**Notes to the Abbreviated Accounts for the period ended 31 August 2016****1 Accounting Policies****Basis of measurement and preparation of accounts**

The accounts have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities effective April 2008.

**Turnover policy**

Turnover represents the total invoice value, excluding value added tax, of sales made during the year and derives from the provision of goods falling within the company's ordinary activities.

**Tangible assets depreciation policy**

Depreciation is provided at rates calculated to write off the cost less residual value of each asset over its expected useful life, as follows:

Fixtures, fittings and equipment - Straight line over three years

**Other accounting policies**

Provision is made for deferred tax using the liability method to take account of timing differences between the income and expenditure for taxation and accounting purposes except to the extent that the directors consider that liability to taxation unlikely to materialise.
