- (a) with the terms of the trust instrument and in particular with the powers of the trustees;

10. PRE-EMPTION RIGHTS

Transfer Notices and Sale Price

- 10.1 Except where otherwise provided in these articles (including under articles 9, 11.3 and 12), every Shareholder who desires to transfer any interest in shares ("Seller") must serve a Transfer Notice and any Shareholder who is required by these articles to transfer any interest in shares will be deemed to have served a Deemed Transfer Notice.
- 10.2 Transfer Notices and Deemed Transfer Notices shall constitute the Company the Seller's agent for the sale of the Sale Shares in one or more lots at the discretion of the Directors at the price agreed by the Seller and the Directors (the "Sale Price"). If the Seller and the Directors are unable to agree a price within 21 days of the Transfer Notice being given or being deemed to have been given, the Sale Price will instead be the price which the Independent Expert shall certify to be in his opinion a fair value of the Sale Shares ("Fair Value"). In arriving at his opinion the Independent Expert will value the Sale Shares as at the date the Transfer Notice is given, or is deemed to have been given, on a going concern basis as between a willing seller and a willing buyer, ignoring any reduction in value which may be ascribed to the Sale Shares by virtue of the fact that they represent a minority interest and on the assumption that the Sale Shares are capable of transfer without restriction. The decision

of the Independent Expert as to the Sale Price shall, save in the case of manifest error, be final and binding

Right of Seller to reject partial sales

- 10.3 A Transfer Notice (but not a Deemed Transfer Notice) may contain a condition (a "Total Transfer Condition") that unless all the Sale Shares are sold by the Company pursuant to this article none shall be sold Any such provision shall be binding on the Company.

Certification of the Sale Price and right of Seller to cancel

- 10.4 If the Independent Expert is asked to certify the fair value his certificate shall be delivered to the Company. As soon as the Company receives the certificate it shall deliver a copy of it to the Seller. The Seller shall be entitled by notice in writing given to the Company within 7 days of the service upon him of the copy certificate to cancel the Company's authority to sell the Sale Shares unless the shares are to be sold pursuant to a Deemed Transfer Notice The cost of obtaining the certificate shall be paid by the Company unless the Seller cancels the Company's authority to sell the Sale Shares in which case the Seller shall bear the cost

Pre-emptive offers-general

- 10.5 Once the Sale Price has been agreed or determined (as the case may be) then, unless the Seller has given a valid notice of cancellation pursuant to article 10 4, the Sale Shares shall be offered for sale in accordance with the following provisions of this article

Offer to Shareholders

- 10.6 As soon as the Sale Shares become available they shall forthwith be offered for sale by the Company giving notice in writing to that effect to all Shareholders (other than the Seller) The notice shall specify

- (a) the number of Sale Shares on offer and the Sale Price;
- (b) whether the Sale Shares are subject to a Total Transfer Condition;
- (c) the date by which the application to purchase the Sale Shares has to be received by the Company (being a date no less than 14 days and no more than 21 days after the date of the notice).

- 10.7 The notice shall set out the method of allocation of the Sale Shares and shall invite each Shareholder to apply in writing to the Company for as many of the Sale Shares (if any) as that Shareholder would like to purchase.

Basis of allocation to Shareholders

- 10 8 The Sale Shares shall be allocated by the Directors in satisfaction of the applications received in accordance with the procedure set out in this article

- 10.9 If the total number of Sale Shares applied for by the Shareholders is equal to or less than the number of Sale Shares available, the Sale Shares shall be allocated in satisfaction of the applications received
- 10.10 If the total number of Sale Shares applied for is more than the number of Sale Shares available, the Directors shall allocate Sale Shares in satisfaction of each Shareholder's application for Sale Shares in accordance with the following formula. This formula shall be applied repeatedly until such time as there are no Sale Shares remaining to be allocated. Each application of the formula is herein referred to as an "iteration"

$$A = \frac{B}{C} \times D$$

- A** is the number of Sale Shares to be allocated to the relevant Shareholder in the iteration
- B** is the number of shares held by the Shareholder.
- C** is the number of shares held by all Shareholders to whom the iteration is being applied.
- D** is the number of Sale Shares or, after the first iteration, the number of Sale Shares remaining unallocated by previous iterations.
- 10.11 If, in any iteration, a Shareholder would be allocated all or more than all of the Sale Shares for which he applied (including allocations from previous iterations) then any excess will not be allocated to that Shareholder. That Shareholder will cease to take part in any further iterations and the excess Sale Shares will be available for allocation in the next iteration.
- 10.12 The Company shall notify the Seller and each Shareholder who applied for Sale Shares ("Transferee") of the number of Sale Shares that have been allocated and the persons to whom they have been allocated. The notification shall include the place and time (being not later than 14 days after the date by which applications had to be received) at which the sale of the Sale Shares shall be completed

Transfer procedure for pre-emptive offers

- 10.13 Subject to article 10.3, if the Company finds a purchaser or purchasers for all or any of the Sale Shares under the terms of this article the Seller shall be bound, upon receipt of the Sale Price, to transfer the Sale Shares (or such of the same for which the Company shall have found a purchaser or purchasers) to such persons. If the Seller defaults in transferring Sale Shares the Company shall, if so required by the person or persons willing to purchase such Sale Shares, receive and give a good discharge for the purchase money on behalf of the Seller and shall authorise some person to execute transfers of the Sale Shares in favour of the purchasers and shall enter the names of the purchasers in the Register of Shareholders as the holder of such of the Sale Shares as have been transferred to them.

Transfers of excess Sale Shares

10.14 If, following the Company's notification of the allocation of the Sale Shares as referred to in article 10.12, any of the Sale Shares have not been allocated, the Seller may (subject to the provisions of article 12) at any time within a period of eight weeks transfer the Sale Shares which have not been allocated (or, where the Transfer Notice contains a Total Transfer Condition and such condition has not been satisfied, all of the Sale Shares) to any person approved by the Directors and at any price (being not less than the Sale Price or deemed Sale Price as the case may be) provided that the Directors:

- (a) may refuse approval if the Board reasonably considers (acting at their absolute discretion) that the transferee is a person (or a nominee for a person), who is a competitor with the business of the Company or any member of its Group, or
- (b) may require to be satisfied that those shares are being transferred under a *bona fide* sale for the consideration stated in the transfer without any deduction, rebate or allowance to the purchaser or purchasers and, if not so satisfied, may refuse to register the instrument of transfer,

(without prejudice, however, to the Directors' obligation to refuse to approve or register any transfer of shares in the circumstances described in article 8).

10.15 An offer of Sale Shares made to IP2IPO and/or IP2IPO Nominees pursuant to article 10 shall, as directed by the relevant party, entitle either:

- (a) IP2IPO
- (b) IP2IPO Nominees, and/or
- (c) any of their Permitted Transferees at the time at which the offer is made under article 10,

to purchase such Sale Shares

Effect of non-compliance

 - (c) the Sale Shares shall be sold together with all rights attaching thereto as at the date of the Transfer Event, including the right to any dividend declared or payable on those Shares after that date
- 11.4 Between the date of the Deemed Transfer Notice and the transfer of the Relevant Member's shares, all voting rights attaching to such shares shall be suspended
- 11.5 In the event the Founder becomes a Good Leaver, she (and any of her permitted transferees under article 9 whom have acquired shares from her (whether directly or by a means of a series of two or more transfers) may retain her and their shares subject to the terms of these articles. under article 9 who have acquired shares from him (whether directly or by means of a series of two or more transfers)) may retain his and their shares subject to the terms of these articles including, without limitation, article 11.10

Disenfranchisement of retained shares
