## DIRECTORS' REPORT

### FOR THE YEAR ENDED 30 APRIL 2023

The directors present their Directors' report and financial statements for the year ended 30 April 2023.

#### Principal activities

The principal activity of the company continued to be that of property investment.

#### Results and dividends

The results for the year are set out on page 2.

No ordinary dividends were paid. The directors do not recommend payment of a final dividend.

#### Directors

The directors who held office during the year and up to the date of approval of the financial statements were as follows:

A A Adegoke

A P O Dick

#### Qualifying third party indemnity provisions

Frasers Group plc has granted the directors of the company with Qualifying Third Party Indemnity provisions within the meaning given to the term by Sections 234 and 235 of the Companies Act 2006. This is in respect of liabilities to which they may become liable in their capacity as director of the company and of any company within the group. Such indemnities were in force throughout the financial year and will remain in force.

#### Statement of directors' responsibilities

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations. Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## NOTES TO THE FINANCIAL STATEMENTS

### FOR THE YEAR ENDED 30 APRIL 2023

---

#### 1 Accounting policies

##### Company information

SDI (East Ham) Limited is a private company limited by shares incorporated in England and Wales. The registered office is Unit A, Brook Park East, Shirebrook, Mansfield, NG20 8RY. The company's principal activities and nature of its operations are disclosed in the directors' report.

##### 1.1 Accounting convention

The financial statements have been prepared under the historical cost convention, in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest £. These financial statements cover the 52 weeks ended 30 April 2023 (2022: 52 weeks ended 30 April 2022).

As permitted by FRS 101 the company has taken advantage of the disclosure exemptions available under that standard in relation to presenting comparative information in respect of tangible assets, financial instruments, capital management, presentation of a cash flow statement, standards not yet effective and related party transactions with other wholly-owned members of the group.

Where required, equivalent disclosures are given in the group accounts of Frasers Group plc. The group accounts of Frasers Group plc are available to the public and can be obtained as set out in note 13.

The principal accounting policies adopted are set out below.

##### 1.2 Going concern

At the period end the company had a deficit of £1,471,392. The deficit is funded by loans from other group companies which will not be called for repayment unless cash flow permits for a minimum period of 12 months from the approval of these financial statements. The directors consider with parent company support that it is appropriate for the accounts to be prepared on a going concern basis.

##### 1.3 Revenue

Revenue represents amounts receivable for rents and charges, net of VAT. Rental income arising from operating leases on investment properties is recognised on a straight line basis over the term of the lease.

##### 1.4 Investment properties

Investment property is property held to earn rentals or for capital appreciation or both. In accordance with the option offered by IAS 40, investment properties are accounted for at cost less depreciation and any impairment.

Cost includes expenditure that is directly attributable to the acquisition or construction of the asset. Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the company and the costs can be measured reliably.

All other costs, including repairs and maintenance costs, are charged to the statement of comprehensive income in the period in which they are incurred.

Depreciation is provided on investment property, other than freehold land and is calculated on a straight line basis to allocate cost less assessed residual value, other than assets in the course of construction, over the estimated useful lives, as follows:

Investment property	15 years straight line
---------------------	------------------------

#### **1 Accounting policies**

(Continued)

##### **1.5 Fair value measurement**

IFRS 13 establishes a single source of guidance for all fair value measurements. IFRS 13 does not change when an entity is required to use fair value, but rather provides guidance on how to measure fair value under IFRS when fair value is required or permitted. The company is exempt under FRS 101 from the disclosure requirements of IFRS 13. There was no impact on the company from the adoption of IFRS 13.

##### **1.6 Financial assets**

###### ***Trade and other receivables***

Other receivables are recognised and carried at the lower of their original invoiced value and recoverable amount. Where the time value of money is material, receivables are carried at amortised cost.

##### **1.7 Financial liabilities**

###### ***Trade and other payables***

Trade and other payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest method.

##### **1.8 Taxation**

The tax expense represents the sum of the current tax expense.

###### ***Current tax***

Current tax is based on taxable profit for the year. Taxable profit differs from net profit as reported in the statement of comprehensive income because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

#### **2 Critical accounting estimates and judgements**

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined below.

##### **Critical judgements**

##### **Impairment of non-current assets**

The directors assess the impairment of tangible assets subject to amortisation or depreciation whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors considered important that could trigger an impairment review include the following:

- Significant underperformance relative to historical or projected future operating results;
- Significant changes in the manner of the use of the acquired assets or strategy for the overall business; and
- Significant negative industry or economic trends.

##### **Taxation**

Management judgement is required to estimate the availability and allocation of tax losses within the group, based upon the level of taxable profits across the group.
