PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

We continue to encourage involvement in Performing Arts across Gainsborough and the surrounding area by offering a positive outlet for local youth, which include: -

- *Performing Arts Workshops and Classes*
- *Stage and Musical Productions,*
- *Activities that promote teamwork.*
- *In helping build self-confidence,*

All members are offered a positive experience and continue to be encouraged to get involved in all the activities offered, without discrimination. Where individual strengths are identified we nurture those strengths whilst addressing any weaknesses also. Members are pro-active; putting suggestions and ideas forward for new classes, workshops and events at Committee meetings.

Post pandemic, as an organisation we have been busier than ever returning to live performances across all local venues, developing new partnerships, and supporting one another, as we return to the performance arts and live performance.

We continue to offer the Arts Award and support the delivery of ASDAN qualifications.

All of our activities support the community, develop the skills of young people and offer mentoring and volunteering opportunities also.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

Our club focuses on the community and participants involved in all our activities, whilst also having a particular focus on children and young people aged 5 to adult, and in offering volunteering opportunities for adults. We are situated in the most deprived ward of our town where the community needs support and to be provided with activities that are truly 'all inclusive'.

We actively involve all members in the decisions we make, whilst also gaining feedback from young people and their parents and carers in all activities and events that we produce and organise.

This period we have also began working with all local community businesses, local churches, Disability Network and Mental Health Partnership to organise and deliver warm spaces, social activities and community days this will continue to grow as we move forward.
