C A Rotsey (appointed 11 August 2022, resigned 1 July 2023)

B Hindmarch (appointed 11 August 2022, resigned 1 July 2023)

N Townson (appointed 11 August 2022, resigned 1 July 2023)

E Noguera (appointed 11 August 2022)

J Emly (appointed 11 August 2022)

J Witt (appointed 29 September 2022, resigned 1 July 2023)

N Taylor (appointed 1 July 2023)

M Chivers (appointed 1 July 2023)

J Witt (appointed 1 July 2023)

## Qualifying third party indemnity provisions

The directors of the company with Qualifying Third-Party Indemnity provisions within the meaning given to the term by Sections 234 and 235 of the Companies Act 2006. This is in respect of liabilities to which they may become liable in their capacity as director of the company and of any company within the group. Such indemnities were in force throughout the financial year and will remain in force.

## **DIRECTORS' REPORT**

## FOR THE PERIOD ENDED 30 SEPTEMBER 2022

## Statement of directors' responsibilities

The Directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations. Company law requires the Directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with United Kingdom Accounting Standards and applicable laws (United Kingdom Generally Accepted Accounting Practice), including FRS 101 Reduced Disclosure Framework.

Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the company for that year. In preparing these financial statements, the Directors are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements:
- assess the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern;
- · use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the Company and to prevent and detect fraud and other irregularities.

## Environmental matters

The Company will seek to minimise adverse impacts on the environment from its activities, whilst continuing to address health, safety and economic issues. The Company has complied with all applicable legislation and regulations.

## Small companies note

The Company has taken advantage of the exemption provided for under section 414(B) of the Companies Act 2006 and has not produced a Strategic Report.

On behalf of the board

Nicolas G. Taylor

# NOTES TO THE FINANCIAL STATEMENTS FOR THE PERIOD ENDED 30 SEPTEMBER 2022

## Accounting policies

## Company information

SDI (Glasgow Fort) Limited is a private company limited by shares incorporated in England and Wales. The registered office is 8 Sackville Street, London, W1S 3DG, England. The company's principal activities and nature of its operations are disclosed in the directors' report.

# 1.1. Accounting convention

The financial statements have been prepared under the historical cost convention, in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework (FRS 101) and the requirements of the Companies Act 2006.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest E. These financial statements cover the period from 29 April 2021 to 30 September 2022 (2021: year ended 28 April 2021).

As permitted by FRS 101 the company has taken advantage of that disclosure exemptions available under that standard in relation to presenting comparative information in respect of tangible assets, financial instruments, capital management, presentation of a cash flow statement, standards not yet effective and related party transactions with other wholly-owned members of the group.

The principal accounting policies adopted are set out below.

## 1.2. Going concern

At the time of approving the financial statements, the directors have reasonable expectation that the company has adequate resources to continue in operational existence for the foreseeable future. Thus the directors continue to adopt the going concern basis of accounting in preparing the financial statements.

## 1.3. Revenue

Revenue represents amounts receivable for rents and charges, net of VAT. Rental income arising from operating leases on investment properties is recognised on a straight-line basis over the term of the lease.

# 1.4. Investment properties

Investment property is property held to earn rentals or for capital appreciation or both. In accordance with the option offered by IAS 40, investment properties are accounted for at cost less depreciation and any impairment.

Cost includes expenditure that is directly attributable to the acquisition or construction of the asset. Subsequent costs are included in the asset's carrying amount only when it is probable that future economic benefits associated with the item will flow to the company and the costs can be measured reliably.

Al other costs, including repairs and maintenance costs, are charged to the statement of comprehensive income in the period in which they are incurred.

Depreciation is provided on investment property, other than freehold land and is calculated on a straight-line basis to allocate cost less assessed residual value, other than assets in the course of construction, over the estimated useful lives, as follows:

Investment property 15 years straight line

## NOTES TO THE FINANCIAL STATEMENTS (CONTINUED) FOR THE PERIOD ENDED 30 SEPTEMBER 2022

## 1 Accounting policies (Continued)

## 1.5. Fair value measurement

FRS 13 establishes a single source of guidance for all fair value measurements. FRS 13 does not change when an entity is required to use fair value, but rather provides guidance on how to measure fair value under FRS when fair value is required or permitted. The company is exempt under FRS 101 from the disclosure requirements of FRS 13. There was no impact on the company from the adoption of FRS 13.

## 1.6. Financial assets

### Trade and other receivables

Other receivables are recognised and carried at the lower of their original invoiced value and recoverable amount. Where the time value of money is material, receivables are carried at amortised cost.

## 1.7. Financial liabilities

## Trade and other payables

Trade and other payables are initially measured at fair value, and are subsequently measured at amortised cost, using the effective interest method.

## 1.8. Taxation

The tax expense represents the sum of the current tax expense.

## **Current tax**

The tax currently payable is based on taxable profit for the year. Taxable profit differs from net profit as reported in the income statement because it excludes items of income or expense that are taxable or deductible in other years and it further excludes items that are never taxable or deductible. The company's liability for current tax is calculated using tax rates that have been enacted or substantively enacted by the reporting end date.

## 2 Critical accounting estimates and judgements

In the application of the company's accounting policies, the directors are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period: or in the period of the revision and future periods if the revision affects both current and future periods.

The estimates and assumptions which have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are outlined below.

## **Critical judgements**

## Impairment of non-current assets

The directors assess the impairment of tangible assets subject to amortization or depreciation whenever events or changes in circumstances indicate that the carrying value may not be recoverable. Factors considered important that could trigger an impairment review include the following:

- Significant underperformance relative to historical or projected future operating results.
- · Significant changes in the manner of the use of the acquired assets or strategy for the overall' business; and
- Significant negative industry or economic trends.

## **Taxation**

Management judgement is required to estimate the availability and allocation of tax 'losses within the group, based upon the level of taxable profits across the group.

Taxation charge for the period
