# Progress of the administration

## Summary

### Progress of the administration

#### Sale of assets

The Joint Administrators of Gioma launched a Company Voluntary Arrangement ("CVA") on 5 September 2018 in order to release Gioma from certain liabilities and enable a sale of the shares of Gioma.

The CVA was approved on 19 September 2018 and the sale of the shares in Gioma held by GGL completed on 22 October 2018. The intercompany debtors due to the Company from Gioma were settled as part of this transaction.

While no funds have been directly received by the Company, the outcome for the Company's creditors has been improved as a result of the various transactions involved in the sale of the shares in Gioma by GGL. As part of this transaction, £21m of the secured debt of the Company was novated to Gioma prior its sale, thereby releasing the Company from this element of the secured claim and reducing the shortfall to creditors.

#### Investigations

We have reviewed the information available to assess whether there are any matters that might lead to a recovery for the benefit of creditors, such as potential claims that may be brought against parties either connected to or who have had past dealings with the Company.

Having completed this review no further avenues of recovery have been identified.

#### Director Conduct Reports

We have complied with our statutory duty to report on the conduct of the Company's directors and submitted our confidential report to the Insolvency Service on 30 November 2018.

### Statutory tasks

During the period we have carried out the following tasks which primarily relate to fulfilment of statutory and compliance obligations and other tasks of an administrative nature:

- case set-up and management;
- statutory reporting;
- appointment notifications;
- correspondence;
- CDDA reporting;
- case reviews; and
- closing preparation.

These tasks are a necessary part of the engagement but do not generate any direct financial benefit for creditors.

### Cost of the work done during the report period

No third party costs and expenses have been incurred during the report period. The legal costs incurred in completing the various transactions have been settled by Gioma and GGL.

# Information for creditors

## Outcome

### Secured creditors

The Company's records show the secured creditors at the date of our appointment were Investec Bank PLC and SC Lowy Primary Investments Limited.

The total value of the secured debt was £49.0m, secured by way of fixed and floating charges granted by the Company on 17 February 2017.

The secured creditors will not received any funds directly from the Company. All distributions to the secured creditors will be received from GGL. However, as noted previously, £21m of the secured debt was novated to Gioma prior to its sale, so secured claims against the Company have been reduced by this amount.

### Preferential creditors

The Company had three employees on the appointment of the Joint Administrators. One of these employees transferred to Gioma as part of the sale, whilst the remaining two employees are no longer employed by the Company.

There are unlikely to be any funds to distribute to preferential creditors.

### Unsecured creditors

Based on the statement of affairs, there are six unsecured creditors with claims of £4m. To date claims totalling £2m have been received.

As detailed above, it is unlikely that there will be sufficient asset realisations to enable a distribution to be made to unsecured creditors.

### Prescribed Part

As no floating charge realisations are expected the Prescribed Part provisions are unlikely to apply to this case.

### Claims process

As there is unlikely to be a distribution for unsecured creditors, we do not intend to undertake any work to agree any creditor claims received at this stage. This work will be performed only once the dividend prospects are certain.

# Remuneration and expenses

## Detailed information

### Category 1 Disbursements

These are payments made by us direct to third parties and for which no approval is required.

### Category 2 Disbursements

These are costs and expenses initially paid by us and which are not generally made to a third party, for example, reimbursement to staff engaged on the case for their mileage costs. These may also include shared or allocated costs.

## Disbursements

Our disbursements to date are in line with estimates provided in the proposals and are summarised below which it can be seen that we have not yet recovered our disbursements.

### Category 2 Disbursements

Specific approval is required before these costs and expenses can be drawn from the administration estate and we intend to seek approval for these costs by consent of each secured creditor.

We do not anticipate any category 2 disbursements during the administration period.
