- (f) The singular includes the plural and vice versa.

5.2 Priority of floating charge

The floating charge created by clause 5.1 above shall be deferred in point of priority to all fixed security validly and effectively created by the Chargors under this Deed or the other Transaction Documents in favour of the Trustee as trustee for the Secured Parties as continuing Security for the Secured Obligations.

6.4 Partial conversion

The giving of a notice by the Trustee pursuant to clause 6.1 (*Conversion by notice*) in relation to any asset or class of assets of any Chargor shall not be construed as a waiver or abandonment of the rights of the Trustee to serve similar notices in respect of any other asset or class of assets or of any other right of the Trustee and/or the other Secured Parties.

7 Continuing security

7.1 Continuing security

The Debenture Security is continuing and will extend to the ultimate balance of the Secured Obligations regardless of any intermediate payment or discharge in whole or in part. For the purposes of all rights and powers implied by statute, the Secured Obligations are deemed to have become due and payable on the date of this Deed. Sections 93 and 103 of the Act shall not apply to the Debenture Security.

16.2 Powers of leasing

The statutory powers of leasing conferred on the Trustee are extended so as to authorise the Trustee to lease, make agreements for leases, accept surrenders of leases and grant options as the Trustee may think fit and without the need to comply with section 99 or 100 of the Act.

16.3 Powers of Trustee

- (a) At any time while the Debenture Security is enforceable (or if so requested by any Chargor by written notice at any time), the Trustee may without further notice (unless required by law):
 - (i) appoint any person (or persons) to be a receiver, receiver and manager or administrative receiver of all or any part of the Charged Property and/or of the income of the Charged Property; and/or
 - (ii) appoint or apply for the appointment of any person who is appropriately qualified as administrator of a Chargor; and/or
 - (iii) exercise all or any of the powers conferred on mortgagees by the Act (as amended or extended by this Deed) and/or all or any of the powers which are conferred by this Deed on a Receiver, in each case without first appointing a Receiver or notwithstanding the appointment of any Receiver.
- (b) The Trustee is not entitled to appoint a Receiver in respect of any Charged Property of any Chargor which are subject to a charge which (as created) was a floating charge solely by reason of a moratorium being obtained under the Part A1 of the Insolvency Act 1986 (or anything done with a view to obtaining such a moratorium, including any preliminary decision or investigation) in respect of such Chargor, unless the floating charge falls within any of the categories described in section A52(4) of the Insolvency Act 1986.

16.4 Redemption of prior mortgages

- (a) At any time while the Debenture Security has become enforceable, the Trustee may:
 - (i) redeem any prior Security Interest against any Charged Property; and/or
 - (ii) procure the transfer of that Security Interest to itself; and/or
 - (iii) settle and pass the accounts of the holder of any prior Security Interest and any accounts so settled and passed shall be conclusive and binding on each Chargor.

- (b) All principal, interest, costs, charges and expenses of and incidental to any such redemption and/or transfer shall be paid by the relevant Chargor to the Trustee on demand.

16.5 Privileges

- (a) Each Receiver and the Trustee is entitled to all the rights, powers, privileges and immunities conferred by the Act on mortgagees and receivers when such receivers have been duly appointed under the Act, except that section 103 of the Act does not apply.
- (b) To the extent that the Charged Property constitute "*financial collateral*" and this Deed and the obligations of the Chargors under this Deed constitute a "*security financial collateral arrangement*" (in each case for the purpose of and as defined in the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No. 3226)) each Receiver and the Trustee shall have the right after the Debenture Security has become enforceable to appropriate all or any part of that financial collateral in or towards the satisfaction of the Secured Obligations.
- (c) For the purpose of clause 16.5(b), the value of the financial collateral appropriated shall be such amount as the Receiver or Trustee reasonably determines having taken into account advice obtained by it from an independent investment or accountancy firm of national standing selected by it.

16.6 No liability

- (a) Neither the Trustee nor any Receiver or Delegate shall be liable (A) in respect of all or any part of the Charged Property or (B) for any loss or damage which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise any of, its or his respective powers (unless such loss or damage is caused by its or his gross negligence or wilful misconduct).
- (b) Without prejudice to the generality of clause 16.6(a), neither the Trustee nor any Receiver or Delegate shall be liable, by reason of entering into possession of a Charged Property, to account as mortgagee in possession or for any loss on realisation or for any default or omission for which a mortgagee in possession might be liable.

16.7 Protection of third parties

No person (including a purchaser) dealing with the Trustee or any Receiver or Delegate will be concerned to enquire:

- (a) whether the Secured Obligations have become payable;
- (b) whether any power which the Trustee or the Receiver is purporting to exercise has become exercisable;
- (c) whether any money remains due under any Transaction Document; or
- (d) how any money paid to the Trustee or to the Receiver is to be applied.

17 Receiver

17.1 Removal and replacement

The Trustee may from time to time remove any Receiver appointed by it (subject, in the case of an administrative receivership, to section 45 of the Insolvency Act 1986) and, whenever it

may deem appropriate, may appoint a new Receiver in the place of any Receiver whose appointment has terminated.

17.2 Multiple Receivers

If at any time there is more than one Receiver of all or any part of the Charged Property and/or the income of the Charged Property, each Receiver shall have power to act individually (unless otherwise stated in the appointment document).

17.3 Remuneration

Any Receiver shall be entitled to remuneration for his services at a rate to be fixed by agreement between him and the Trustee (or, failing such agreement, to be fixed by the Trustee).

17.4 Payment by Receiver

Only monies actually paid by a Receiver to the Trustee in relation to the Secured Obligations shall be capable of being applied by the Trustee in discharge of the Secured Obligations.

17.5 Agent of Chargors

Any Receiver shall be the agent of the relevant Chargor in respect of which it is appointed. Such Chargor shall (subject to the Companies Act 2006 and the Insolvency Act 1986) be solely responsible for his acts and defaults and for the payment of his remuneration. The Trustee shall not incur any liability (either to such Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

18 Powers of Receiver

18.1 General powers

Any Receiver shall have:

- (a) all the powers which are conferred on the Trustee by clause 16.3 (*Powers of Trustee*);
- (b) all the powers which are conferred by the Act on mortgagees in possession and receivers appointed under the Act;
- (c) (whether or not he is an administrative receiver) all the powers which are listed in Schedule 1 of the Insolvency Act 1986; and
- (d) all powers which are conferred by any other law conferring power on receivers.

18.2 Additional powers

In addition to the powers referred to in clause 18.1 (*General powers*), a Receiver shall have the following powers:

- (a) to take possession of, collect and get in all or any part of the Charged Property and/or income in respect of which he was appointed;
- (b) to manage the Charged Property and the business of any Chargor as he thinks fit;
- (c) to redeem any Security and to borrow or raise any money and secure the payment of any money in priority to the Secured Obligations for the purpose of the exercise of his powers and/or defraying any costs or liabilities incurred by him in such exercise;

- (d) to sell or concur in selling, leasing or otherwise disposing of all or any part of the Charged Property in respect of which he was appointed without the need to observe the restrictions imposed by section 103 of the Act, and, without limitation;
 - (i) the consideration for any such transaction may consist of cash, debentures or other obligations, shares, stock or other valuable consideration (and the amount of such consideration may be dependent upon profit or turnover or be determined by a third party); and
 - (ii) any such consideration may be payable in a lump sum or by instalments spread over such period as he thinks fit;
- (e) to alter, improve, develop, complete, construct, modify, refurbish or repair any building or land and to complete or undertake or concur in the completion or undertaking (with or without modification) of any project in which any Chargor was concerned or interested before his appointment (being a project for the alteration, improvement, development, completion, construction, modification, refurbishment or repair of any building or land);
- (f) to carry out any sale, lease or other disposal of all or any part of the Charged Property by conveying, transferring, assigning or leasing the same in the name of the relevant Chargor and, for that purpose, to enter into covenants and other contractual obligations in the name of, and so as to bind, such Chargor;
- (g) to take any such proceedings (in the name of any of the relevant Chargors or otherwise) as he shall think fit in respect of the Charged Property and/or income in respect of which he was appointed (including proceedings for recovery of rent or other monies in arrears at the date of his appointment);
- (h) to enter into or make any such agreement, arrangement or compromise as he shall think fit;
- (i) to insure, and to renew any insurances in respect of, the Charged Property as he shall think fit (or as the Trustee shall direct);
- (j) to appoint and employ such managers, officers and workmen and engage such professional advisers as he shall think fit (including, without prejudice to the generality of the foregoing power, to employ his partners and firm);
- (k) to form one or more subsidiaries of any Chargor and to transfer to any such subsidiary all or any part of the Charged Property;
- (l) to:
 - (i) give valid receipts for all monies and to do all such other things as may seem to him to be incidental or conducive to any other power vested in him or necessary or desirable for the realisation of any Charged Property;
 - (ii) exercise in relation to each Charged Property all such powers and rights as he would be capable of exercising if he were the absolute beneficial owner of the Charged Property; and
 - (iii) use the name of any Chargor for any of the above purposes; and
- (m) to do all such other acts and things as he may in his discretion consider to be incidental or conducive to any of the matters or powers set out in this Deed or otherwise incidental or conducive to the preservation, improvement or realisation of the Charged Property.

19 Application of proceeds

19.1 Application

All monies received by the Trustee or any Receiver after the Debenture Security has become enforceable shall (subject to the rights and claims of any person having a security ranking in priority to the Debenture Security) be applied in the following order:

- (a) **first**, in satisfaction of, or provision for, all costs, charges and expenses incurred, and payments made, by the Trustee or any Receiver or Delegate and of all remuneration due to the Receiver in connection with this Deed or the Charged Property;
- (b) **secondly**, in or towards satisfaction of the remaining Secured Obligations in accordance with clause 19.3 (*Appropriation and suspense account*); and
- (c) **thirdly**, in payment of any surplus to any Chargor or other person entitled to it.

19.2 Contingencies

If the Debenture Security is enforced at a time when no amounts are due under the Transaction Documents (but at a time when amounts may become so due), the Trustee or a Receiver may pay the proceeds of any recoveries effected by it into a blocked suspense account (bearing interest at such rate (if any) as the Trustee usually grants for accounts of that size and nature).

19.3 Appropriation and suspense account

- (a) Subject to clause 19.1 (*Application*), the Trustee shall apply all payments received in respect of the Secured Obligations in reduction of any part of the Secured Obligations in any order or manner which it may determine, provided, however, that any such payments in respect of amounts due on the Notes will be made in accordance with the priorities set forth in the Indenture.
- (b) Any such appropriation shall override any appropriation by any Chargor.
- (c) All monies received, recovered or realised by the Trustee under or in connection with this Deed may at the discretion of the Trustee be credited to a separate interest-bearing suspense account for so long as the Trustee determines (with interest accruing thereon at such rate (if any) as the Trustee usually grants for accounts of that size and nature) without the Trustee having any obligation to apply such monies and interest or any part of it in or towards the discharge of any of the Secured Obligations unless such monies would be sufficient to discharge all Secured Obligations in full.

20 Set-off

While an Event of Default is continuing, the Trustee may set off any matured obligation due from a Chargor under the Transaction Documents against any matured obligation owed by the Trustee to such Chargor, regardless of the place of payment, booking branch or currency of either obligation. If the obligations are in different currencies, the Trustee may convert either obligation at a market rate of exchange in its usual course of business for the purpose of the set-off.

21 Delegation

Each of the Trustee and any Receiver may delegate, by power of attorney (or in any other manner) to any person, any right, power or discretion exercisable by them under this Deed

upon any terms (including power to sub-delegate) which it may think fit. Neither the Trustee nor any Receiver shall be in any way liable or responsible to any Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

22 Further assurances

- (a) Each Chargor shall at its own expense, promptly do all such acts and execute all such documents (including assignments, transfers, mortgages, charges, notices and instructions) as the Trustee or a Receiver may reasonably specify (and in such form as the Trustee or a Receiver may reasonably require) in favour of the Trustee, a Receiver or its nominees in order to:
- (i) perfect the Security created or intended to be created under or evidenced by this Deed or for the exercise of any rights, powers and remedies exercisable by the Trustee or any Receiver or any Delegate in respect of any Charged Property or provided by or pursuant to this Deed or by law; and/or
 - (ii) confer on the Trustee, any Receiver or the Secured Parties Security over any property and assets of that Chargor located in any jurisdiction equivalent or similar to the Security intended to be conferred by or pursuant to this Deed; and/or
 - (iii) following the occurrence of an Event of Default which is continuing, facilitate the realisation of the assets which are, or are intended to be, the subject of the Debenture Security.

23 Power of attorney

Each Chargor, by way of security, irrevocably and severally appoints the Trustee, each Receiver and any Delegate to be its attorney to take any action whilst an Event of Default is continuing or the Debenture Security has become enforceable which such Chargor is obliged to take under this Deed, including under clause 21 (*Delegation*). Each Chargor ratifies and confirms whatever any attorney does or purports to do pursuant to its appointment under this clause.

24 Currency conversion

All monies received or held by the Trustee or any Receiver under this Deed may be converted from their existing currency into such other currency as the Trustee or the Receiver considers necessary or desirable to cover the obligations and liabilities comprised in the Secured Obligations in that other currency at the Trustee's spot rate of exchange for the purchase of the relevant currency in the London foreign exchange market on the relevant day. Each Chargor shall indemnify the Trustee against all costs, charges and expenses incurred in relation to such conversion. Neither the Trustee nor any Receiver shall have any liability to any Chargor in respect of any loss resulting from any fluctuation in exchange rates after any such conversion.

25 Changes to the parties

25.1 Chargors

No Chargor may assign any of its rights or obligations under this Deed.

25.2 Trustee

The Trustee may assign or transfer all or any part of its rights under this Deed pursuant to the resignation or removal of the Trustee in accordance with the Indenture. Each Chargor shall,

promptly after being requested to do so by the Trustee, enter into such documents as may be necessary or desirable to effect such assignment or transfer.

25.3 Accession Deed

Each Chargor:

- (a) consents to new Securitization Entities becoming Chargors as contemplated by the Transaction Documents; and
- (b) irrevocably authorises Concord Copyrights Limited to agree to and sign any duly completed Accession Deed as agent and attorney for and on behalf of such Chargor.

26 Miscellaneous

26.1 New accounts

- (a) If the Trustee receives, or is deemed to be affected by, notice, whether actual or constructive, of any subsequent Security Interest which is prohibited by the Indenture affecting any Charged Property and/or the proceeds of sale of any Charged Property or any guarantee under the Transaction Documents ceases to continue in force, it may open a new account or accounts for any Chargor. If it does not open a new account, it shall nevertheless be treated as if it had done so at the time when it received or was deemed to have received such notice.
- (b) As from that time all payments made to the Trustee will be credited or be treated as having been credited to the new account and will not operate to reduce any amount of the Secured Obligations.

26.2 Tacking

- (a) Each Secured Party shall perform its obligations under the Transaction Documents (including any obligation to make available further advances).
- (b) This Deed secures advances already made and further advances to be made.

26.3 Protective clauses

Each Chargor is deemed to be a principal debtor in relation to this Deed. The obligations of each Chargor under, and the security intended to be created by, this Deed shall not be impaired by any forbearance, neglect, indulgence, extension or time, release, surrender or loss of securities, dealing, amendment or arrangement by the Trustee which would otherwise have reduced, released or prejudiced this Debenture Security or any surety liability of a Chargor (whether or not known to it or to the Trustee).

26.4 Waiver of Defences

The obligations of each Chargor under this Deed and the Collateral Rights will not be affected by an act, omission, matter or thing which, but for this clause, would reduce, release or prejudice any of its obligations under this Deed (without limitation and whether or not known to it or the Trustee) including:

- (a) any time, waiver or consent granted to, or composition with, any Securitization Entity or other person;
- (b) the release of any other Securitization Entity or any other person under the terms of any composition or arrangement with any creditor of any member of the Securitization Entity's group;

- (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over assets of, any Securitization Entity or other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any security;
- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of any Securitization Entity or any other person;
- (e) any amendment, novation, supplement, extension (whether of maturity or otherwise), restatement (in each case however fundamental and of whatsoever nature and whether or not more onerous) or replacement of a Transaction Document or any other document, security or of the Secured Obligations including, without limitation, any change in the purpose of, any extension of or increase in any facility or the addition of any new facility under any Transaction Document or other document or Security;
- (f) any unenforceability, illegality or invalidity of any obligation of any person under any Transaction Document or any other document, or security or of the Secured Obligations; or
- (g) any insolvency or similar proceedings.

27 Notices

Any notices given under or in connection with this Deed shall be effected in the manner provided for in the Indenture, provided that any such notice, request or demand to or upon a Chargor shall be addressed to such Chargor at its notice address set forth on its signature page to this Deed.

28 Calculations and certificates

Any certificate of or determination by the Trustee specifying the amount of any Secured Obligation due from the Chargors (including details of any relevant calculation thereof) is, in the absence of manifest error, conclusive evidence against the Chargors of the matters to which it relates.

29 Partial invalidity

All the provisions of this Deed are severable and distinct from one another and if at any time any provision is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of any of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

30 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Trustee, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise, or the exercise of any other right or remedy. The rights and remedies provided are cumulative and not exclusive of any rights or remedies provided by law.

31 Amendments and waivers

Any provision of this Deed may be amended only if the Trustee and the Chargors so agree in writing and any breach of this Deed may be waived before or after it occurs only if the Trustee

so agrees in writing. A waiver given or consent granted by the Trustee under this Deed will be effective only if given in writing and then only in the instance and for the purpose for which it is given.

32 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures (and seals, if any) on the counterparts were on a single copy of this Deed.

33 Release

33.1 Release

Upon the expiry of the Security Period (but not otherwise) the Trustee shall, at the request and cost of the Chargors, take whatever action is necessary to release or re-assign (without recourse or warranty) the Charged Property from the Debenture Security.

33.2 Reinstatement

Where any discharge (whether in respect of the obligations of any Chargor or any security for those obligations or otherwise) is made in whole or in part or any arrangement is made on the faith of any payment, security or other disposition which is avoided or must be restored on insolvency, liquidation or otherwise (without limitation), the liability of the Chargors under this Deed shall continue as if the discharge or arrangement had not occurred. The Trustee may concede or compromise any claim that any payment, security or other disposition is liable to avoidance or restoration.

34 Governing law

This Deed and any non-contractual obligations arising out of or in connection with it shall be governed by English law.

35 Enforcement and Jurisdiction

- (a) The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a **Dispute**).
- (b) The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- (c) This clause 35 is for the benefit of the Trustee only. As a result, the Trustee shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Trustee may take concurrent proceedings in any number of jurisdictions.

IN WITNESS of which this Deed has been duly executed by each Chargor as a deed and duly executed by the Trustee and has been delivered on the first date specified on page 1 of this Deed by each Chargor.
