables, and investments, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method.

At the end of each reporting period financial assets measured at amortised cost are assessed for objective evidence of impairment. If an asset is impaired the impairment loss is the difference between the carrying amount and the present value of the estimated cash flows discounted at the asset's original effective interest rate. The impairment loss is recognised in the income statement.

## Notes to the financial statements

for the year ended 31 December 2020

### 1. Accounting policies (continued)

#### *Financial instruments (continued)*

Basic financial liabilities, intercompany payables and loans from fellow group companies, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future receipts discounted at a market rate of interest.

#### *Share capital*

Ordinary shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

#### *Dividends*

Dividends to the parent company are recognised as a liability in the financial statements in the period in which the dividends and other distributions are approved by the Directors of the Company. These amounts are recognised in the statement of changes in equity.

#### *Income from fixed asset investments*

Income from fixed asset investments is recognised when the Company's right to receive payment is established.

#### *Taxation*

Current tax, including UK corporation tax and foreign tax, is recognised on taxable profits or losses for the current and past periods. Current tax is measured at the amounts of tax expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the statement of financial position date.

#### *Related party transactions*

The Company has taken advantage of the exemptions given in FRS 102.33.1A and FRS102.33.7, not to disclose transactions with wholly owned related parties and key management personnel.

### 2. Operating loss

The audit fee will be paid by the Company's parent on behalf of all group companies. Disclosure of the fees paid to the auditor is included in the financial statements of Selkie Investments Midstream Topco Limited.

The Company has no employees. No Director received any remuneration in their capacity as Director of this Company for either period presented.

### 3. Tax on (loss) / profit

#### (a) Tax on (loss) / profit

The tax credit is made up as follows:

	2020	2019
	£000	£000
<i>Current tax:</i>		
UK corporation tax on the (loss) / profit for the year	(5)	(2)
Total tax	(5)	(2)

## Notes to the financial statements

for the year ended 31 December 2020

### 3. Tax on (loss) / profit (continued)

#### (b) Factors affecting tax credit for the year

The tax assessed for the year is lower than (2019: lower than) the standard rate of corporation tax in the UK of 19% (2019: 19%). The differences are explained below:

	2020 £000	2019 £000
(Loss)/profit before tax	(5)	43,703
Profit multiplied by standard rate of corporation tax in the UK of 19% (2019: 19%)	(1)	8,303
Effects of:		
Income not taxable	–	(8,303)
Effect of group relief	(4)	(2)
Total tax for the year (note 3(a))	(5)	(2)

#### (c) Factors affecting future tax charges

The standard rate of UK corporation tax is 19% and this took effect from 1 April 2017. The 2016 Finance Act introduced a UK corporation tax rate of 17% from 1 April 2020. The Budget which took place on 11 March 2020 confirmed the rate of corporation tax will remain at 19% from 1 April 2020, cancelling the enacted rate reduction to 17%. The rate reduction reversal was substantively enacted on 17 March 2020 by way of a special resolution.

The 2021 UK Budget announcements on 3 March 2021 included measures to support economic recovery as a result of the ongoing COVID-19 pandemic. These included an increase to the UK's main corporation tax rate to 25%, which is due to be effective from 1 April 2023.

### 4. Investments

*Shares in subsidiary  
undertakings  
£000*

At 1 January 2020 and 31 December 2020 68,784

#### **Subsidiary undertakings**

The Company's investments at the statement of financial position date in the share capital of companies include the following (\* denotes held indirectly):

#### **NSMP (TGPP) Limited**

Nature of business: Transportation and processing of natural gas

Class of shares: Ordinary

% Holding: 100%

Registered address: 3rd Floor, 44 Esplanade, St Helier, Jersey, JE4 9WG

#### *Profit and loss reserve*

This reserve records the cumulative amount of realised profits and losses less any distributions of dividends. The Company did not declare a dividend in the year (2019: £43.7 million).

### 8. Related party transactions

The Company has taken advantage of the exemption available under FRS102.33.1A and FRS102.33.7A not to disclose transactions with other members of the Selkie Investments Midstream Topco Limited group.

### 9. Parent undertaking and ultimate controlling party

The Company is a wholly owned subsidiary of North Sea Midstream Partners Limited.

Selkie Investments Midstream Topco Limited is the parent undertaking for the largest and smallest group of undertakings for which group financial statements are drawn up. Copies of the group financial statements can be obtained from 3rd Floor, 44 Esplanade, St Helier, JE4 9WG, Jersey.

The Directors consider the Company's ultimate controlling party to be the Kuwait Investment Authority ("KIA"), which is registered at Ministries Complex, Al Murqab, P.O. Box: 64, Safat, Zip Code: 13001, Kuwait City, Kuwait.
