**GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

The director presents his strategic report of the company and the group for the year ended 31 March 2020.

REVIEW OF BUSINESS

The group successfully provides services in the health and social care sectors. The principal activities are home care (providing personal and domiciliary care), nursing agency, care homes, health and social care training, hospital logistics, patient care transport and consultancy to health care providers.

PRINCIPAL RISKS AND UNCERTAINTIES

The company continues to successfully provide services in the health and social care sectors. The principal activities are home care (providing personal and domiciliary care), nursing agency, care homes, health and social care training, hospital logistics, patient care transport and consultancy to health care providers.

RESULTS AND PERFORMANCE

The results of the group for the year show a profit on the ordinary activities before tax of £2,265,523. The shareholders' funds of the group total £12,862,849.

The performance of the group during the year has produced encouraging results. Eleanor Nursing and Social Care Limited continues to be the largest in the Care Group. Our home care and care home business has seen a significant improvement for this year despite the challenging environment in health and social care sector due to austerity cuts by the government.

BUSINESS ENVIRONMENT

Eleanor Care's main clients in Social Care is the local government and in health care is the NHS. Due to the austerity measures, both local government and NHS have been asked to make major savings reflecting in huge price reduction for the services we provide. Tougher regulations imposed by the Care quality commission also has led to increase in cost leading to a squeeze in the margins.

Due to the hard and difficult conditions in this sector many businesses have closed, however Eleanor has increased its market share in both health and social care during the year.

STRATEGY

The group's success is dependent on the service quality, pricing, and ongoing management of the costs - mainly the overheads. In the Care business, we have continued to consolidate our position. We believe it is important to retain a diversified portfolio of area in order to achieve maximum profitability through synergy in this highly competitive marketplace. In the Care and Logistics sector we have refocused the alignment of our products with our strong network which will allow us to enhance our market share and retention levels in this sector.

The group will continue to consolidate its position and concentrate its efforts on achieving maximum growth in its existing market segments and also hope to provide new services with more margins. We aim to improve efficiency in all areas of our operations with technology, innovation and creativity.

**GROUP STRATEGIC REPORT
FOR THE YEAR ENDED 31 MARCH 2020**

FUTURE DEVELOPMENTS

Although the growth of the UK economy strengthened in the year, risks to UK economic growth remain significant and future prospects may be influenced by developments in the euro zone. The economic environment will continue to evolve at a rapid pace over the next two to three years making a return to the relative stability and certainty that preceded the crisis unlikely, at least in the short term. Interest rates are predicted to remain low in the short to medium term.

In addition, we are expecting there will be continuing growth in the Care Industry and also the potential for an increase in use frequency on certain lines of business. We plan to actively review our Home Care to seek to ensure profitability is maintained in difficult market conditions. This includes gaining a better understanding and efficiency in recruitment of our care staff.

We will continue to win new contracts in home care and logistics while going into new areas such as supported living, out-reach and day centres. we will also continue to invest in care homes. Fresh energy will be applied in nursing and training to develop the potential in the sectors.

We will continue to develop our relationships with customers, generating new business where possible and increasing retention levels while navigating the pressure on our Service users. The level of profitability in the coming year will depend on our cost management, entering new profitable sectors using our brand name and careful acquisition.

STATEMENT OF DIRECTOR'S RESPONSIBILITIES

The director is responsible for preparing the Group Strategic Report, the Report of the Director and the financial statements in accordance with applicable law and regulations.

Company law requires the director to prepare financial statements for each financial year. Under that law the director has elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the director must not approve the financial statements unless he is satisfied that they give a true and fair view of the state of affairs of the company and the group and of the profit or loss of the group for that period. In preparing these financial statements, the director is required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The director is responsible for keeping adequate accounting records that are sufficient to show and explain the company's and the group's transactions and disclose with reasonable accuracy at any time the financial position of the company and the group and enable him to ensure that the financial statements comply with the Companies Act 2006. He is also responsible for safeguarding the assets of the company and the group and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ELEANOR HEALTH CARE GROUP LIMITED

Opinion

We have audited the financial statements of Eleanor Health Care Group Limited (the 'parent company') and its subsidiaries (the 'group') for the year ended 31 March 2020 which comprise the Consolidated Income Statement, Consolidated Other Comprehensive Income, Consolidated Balance Sheet, Company Balance Sheet, Consolidated Statement of Changes in Equity, Company Statement of Changes in Equity, Consolidated Cash Flow Statement and Notes to the Consolidated Cash Flow Statement, Notes to the Financial Statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and of the parent company affairs as at 31 March 2020 and of the group's profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the director's use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the director has not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the group's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The director is responsible for the other information. The other information comprises the information in the Group Strategic Report and the Report of the Director, but does not include the financial statements and our Report of the Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Group Strategic Report and the Report of the Director for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Group Strategic Report and the Report of the Director have been prepared in accordance with applicable legal requirements.

REPORT OF THE INDEPENDENT AUDITORS TO THE MEMBERS OF ELEANOR HEALTH CARE GROUP LIMITED

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent company and its environment obtained in the course of the audit, we have not identified material misstatements in the Group Strategic Report or the Report of the Director.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent company, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of director's remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of director

As explained more fully in the Statement of Director's Responsibilities set out on page four, the director is responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the director determines necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the director is responsible for assessing the group's and the parent company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the director either intends to liquidate the group or the parent company or to cease operations, or has no realistic alternative but to do so.

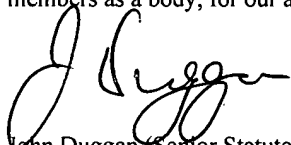

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Auditors.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in a Report of the Auditors and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

1. STATUTORY INFORMATION

Eleanor Health Care Group Limited is a private company, limited by shares, registered in England and Wales. The company's registered number and registered office address can be found on the General Information page.

2. ACCOUNTING POLICIES

Basis of preparing the financial statements

These financial statements have been prepared in accordance with Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover is measured at the fair value of the consideration received or receivable, excluding discounts, rebates, value added tax and other sales taxes.

Goodwill

Goodwill, being the amount paid in connection with the acquisition of a business in 2012, is being amortised evenly over its estimated useful life of five years.

Intangible assets

Intangible assets are initially measured at cost. After initial recognition, intangible assets are measured at cost less any accumulated amortisation and any accumulated impairment losses.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life or, if held under a finance lease, over the lease term, whichever is the shorter.

Freehold property	- 2% on cost and in accordance with the property
Long leasehold	- in accordance with the property
Plant and machinery	- 25% on cost
Fixtures and fittings	- 25% on cost and 25% on reducing balance
Motor vehicles	- 25% on cost
Computer equipment	- 25% on cost and 25% on reducing balance

Investments in subsidiaries

Investments in subsidiary undertakings are recognised at cost.

Taxation

Taxation for the year comprises current and deferred tax. Tax is recognised in the Consolidated Income Statement, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Current or deferred taxation assets and liabilities are not discounted.

Current tax is recognised at the amount of tax payable using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date.

Timing differences arise from the inclusion of income and expenses in tax assessments in periods different from those in which they are recognised in financial statements. Deferred tax is measured using tax rates and laws that have been enacted or substantively enacted by the year end and that are expected to apply to the reversal of the timing difference.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that it is probable that they will be recovered against the reversal of deferred tax liabilities or other future taxable profits.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS - continued
FOR THE YEAR ENDED 31 MARCH 2020

2. ACCOUNTING POLICIES - continued

Hire purchase and leasing commitments

Assets obtained under hire purchase contracts or finance leases are capitalised in the balance sheet. Those held under hire purchase contracts are depreciated over their estimated useful lives. Those held under finance leases are depreciated over their estimated useful lives or the lease term, whichever is the shorter.

The interest element of these obligations is charged to profit or loss over the relevant period. The capital element of the future payments is treated as a liability.

Rentals paid under operating leases are charged to profit or loss on a straight line basis over the period of the lease.
