PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

The company held regular improvised music events, usually on the first and last Wednesday of the month. These benefitted the community in two main ways – by offering local improvisors a hub and platform on which to develop, and meet like-minded people, and by offering national and international experimental musicians a receptive place in which to play to an appreciative local audience, and for that audience to gain exposure to such musicians.

This year, there were no activities from January until the start of September due to the COVID-19 pandemic, and the closure of music venues.

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS –Please indicate who the company's stakeholders are; how the stakeholders have been consulted and what action, if any, has the company taken in response to feedback from its consultations? If there has been no consultation, this should be made clear.

The company's stakeholders are its musician and audience members, the non-members who come to listen, and the touring and local musicians who play at our nights. Stakeholders are consulted in a number of ways – in person, by email, and occasionally by specially convened meeting. Questions on matters such as how surplus funds should be spent, and the suitability of venues have been considered. This year, no funds have been spent. On resumption of activities there was a change to the regular venue due to Covid related closure of the previous, and this was agreed with stakeholders.

(If applicable, please just state "A social audit report covering these points is attached").
