Directors' report

The directors present the directors' report and financial statements for the year ended 31 March 2023.

Principal activities

GP Meridian Events Limited ("the Company") is a limited company incorporated and domiciled in the United Kingdom. The address of its registered office is Level 9, 6 Mitre Passage, Greenwich Peninsula, London SE10 0ER.

The principal activity of the Company is the ownership of a commercial building at Meridian Quays, Greenwich Peninsula.

Business review and future developments

In June 2021, the Company entered into a lease of *Magazine London* which transferred economic ownership of the building to the lessee. This transaction resulted in a non-recurring profit on disposal being recognised in the statement of comprehensive income which is set out on page 7.

In future periods, the Company will continue to lease the building and work with the operator to promote usage of the space. Modest but steady profitability is expected from turnover rent and finance income recognised on finance lease receivables.

Going Concern

The directors believe that it remains appropriate to prepare the financial statements on a going concern basis for the reasons set out in note 1 in the accounting policies.

Financial risk management objectives and policies

The principal financial risk facing the company is liquidity risk.

The main objective towards liquidity risk is to manage the Company's working capital requirements by ensuring that there is sufficient working capital to meet the Company's commitments as they fall due. This is primarily managed by the Company's immediate parent acting as the Group's treasurer in order to manage cashflow requirements on a group-wide basis.

Directors and directors' interests

The directors who held office during the year were as follows:

J Rann
R Margree

Neither of the directors who held office at the end of the financial year had any disclosable interest in group undertakings as recorded in the register of directors' interests. No other directors served during the year.

Directors' indemnities

The Company's immediate parent maintains directors' and officers' liability insurance which provides appropriate cover for legal action brought against its directors in relation to certain losses and liabilities which the directors may incur to third parties in the course of acting as directors or employees of the Company or of any associated company.

Disclosure of information to auditor

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditor is unaware and each director has taken all the steps that they ought to have taken as a director to make themselves aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

Auditor

The auditor, BDO LLP, was appointed during the year and has expressed its willingness to continue in office. A resolution to re-appoint BDO LLP will be proposed at the annual general meeting.

Directors' report (*continued*)

Small Company Provisions

This report has been prepared in accordance with the special provisions relating to small companies within Part 15 of the Companies Act 2006.

Statement of directors' responsibilities in respect of the directors' report and the financial statements

The directors are responsible for preparing the directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law they have elected to prepare the financial statements in accordance with UK accounting standards and applicable law (UK Generally Accepted Accounting Practice), including FRS 101 *Reduced Disclosure Framework*.

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- assess the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern; and
- use the going concern basis of accounting unless they either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error, and have general responsibility for taking such steps as are reasonably open to them to safeguard the assets of the company and to prevent and detect fraud and other irregularities.

On behalf of the board

28 November 2023

Independent auditor's report to the members of GP Meridian Events Limited

Opinion on the financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the Company's affairs as at 31 March 2023 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements of GP Meridian Events Limited ("the Company") for the year ended 31 March 2023 which comprise the Statement of Comprehensive Income, Statement of Financial Position, Statement of Changes in Equity and related notes, including the accounting policies and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 101 Reduced Disclosure Framework (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We are independent of the Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Directors with respect to going concern are described in the relevant sections of this report.

Other information

The Directors are responsible for the other information. The other information comprises the information included in the annual report and financial statements, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Independent auditor's report to the members of GP Meridian Events Limited (continued)

We have nothing to report in this regard.

Other Companies Act 2006 reporting

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the Directors' report has been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Directors' report and from the requirement to prepare a Strategic report.

Responsibilities of Directors

As explained more fully in the Statement of Directors Responsibilities, the Directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Directors either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Extent to which the audit was capable of detecting irregularities, including fraud

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

Independent auditor's report to the members of GP Meridian Events Limited (continued)

Non-compliance with laws and regulations

Based on:

- Our understanding of the Company and the industry in which it operates;
- Discussion with management and those charged with governance; and
- Obtaining and understanding of the Company's policies and procedures regarding compliance with laws and regulations.

We considered the significant laws and regulations to be United Kingdom Generally Accepted Accounting Practice and the Companies Act 2006.

The Company is also subject to laws and regulations where the consequence of non-compliance could have a material effect on the amount or disclosures in the financial statements, for example through the imposition of fines or litigations.

Our procedures in respect of the above included:

- Review of minutes of meeting of those charged with governance for any instances of non-compliance with laws and regulations;
- Review of correspondence with tax authorities for any instances of non-compliance with laws and regulations;
- Review of financial statement disclosures and agreeing to supporting documentation; and
- Review of legal expenditure accounts to understand the nature of expenditure incurred.

Fraud

We assessed the susceptibility of the financial statements to material misstatement, including fraud. Our risk assessment procedures included:

- Enquiry with management and those charged with governance regarding any known or suspected instances of fraud;
- Obtaining an understanding of the Company's policies and procedures relating to:
 - Detecting and responding to the risks of fraud; and
 - Internal controls established to mitigate risks related to fraud.
- Review of minutes of meeting of those charged with governance for any known or suspected instances of fraud;
- Discussion amongst the engagement team as to how and where fraud might occur in the financial statements;
- Performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud; and

Based on our risk assessment, we considered the areas most susceptible to fraud to be management override of controls.

Our procedures in respect of the above included:

- Testing a sample of journal entries throughout the year, which met a defined risk criteria, by agreeing to supporting documentation; and
- Assessing significant estimates made by management for bias in the valuation methods, assumptions used and the inputs and judgements adopted.

We also communicated relevant identified laws and regulations and potential fraud risks to all engagement team members who were all deemed to have appropriate competence and capabilities and remained alert to any indications of fraud or non-compliance with laws and regulations throughout the audit.

Our audit procedures were designed to respond to risks of material misstatement in the financial statements, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting

Independent auditor's report to the members of GP Meridian Events Limited (continued)

one resulting from error, as fraud may involve deliberate concealment by, for example, forgery, misrepresentations or through collusion. There are inherent limitations in the audit procedures performed and the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we are to become aware of it.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the Company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Company and the Company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements

1. Accounting policies

GP Meridian Events Limited ("the Company") is a private company limited by shares incorporated, domiciled and registered in England and Wales in the United Kingdom.

The following accounting policies have been applied consistently in dealing with items which are considered material in relation to the Company's financial statements.

Basis of preparation

These financial statements were prepared in accordance with Financial Reporting Standard 101 *Reduced Disclosure Framework* ("FRS 101").

In preparing these financial statements, the Company applies the recognition, measurement and disclosure requirements of international accounting standards in conformity with the requirements of the Companies Act 2006, but makes amendments where necessary in order to comply with the Companies Act 2006 and has set out below where advantage of the FRS 101 disclosure exemptions has been taken.

The Company's immediate parent undertaking, Knight Dragon Investments Limited ("KDIL"), includes the Company in its consolidated financial statements. The consolidated financial statements of KDIL are prepared in accordance with International Accounting Standards and are available to the public and may be obtained from Level 9, 6 Mitre Passage, Greenwich Peninsula, London SE10 0ER.

These financial statements are presented in GBP Sterling, which is the currency of the primary economic environment in which the Company operates.

FRS101 Disclosure exemptions

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures:

- Statement of cash flows and related notes;
- Certain disclosures regarding revenue;
- Disclosures in respect of transactions with other wholly owned subsidiaries of the immediate parent company;
- Disclosures in respect of capital management;
- The effects of new but not yet effective IFRSs; and
- Comparative period reconciliations for tangible fixed assets.

As the consolidated financial statements of the immediate parent undertaking include the equivalent disclosures, the Company has also taken the exemptions under FRS 101 available in respect of the following disclosures:

- Certain disclosures required by IFRS 13 *Fair Value Measurement* and the disclosures required by IFRS 7 *Financial Instrument Disclosures*.

Measurement convention

The financial statements have been prepared in accordance with applicable accounting standards and under the historical cost accounting rules.

Notes to the financial statements (*continued*)

Going concern

The financial statements have been prepared on the going concern basis which the directors believe to be appropriate for the following reasons.

The Company has net current liabilities of £3,877,091 at 31 March 2023 (restated 2022: £5,089,450) including a shareholder loan of £4,766,967 which is repayable on demand. The Company is dependent for its working capital on funds provided by its immediate parent company, KDIL. KDIL has indicated its intention to provide necessary funding for the continuing operations of the Company. KDIL has prepared cash flow forecasts in order to assess going concern of the group headed by KDIL ("the Group"). Those forecasts take into account the successful refinancing of third parties' loans held by other group companies totalling £89,716,000 during the time between the reporting date and signing these financial statements. The forecasts indicate that, based on current expectations and taking account of reasonably possible downsides, the Group and KDIL are dependent for their working capital on funds provided by the KDIL's immediate parent Knight Dragon Limited. Knight Dragon Limited has indicated its intention not to seek repayment of the amounts due and, should the need arise, to provide necessary funding for the continuing operations of the Group and KDIL, during the going concern assessment period.

As with any company placing reliance on other entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of the approval of these financial statements, they have no reason to believe that it will not do so. Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

Significant judgements, estimates and assumptions

The preparation of financial statements under international accounting standards requires the directors to make judgements, estimates and assumptions that affect the application of accounting policies, the reported amounts of assets and liabilities as at the date of the financial statements and the reported amount of revenues and expenses during the reporting year. The estimates and associated assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the results of which form the basis of making judgements that are not readily apparent from other sources. However, the actual results may differ from these estimates.

Impairment of lease receivables

The recoverability of lease receivables constitutes the main area of judgement exercised by the Directors in respect of the results. Lease receivables are recognised at the Company's net investment in the lease and are subsequently recognised at amortised cost. This results in their recognition at nominal value less an allowance for doubtful debts. The allowance for doubtful debts is recognised based on management's expectation of losses without regard to whether an impairment trigger has occurred. This requires a significant amount of judgement.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Revenue and other income

The Company's revenue consists of income receivable under leases and is therefore accounted for in accordance with the Company's accounting policy for leases. It also contains small amounts of recharge income.

Leases

As lessor

At inception or on modification of a contract that contains a lease component, the Company allocates the consideration in the contract to each lease component on the basis of their relative stand-alone prices. When the Company acts as a lessor, it determines at lease inception whether each lease is a finance lease or an operating lease.

To classify each lease, the Company makes an overall assessment of whether the lease transfers substantially all of the risks and rewards incidental to ownership of the underlying asset. If this is the case, then the lease is

Notes to the financial statements (*continued*)

a finance lease; if not, then it is an operating lease. As part of this assessment, the Company considers certain indicators such as whether the lease is for the major part of the economic life of the asset.

When the Company is an intermediate lessor, it accounts for its interests in the head lease and the sub-lease separately. It assesses the lease classification of a sub-lease with reference to the right-of-use asset arising from the head lease, not with reference to the underlying asset.

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the lease. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the Company's net investment in the lease. Variable lease payments which are not linked to an index or rate, and therefore are not included in the Company's net investment in the lease, are recognised in the period in which the event or condition that triggers those payments occurs.

Rental income from operating leases is recognised on a straight-line basis over the term of the relevant lease.

Financial instruments

Financial assets and liabilities are recognised in the Company's statement of financial position when the Company becomes a party to the contractual provisions of the instrument.

Financial assets

Financial assets consist of trade and other receivables which are recognised initially at fair value and are subsequently measured at amortised cost using the effective interest rate method, less provision for impairment. Appropriate estimates for estimated irrecoverable amounts are recognised in the consolidated statement of comprehensive income when there is objective evidence that the asset is impaired.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire or the contractual rights to the cashflows are transferred to a third party.

Financial liabilities

Financial liabilities consist of trade and other payables and interest-bearing loans which are initially measured at fair value and subsequently measured at amortised cost.

Financial liabilities are derecognised when the obligations specified in the contract are discharged, cancelled or expire.

Borrowing costs

Borrowing costs that are directly attributable to the acquisition or construction of a qualifying asset are capitalised as part of the cost of that asset. Such borrowing costs are capitalised as part of the cost of the asset when it is probable that they will result in future economic benefits and the costs can be measured reliably. Other borrowing costs are recognised as an expense in the period in which they are incurred.

To the extent that funds are borrowed generally and used for the purpose of obtaining a qualifying asset, the amount of borrowing costs eligible for capitalisation is determined by applying a capitalisation rate to the expenditures on that asset. The capitalisation rate is the weighted average of the borrowing costs applicable to the borrowings of the enterprise that are outstanding during the period, other than borrowings made specifically for the purpose of obtaining a qualifying asset.

Taxation

Tax on the result for the year comprises current and deferred tax. Tax is recognised in the statement of comprehensive income except to the extent that it relates to items recognised directly in equity, in which case it is recognised in equity.

Current tax is the expected tax payable on the taxable income for the year, using tax rates enacted or substantively enacted at the balance sheet date, and any adjustment to tax payable in respect of previous years.

Notes to the financial statements (*continued*)

Deferred tax is provided on temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for taxation purposes. The amount of deferred tax provided is based on the expected manner of realisation or settlement of the carrying amount of assets and liabilities, using tax rates enacted or substantively enacted at the balance sheet date.

A deferred tax asset is recognised only to the extent that it is probable that future taxable profits will be available against which the temporary difference can be utilised.

2. Revenue

The Company generates revenue primarily from the leasing of *Magazine London* to a third-party operator. Revenue presented in the statement of comprehensive income relates to rental and some recharge income. All revenue was generated within the UK.

3. Remuneration of directors

The directors did not receive any remuneration from the Company for their services during the period (2022: £nil).

4. Staff numbers and costs

The Company did not directly employ any staff including directors during the period (2022: none).

5. Other income

	2023	<i>Restated</i> 2022
	£	£
Other property income	-	515,179
Interest income on finance lease receivables	378,521	220,440
	<u>378,521</u>	<u>735,619</u>

6. Other (losses)/ gain

	2023	<i>Restated</i> 2022
	£	£
Gain on disposal of fixed assets	-	1,051,180
Expected credit (losses)/reversal	(45)	169,973
	<u>(45)</u>	<u>1,221,153</u>

7. Expenses and auditor's remuneration

Included in operating profit before tax are the following:

	2023	2022
	£	£
Depreciation of tangible fixed assets	-	126,529
Fee payable to the Company auditor for the audit of the financial statements	12,000	2,900
	<u>12,000</u>	<u>2,900</u>

There were no non-audit services from the auditor (2022: none).

Notes to the financial statements (*continued*)

8. Taxation

Recognised in the statement of comprehensive income:

	2023 £	Restated 2022 £
Deferred tax adjustment	(42,535)	50,189
Current year tax charge	-	-
Total taxation	(42,535)	50,189

Reconciliation of effective tax rate:

	2023 £	Restated 2022 £
Profit before tax	322,043	1,745,306
Tax using the UK corporation tax rate of 19% (2022:19%)	(61,188)	(331,608)
Accelerated capital allowances	(42,535)	(47,350)
Change in tax rate ¹	-	97,539
Other tax adjustments	-	15,764
Group relief	61,188	315,844
Total tax recognised in the statement of comprehensive income	(42,535)	50,189

¹An increase to the UK Corporation tax rate from 19% to 25% (effective from 1 April 2023) was substantively enacted on 10 June 2021. This change will affect the Company's corporation tax liability in future years accordingly.

9. Deferred tax assets

Recognised deferred assets

Deferred tax assets are attributable to the following:

	2023 £	Restated 2022 £
<u>Non-current assets</u>		
Accelerated capital allowances	354,824	406,414
<u>Current assets</u>		
Accelerated capital allowances	51,590	42,535
Deferred tax assets	406,414	448,949

Movement in deferred tax during the year

	1 April 2022 £	Current year movement £	31 March 2023 £
Property, plant and equipment	448,949	(42,535)	406,414
Tax value of loss carried forward	-	-	-
	448,949	(42,535)	406,414

Notes to the financial statements (continued)

Movement in deferred tax during the prior year

	<i>Restated</i> 1 April 2021 £	<i>Restated</i> Current year movement £	<i>Restated</i> 31 March 2022 £
Property, plant and equipment	398,760	50,189	448,949
Tax value of loss carried forward	-	-	-
	<u>398,760</u>	<u>50,189</u>	<u>448,949</u>

10. Lease receivables

	2023 £	2022 £
Finance lease receivable	5,278,655	6,052,903
Less: amount due within 12 months	<u>(1,011,128)</u>	<u>(904,115)</u>
Amount due after 12 months	<u>4,267,527</u>	<u>5,148,788</u>

The following table sets out a maturity analysis of lease receivables, showing the undiscounted lease payments to be received after the reporting date.

	2023 £	2022 £
Less than one year	1,424,303	1,234,071
Between one and two years	1,315,560	1,234,071
Between two and three years	1,251,960	1,234,071
Between three and four years	1,061,160	1,170,471
Between four and five years	1,061,160	979,671
More than five years	353,720	1,306,227
Total undiscounted lease payments	<u>6,467,863</u>	<u>7,158,582</u>
Less: unearned finance income	<u>(1,189,208)</u>	<u>(1,105,679)</u>
Finance lease receivable	<u>5,278,655</u>	<u>6,052,903</u>

11. Trade and other receivables

	2023 £	2022 £
Trade receivables	5,370	7,200
	<u>5,370</u>	<u>7,200</u>

The fair value of trade and other receivables approximates to book value.

Notes to the financial statements (*continued*)

12. Trade and other payables

	2023 £	2022 £
Trade payables	-	13,509
Amounts due to group companies	366,921	244,763
Accruals	14,348	12,247
VAT payables	65,196	62,517
	<u>446,465</u>	<u>333,036</u>

The fair value of trade and other payables approximates to book value.

Amounts due to group companies are unsecured, non-interest bearing and payable on demand.

13. Interest-bearing loans and other borrowings

	2023 £	2022 £
Loan from shareholder	<u>4,766,967</u>	<u>6,489,277</u>

The directors of the Company consider the shareholder loan to be repayable in less than 12 months because it is repayable on demand and the Company does not have an unconditional right to defer settlement beyond 12 months. The Company has received confirmation from the shareholder that it is not currently their intention to recall the loan until such time that the Company is in a financial position to be able to repay the loan. The directors of the Company believe the most likely period of repayment of the shareholder loan is more than five years. Interest is currently charged at 0.67% per annum (2022: 0.67% per annum). The loan is unsecured.

14. Share capital

	2023 £	2022 £
<i>Allotted, called up and fully paid</i>		
1 Ordinary share of £1	<u>1</u>	<u>1</u>

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the company. There are no associated rights or preferences relating to the shares.

Notes to the financial statements (continued)

15. Prior year restatement

During the preparation of the current year financial statements, it was noted that there were two misstatements in the financial statements for the year ended 31 March 2022.

1. Income received had incorrectly been included within the 'Gain on disposal of fixed assets' when it should have been disclosed as 'Other income'. This misstatement has been corrected in the statement of comprehensive income but had no impact on the statement of financial position or statement of changes in equity.
2. A deferred tax asset should have been recognised in prior years. This misstatement impacted the retained deficit brought forward as at 1 April 2021 within the statement of financial position and statement of changes in equity. It also caused an adjustment to the statement of comprehensive income for the 2022 movement in the deferred tax asset.

The impact of the restatements on the financial statements is summarised below:

<u>Statement of comprehensive income</u>	As at 31 March 2022		
	As previously stated £	Adjustments £	As restated £
Other gains / (losses)	1,736,332	(515,179)	1,221,153
Other income	220,440	515,179	735,619
Profit before tax	1,745,306	-	1,745,306
Corporation tax (Deferred tax)	-	50,189	50,189
Profit after tax	1,745,306	50,189	1,795,495

<u>Statement of financial positions</u>	As at 31 Mar 2022		
	As previously stated £	Adjustments £	As restated £
<u>Non-current assets</u>			
Deferred tax assets	-	406,414	406,414
Total non-current assets	5,148,788	406,414	5,555,202
<u>Current assets</u>			
Deferred tax assets	-	42,535	42,535
Total current assets	1,690,328	42,535	1,732,863
Total assets	6,839,116	448,949	7,288,065
Net liabilities & Total equity	16,803	448,949	465,752
Retained profits	16,802	448,949	465,751

<u>Statement of changes in equity</u>	As at 31 Mar 2022		
	As previously stated £	Adjustments £	As restated £
Retained deficit as at 1 April 2021	(1,728,504)	398,760	(1,329,744)
Profit for the year 2022	1,745,306	50,189	1,795,495
Retained profit balance at 31 March 2022	16,802	448,949	465,751
Total equity balance at 31 March 2022	16,803	448,949	465,752

Notes to the financial statements *(continued)*

16. Subsequent events

In connection with the preparation of the accompanying financial statements as at 31 March 2023, management has evaluated the impact of all subsequent events on the Company through to 28 November 2023, the date the financial statements were available to be issued, and has determined that there were no other subsequent events requiring recognition or disclosure in the financial statements.

17. Contingent liabilities

In the ordinary course of business, the Company is subject to claim and counterclaim against contractors. At the year end date, the Company has not made any provision for any amounts claimed (2022: £nil) as the directors consider there to be only a remote chance of settlement against the Company.

18. Ultimate parent undertaking and parent undertaking of larger group of which the Company is a member

The Company's immediate parent company is Knight Dragon Investments Limited, a company registered in England & Wales whose registered office is Level 9, 6 Mitre Passage, Greenwich Peninsula, London SE10 0ER. The results of the Company are consolidated in the group headed by Knight Dragon Investments Limited. The consolidated financial statements of this group may be obtained from the Registrar of Companies, Companies House, Crown Way, Maindy, Cardiff.

The Company's results are also included within the consolidated financial statements of Chow Tai Fook Enterprises Limited (incorporated and registered in Hong Kong), which is the largest group which prepares consolidated accounts within which the Company is a member. The registered office of Chow Tai Fook Enterprises Limited is 38/F New World Tower, 16-18 Queens Road Central, Hong Kong.

The ultimate parent undertakings and controlling parties are Cheng Yu Tung Family (Holdings) Limited (incorporated and registered in the British Virgin Islands) and Cheng Yu Tung Family (Holdings II) Limited (incorporated and registered in the British Virgin Islands). The registered office address of both companies is Vistra Corporate Services Centre, Wickhams Cay II, Road Town, Tortola, VG1110 British Virgin Islands.
