## **1. Introduction**

- 1.1 This report is prepared pursuant to Section 92A of the Act in relation to the Company. It details the progress of the administration of the Company's estate in the Review Period, i.e. the twelve month period since the Company was placed into Liquidation. Statutory information regarding the Liquidation and definitions used in this report are provided in **Appendix I**.
- 1.2 The Company's members resolved on 11 December 2019 to place the Company into Liquidation and appointed Richard Hunt as Liquidator.

## **2. Progress of the Liquidation**

- 2.1 Attached at **Appendix II** is the Liquidator's Receipts and Payments Account for the Review Period. The contents are in the main self explanatory. The remaining funds are held in an interest-bearing account.

### **Cash at Bank**

- 2.2 The Declaration of Solvency estimated that the Liquidator would receive cash at bank of £229,674.00. This is different from the sum transferred to the Liquidation account of £226,372.47, primarily because of the exchange rate, as the value of the currency had dropped.

### **Trade debtors**

- 2.3 The Declaration of Solvency indicated that there were trade debtors of £15,403.00 due to the Company. The sum of £15,596.67 was received into the company's bank account post-liquidation and prior to the closure of the business account and that these funds were subsequently transferred to the estate account.

### **Tax Refund**

- 2.4 The sum of £81.36 was received from HMRC in relation to an overpayment of corporation tax.

### **Statutory and General Administration**

- 2.5 Prior to the Liquidator's appointment, a review of ethical issues was undertaken and no ethical threats were identified. A further review has been carried out and no threats have been identified in respect of the management of the Liquidation to date.
- 2.6 During the Review Period, the Liquidator has complied with his statutory and regulatory duties, including the following:
  - 2.6.1 checking all statutory documentation completed by the director(s) and arranging for statutory filing at Companies House and advertising in the Gazette;
  - 2.6.2 maintaining case files, which must include records to show and explain the administration of this liquidation and any decisions made by the Liquidator that materially affect the administration;
  - 2.6.3 conducting periodic case and bond reviews to ensure that the liquidation is progressing efficiently, effectively and in line with the statutory requirements; and
  - 2.6.4 maintaining and updating the estate cash book and bank account, including regular bank reconciliations and processing receipts and payments.

### 3. The Liquidator's Remuneration and Expenses

- 3.1 At the meeting of members held on 11 December 2019, it was resolved that the fee for assisting with the placing of the Company into Liquidation and for attending to matters relating to, and arising in, the Liquidation be agreed at £3,000, plus VAT and disbursements. This fee has been paid in full and a claim for the repayment of the VAT has been submitted to HMRC.
- 3.2 The meeting of members also resolved that the Liquidator be authorised to draw his firm's disbursements as categorised in SIP9 as Category 2. **Appendix III** provides information on the bases on which these disbursements are calculated. The Liquidator is entitled under statute to discharge his Category 1 expenses from the estate.
- 3.3 When instructing third parties to provide specialist advice and services, the Liquidator must ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. SFP maintains an approved supplier list and reviews these annually to ensure best value. Before instructing specialists on an assignment, the Liquidator assesses whether the instruction is warranted and which approved supplier is appropriate. If the Liquidator prefers to use a specialist that is not on the approved supplier list, that specialist undergoes an assessment process to ensure that best value and service is anticipated. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to the insolvency appointment. Periodically throughout the liquidation, the performance and fees of the specialists are reviewed to assess the value and service provided. The processes were formalised after the current Insolvency Code of Ethics came into force on 1 May 2020.
- 3.4 Members will note that details of expenses paid during the Review Period are provided in the Liquidator's Receipts and Payments Account attached at **Appendix II**.

### 4. Dividends and Distributions

#### Creditors

- 4.1 A notice to creditors to submit claims was published in the Gazette. In addition, several letters were sent to HMRC seeking confirmation that no tax liabilities remained.
- 4.2 The following payments were made to creditors:

Date of payment	Class of creditor / payment	Total amount paid
02 July 2020	Non-preferential unsecured creditors – 100p in the £	15.65

**Shareholders**

**4.3** The following distributions were made to the shareholder:

<b>Date of distribution</b>	<b>£ per share distributed</b>	<b>Total amount distributed £</b>
13 December 2019	2,220.5447	222,054.47
26 November 2020	164.39	16,438.25
<b>TOTAL</b>		<b>238,492.72</b>

**5. Conclusion**

**5.1** At present the only issues remaining to be done are:

- 5.1.1** receipt of the VAT refund on our fees from HMRC;
- 5.1.2** circulation of the proposed final account; and
- 5.1.3** submission of the necessary documents to bring the Liquidation to a close.

**5.2** The Liquidator will issue a further progress report shortly after the next anniversary of the appointment or a proposed final account when he is in a position to conclude the winding up, if that is sooner.

**5.3** Should you have any queries regarding this report, please contact the Senior Administrator dealing with this matter, Marva Riaz, by email at [enquiries@sfpgroup.com](mailto:enquiries@sfpgroup.com).

SFP

### Direct Expenses (Category 1 Disbursements)

Category 1 Disbursements (as defined by Statement of Insolvency Practice 9), which can be specifically identified as relating to the administration of the case, have been charged at cost (plus VAT where applicable), with no uplift. The quantum of these costs are dependent on the circumstances and needs of the case and are set by third parties. For example, the bank charges £12 per transfer over £100,000. We may also have incurred other direct expenses, such as courier charges and Land Registry fees, which have been charged at cost.

#### Insurance

If possible, the current insurance policy should be maintained throughout the Liquidation process with the Liquidator's name noted which will prevent the requirement to take out any further cover. Should additional insurance be required, we will have provided you with quotes on a case by case basis.

#### Solicitors' and agents' fees

Should solicitors or agents have been required, we will have provided you with quotes on a case by case basis.

A number of documents to place the company into Liquidation were required to be signed in the presence of a solicitor. A charge by the solicitor is usually applicable, however this would have been a cost borne by the directors personally and did not form part of our disbursements.

### Indirect Expenses (Category 2 Disbursements)

These are costs that are directly referable to the appointment in question but not to a payment to an independent party. All prices are exclusive of VAT, which has been reclaimed where possible.

Anti-money laundering searches via external electronic databases	£5 per individual search
Mileage (where necessary)	45p per mile
Stationery, photocopying and postage	£10 for companies with 5 or fewer members £5 per additional member

The expenses listed below have been incurred on the case and, ordinarily, would be paid directly from the estate according to the external supplier's standard terms. However, in order to facilitate efficient progress of the Liquidation, they were invoiced by us immediately upon the Liquidator's appointment. For the avoidance of doubt, these were charged at cost and with no uplift:

Specific Bond Premium	A bond is required to protect the assets of the company during the Liquidation process. The bond premium is scaled depending upon the level of assets under our control. Members were provided with a guide to the cost of this bond premium prior to the Liquidator's appointment, however the exact cost was ascertained once the Declaration of Solvency had been sworn.	
Statutory Advertising Costs		£
	Notification of Liquidation	87.50
	Notification of appointment of Liquidator	87.50
	Advertisement for creditors' claims	87.50
