

REPORT OF THE DIRECTORS

The directors present their report and financial statements for the year ended 31st August 2019.

DIRECTOR'S RESPONSIBILITIES STATEMENT

The directors are responsible for preparing the Director's Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The directors confirm their compliance with these requirements.

DIRECTORS

The directors who served during the year were:

Mr R.D. Turnbull
Mrs E.L. Turnbull
Mr J.R. Turnbull

Mr J.R. Turnbull resigned as a director on 12th March 2019

The report of the directors has been prepared taking advantage of the small companies' exemption of section 415A of the Companies Act 2006.

On behalf of the board

Mr R.D. Turnbull
Director

These financial statements have been prepared and delivered in accordance with the provisions applicable to companies subject to the small companies regime and the option not to file the profit and loss account has been taken.

For the year ending 31st August 2019 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The directors confirm that the members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

The financial statements were approved and authorised for issue by the Board on 19th March 2020

NOTES TO THE ACCOUNTS

at 31st August 2019

COMPLIANCE WITH ACCOUNTING STANDARDS

The accounts have been prepared in accordance with applicable accounting standards and management have concluded that they show a true and fair view. There were no material departures from those standards.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) General information and basis of preparation

Turnbull Property Development Limited is a private company limited by shares and is incorporated in England within the United Kingdom. The address of the registered office is given below. The registration number can be found on the Statement of Financial Position.

Registered office: c/o Arundales Chartered Accountants
Stowe House
1688 High Street
Knowle
West Midlands
B93 0LY

The principle activity of the company is property development.

The financial statements are presented in sterling which is the functional currency of the company and rounded to the nearest £.

(b) Investment properties

Investment properties for which fair value can be measured reliably without undue cost or effort are measured at fair value at each reporting date with changes in fair value recognised in profit or loss.

The methods and significant assumptions used to ascertain the fair value of £729,106 and fair value movement of £nil included in the profit / loss for the year are as follows:

No depreciation is provided in respect of investment properties and they are revalued annually by the directors.

(c) Plant and equipment

Tangible fixed assets are stated at cost less accumulated depreciation and accumulated impairment losses. Cost includes costs directly attributable to making the asset capable of operating as intended.

Depreciation is provided on all tangible fixed assets, at rates calculated to write off the cost, less estimated residual value, of each asset on a systematic basis over its expected useful life as follows:

Plant and equipment	- 25% reducing balance
Motor vehicle	- 25% reducing balance

(d) Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell.

(e) Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

NOTES TO THE FINANCIAL STATEMENTS **for the year ended 31st August 2019**

(f) Impairment

Assets not measured at fair value are reviewed for any indication that the asset may be impaired at each balance sheet date. If such indication exists, the recoverable amount of the asset, or the asset's cash generating unit, is estimated and compared to the carrying amount. Where the carrying amount exceeds its recoverable amount, an impairment loss is recognised in profit or loss unless the asset is carried at a revalued amount where the impairment loss is a revaluation decrease.

(g) Provisions

Provisions are recognised when the company has an obligation at the balance sheet date as a result of a past event, it is probable that an outflow of economic benefits will be required in settlement and the amount can be reliably estimated.

(h) Tax

Current tax represents the amount of tax payable or receivable in respect of the taxable profit (or loss) for the current or past reporting periods. It is measured at the amount expected to be paid or recovered using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

(i) Turnover

Turnover is measured at the fair value of the consideration received or receivable net of VAT.
