Notes to the Financial Statements

for the Period Ended 28 February 2017

1. Accounting policies

Basis of measurement and preparation

These financial statements have been prepared in accordance with the provisions of Section 1A (Small Entities) of Financial Reporting Standard 102

Turnover policy

Turnover represents net invoiced sale of goods, excluding value added tax and discounts, of goods provided to customers and work carried out in respect of services provided to customers.

Tangible fixed assets depreciation policy

Tangible Fixed Assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant & Machinery - 20% on straight line basis

Motor Vehicles - 25% on straight line basis

Fixture & Fittings - 25% on straight line basis

Valuation information and policy

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowances for obsolete and slow moving items

Other accounting policies

Deferred tax Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date. Foreign currencies Transactions in foreign currencies are recorded at the rate ruling at the date of the transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the balance sheet date. All differences are taken to the profit and loss account. Leasing and hire purchase commitments Assets held under finance leases and hire purchase contracts, which are those where substantially all the risk and rewards of ownership of the asset have passed to the company, are capitalised in the balance sheet and depreciated over their useful lives. The corresponding lease or hire purchase obligation is treated in the balance sheet as a liability. The interest element of the rental obligation is charged to the profit and loss account over the period of the lease and represents a constant proportion of the balance of capital payments outstanding. Rentals paid under operating leases are charged to income on a straight line basis over the lease term. Pensions The company operates a defined contributions pension scheme. Contribution are charged to the profit and loss account as they become payable in accordance with the rules of the scheme.
