In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

LOGSON HOLDINGS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017

1. General Information

The principal activity of the company during the year was that of a non trading holding company.

The company is a private company limited by shares and is incorporated and domiciled in the United Kingdom. The address of the registered office is Fourth Floor, 48 Gracechurch Street, London, England, EC3V 0EJ.

2. Statement of Compliance

The financial statements of Logson Holdings Limited have been prepared in compliance with United Kingdom Accounting Standards, including Financial Reporting Standard 102, "The Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland" ("FRS 102") and the Companies Act 2006.

3. Statement of significant accounting policies

3.1 Basis of preparation of financial statements

The financial statements have been prepared on a going concern basis, under the historical costs convention and in accordance with Financial Reporting Standard 102, the Financial Reporting Standard applicable in the United Kingdom and the Republic of Ireland and the Companies Act 2006.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in applying the company's accounting policies.

The following principal accounting policies have been consistently applied:

3.2 Exemptions for qualifying entities under FRS 102

FRS 102 allows a qualifying entity certain disclosure exemptions, subject to certain conditions, which have been complied with, including notification of, and no objection to, the use of exemptions by the company's shareholders.

The company has taken advantage of the following exemptions:

- The company has taken advantage of the exemption under FRS 102 paragraph 1.12(b) from preparing a statement of cash flows, on the basis that it is a qualifying entity and its parent company, W. & R. Barnett, Limited, includes the company's cash flows in its own consolidated financial statements;
- from the financial instrument disclosures, required under FRS 102 paragraphs 11.39 to 11.48A and paragraphs 12.26 to 12.29, as the information is provided in the consolidated financial statement disclosures;
- from disclosing the company key management personnel compensation, as required by FRS 102 paragraph 33.7; and
- disclosure of transactions and balances with wholly owned group companies under FRS 102 paragraph 33.1A, as all of the voting rights are controlled within the group.

LOGSON HOLDINGS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017 (CONTINUED)

3. Statement of significant accounting policies *(continued)*

3.3 Consolidation

These financial statements contain information about the company as an individual company and do not contain consolidated financial information as the parent undertaking of a group. The company is exempt under Section 400 of the Companies Act 2006 from the requirement to prepare consolidated financial statements as it and its subsidiary undertakings are included by full consolidation in the consolidated statements of W. & R. Barnett, Limited, a company registered in Northern Ireland.

3.4 Investments

Investments in subsidiaries are measured at cost less accumulated impairment. Where merger relief is applicable, the cost of the investment in a subsidiary undertaking is measured at the nominal value of the shares issued together with the fair value of any additional consideration paid.

3.5 Financial instruments

The company only enters into basic financial instruments transactions that result in the recognition of financial assets and liabilities such as trade and other debtors, trade and other creditors, discounting and amounts owed by/to group undertakings.

Debt instruments (other than those wholly repayable or receivable within one year), including loans and other accounts receivable and payable, are initially measured at present value of the future cash flows and subsequently at amortised cost using the effective interest method. Debt instruments that are payable or receivable within one year, typically trade payables or receivables, are measured, initially and subsequently, at the undiscounted amount of the cash or other consideration, expected to be paid or received. However if the arrangements of a short-term instrument constitute a financing transaction, like the payment of a trade debt deferred beyond normal business terms or financed at a rate of interest that is not a market rate or in case of an out-right short-term loan not at market rate, the financial asset or liability is measured, initially, at the present value of the future cash flow discounted at a market rate of interest for a similar debt instrument and subsequently at amortised cost.

Financial assets that are measured at cost and amortised cost are assessed at the end of each reporting year for objective evidence of impairment. If objective evidence of impairment is found, an impairment loss is recognised in the Statement of comprehensive income.

For financial assets measured at amortised cost, the impairment loss is measured as the difference between an asset's carrying amount and the present value of estimated cash flows discounted at the asset's original effective interest rate. If a financial asset has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate determined under the contract.

Financial assets and liabilities are offset and the net amount reported in the Balance sheet when there is an enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

LOGSON HOLDINGS LIMITED
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2017 (CONTINUED)

3. Statement of significant accounting policies *(continued)*

3.6 Share capital

3.7 Distribution to equity holders

Dividends and other distributions to the company's shareholders are recognised as a liability in the financial statements in the year in which the dividends and other distributions are approved by the company's shareholders. These amounts are recognised in the Statement of changes in equity.

4. Critical judgements and estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

(a) Critical judgements in applying the company's accounting policies

There are no critical judgements in applying the entity's accounting policies.

(b) Critical accounting estimates and assumptions

There are no critical accounting estimates and assumptions
