TREBUCHET GR LIMITED

DIRECTORS' REPORT

The directors present their report together with the audited financial statements for the year ended 31 December 2020.

Principal activities

The principal activity of the company during the year was that of property investment.

Business review and future developments

The statement of comprehensive income is set out on page 7 and shows the results for the year. The loss for the year amounted to £4,575 (2019: £Nil). The directors do not recommend the payment of a dividend for the current year and no dividend was paid in the prior year.

The directors are satisfied with the financial position of the company at the year end.

The directors do not expect there to be significant future developments which could adversely impact the business however notice should be taken of the potential legislative changes disclosed in the critical accounting estimates and assumptions section of note 1.8.

Investment properties

During the year the company acquired investment properties of £64,925. Details of the investment properties are set out in note 7.

Public pledge for leaseholders

In June 2019 a number of residential real estate developers and freeholders, of which the company was a party, signed a government-backed public pledge in relation to leaseholders. This pledge is a crucial step towards positive change in the residential leasehold market and reflects our commitment to promoting good practice. The company's appointed agent, Estates & Management Limited, a company related by virtue of common control and directors, also signed this pledge.

The pledge sets out a number of principles which will assist existing and future leaseholders in ensuring the leasehold system is as fair and transparent as possible. It also includes undertakings to work with other freeholders and stakeholders to develop a comprehensive Code of Practice which establishes the responsibilities of freeholders and enshrines the highest standards for the management and maintenance of properties.

Directors

The following directors have held office during the year and up until the point of signing the financial statements:

W K Procter
C C McGill
P A Hallam
M D Watson

(Appointed: 22 February 2021)

TREBUCHET GR LIMITED

DIRECTORS' REPORT (continued)

Statement of directors' responsibilities

The directors are responsible for preparing the Directors' Report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period.

In preparing those financial statements, the directors are required to:

- a. select suitable accounting policies and then apply them consistently;
- b. make judgements and accounting estimates that are reasonable and prudent;
- c. prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure of information to auditor

The directors who were in office on the date of approval of these financial statements have confirmed that, as far as they are aware, there is no relevant audit information of which the auditor is unaware. The directors have confirmed that they have taken all the steps that they ought to have taken as directors in order to make themselves aware of any relevant audit information and to establish that it has been communicated to the auditor.

Insurance of Company Officers

The company has maintained insurance throughout the year for its directors and officers against the consequences of actions which may be brought against them in relation to their duties for the company.

Auditor

The auditor, RSM UK Audit LLP, Chartered Accountants, has indicated its willingness to continue in office.

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption. The directors have also taken the available exemption from the requirement to prepare a strategic report.

On behalf of the Board:

P A Hallam

Director

5/11/2021

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TREBUCHET GR LIMITED

Opinion

We have audited the financial statements of Trebuchet GR Limited (the 'company') for the year ended 31 December 2020 which comprise the Statement of Comprehensive Income, the Statement of Financial Position, the Statement of Changes in Equity and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2020 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other matter – Prior period financial statements not audited

The company was exempt from audit in the year ended 31 December 2019 and consequently the corresponding figures are unaudited.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TREBUCHET GR LIMITED

(continued)

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the directors were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies exemption from the requirement to prepare a strategic report or in preparing the directors' report.

Responsibilities of directors

As explained more fully in the statement of directors' responsibilities set out on page 3, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which the audit was considered capable of detecting irregularities, including fraud

Irregularities are instances of non-compliance with laws and regulations. The objectives of our audit are to obtain sufficient appropriate audit evidence regarding compliance with laws and regulations that have a direct effect on the determination of material amounts and disclosures in the financial statements, to perform audit procedures to help identify instances of non-compliance with other laws and regulations that may have a material effect on the financial statements, and to respond appropriately to identified or suspected non-compliance with laws and regulations identified during the audit.

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF TREBUCHET GR LIMITED
(continued)

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are conducted in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud, the audit engagement team:

- obtained an understanding of the nature of the industry and sector, including the legal and regulatory frameworks that the company operates in and how the company is complying with the legal and regulatory frameworks;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are FRS 102, the Companies Act 2006, tax compliance regulations and property laws & regulations. We performed audit procedures to detect non-compliances which may have a material impact on the financial statements which included reviewing financial statement disclosures, evaluating advice received from tax advisors, reviewing client information with respect to ongoing legal matters and reviewing and monitoring government releases regarding leasehold reforms. Potential changes to property laws and regulations and their impact on these financial statements are further discussed in the accounting policies on page 14 and 15.

The audit engagement team identified the risk of management override of controls as the area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to testing manual journal entries and other adjustments and evaluating the business rationale in relation to any significant, unusual transactions and transactions entered into outside the normal course of business.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: <http://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

TREBUCHET GR LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1. Accounting policies

Company information

Trebuchet GR Limited ("the company") is a private company limited by shares, domiciled and incorporated in England. The address of the company's registered office and principal place of business is Berkeley House, 304 Regents Park Road, London, N3 2JX. The principal activity of the company during the year was that of property investment.

1.1 Basis of accounting

These financial statements have been prepared in accordance with FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" ("FRS 102"), the requirements of the Companies Act 2006 as applicable to companies subject to the small company's regime, and under the historical cost convention as modified to include investment properties at fair value. The disclosure requirements of section 1A of FRS 102 have been applied other than where additional disclosure is required to show a true and fair view.

1.2 Going concern

The company's principal creditor, Lightyear Estates Holdings Limited, has agreed not to call its receivable balance to ensure the company can meet its running costs for the foreseeable future, being at least 12 months from the date of signing these financial statements. If necessary, a related party, Fairhold Services Limited has also agreed to provide limited financial support to enable the company to meet day to day running costs incurred in the ordinary course of business for a period of up to 12 months from the date of signing these financial statements.

The directors have assessed the operation of the company and, have determined that the company has, or can expect to have, sufficient working capital for its needs for at least 12 months from the date of approval of these financial statements. In view of this the directors consider it appropriate for the financial statements to be prepared on a going concern basis.

1.3 Functional and presentational currencies

The financial statements are presented in sterling which is also the functional currency of the company.

1.4 Turnover

Turnover comprises rent receivable.

Rental income is recognised in accordance with the terms of the lease. Inflationary uplifts to rental income are recognised when received. Non-inflationary uplifts are also recognised when received as the directors are of the opinion that to recognise the impact of those uplifts on a straight line basis over such long term leases (up to 999 years) would not give a true and fair view as the period between recognition and actual collection would be of sufficient length to cause uncertainty over the value to be collected.

Turnover is recognised at the fair value of the consideration received or receivable for rental income charged to external customers in the ordinary nature of the business. Turnover is shown net of value added tax.

TREBUCHET GR LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1.5 Investment properties

The company's holding of investment properties is comprised of freehold reversionary interests and these are initially measured at cost and subsequently measured at fair value where a reliable measure of fair value is available. Changes in fair value are recognised in the statement of comprehensive income.

These assets represent interests held in the freehold land on which third party developers have built and sold long leasehold properties. As such these assets generate income in the form of annual ground rents along with other ancillary income streams.

The valuation of the entire Freehold Reversionary Interest portfolio is undertaken by the directors.

The directors also recognise, given the lack of a regular market for significant portfolios of such assets, that these fair values may not be realised should the company seek to dispose of any or all of the investment properties.

Further details are given in note 7.

1.6 Taxation

The tax expense represents the sum of the current tax expense and deferred tax expense. Current tax assets are recognised when tax paid exceeds the tax payable.

Current tax is based on taxable profit for the year. Taxable profit differs from total comprehensive income because it excludes items of income or expense that are taxable or deductible in other periods. Current tax assets and liabilities are measured using tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax is calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled based on tax rates that have been enacted or substantively enacted by the reporting date.

Deferred tax liabilities are recognised in respect of all timing differences that exist at the reporting date. Timing differences are differences between taxable profits and total comprehensive income that arise from the inclusion of income and expenses in tax assessments in different periods from their recognition in the financial statements. Deferred tax assets are recognised only to the extent that it is probable that they will be recovered by the reversal of deferred tax liabilities or other future taxable profits.

For non-depreciable assets measured using the revaluation model and investment properties measured at fair value (except investment property with a limited useful life held by the Company to consume substantially all of its economic benefits), deferred tax is measured using the tax rates and allowances that apply to the sale of the asset or property.

Current and deferred tax is charged or credited in the statement of comprehensive income, except when it relates to items charged or credited to other comprehensive income or equity, when the tax follows the transaction or event it relates to and is also charged or credited to other comprehensive income or equity.

Current tax assets and current tax liabilities and deferred tax assets and deferred tax liabilities are offset, if and only if, there is a legally enforceable right to set off the amounts and the entity intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

TREBUCHET GR LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1.7 Financial instruments

The company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102, in full, to all of its financial instruments.

Financial assets and financial liabilities are recognised when the company becomes a party to the contractual provisions of the instrument, and are offset only when the company currently has a legally enforceable right to set off the recognised amounts and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets

Trade debtors

Trade debtors which are receivable within one year and which do not constitute a financing transaction are initially measured at the transaction price. Trade debtors are subsequently measured at amortised cost, being the transaction price less any amounts settled and any impairment losses.

Financial liabilities and equity

Financial instruments are classified as liabilities and equity instruments according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the company after deducting all of its liabilities.

Creditors

Creditors payable within one year that do not constitute a financing transaction are initially measured at the transaction price and subsequently measured at amortised cost, being the transaction price less any amounts settled.

Where the arrangement with a creditor constitutes a financing transaction, the creditor is initially and subsequently measured at the present value of future payments discounted at a market rate of interest for a similar instrument.

Derecognition of financial assets and liabilities

A financial asset is derecognised only when the contractual rights to cash flows expire or are settled, or substantially all the risks and rewards of ownership are transferred to another party, or if some significant risks and rewards of ownership are retained but control of the asset has transferred to another party that is able to sell the asset in its entirety to an unrelated third party. A financial liability (or part thereof) is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

1.8 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions

In preparing these financial statements, the directors have made estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

TREBUCHET GR LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

1.8 Critical accounting estimates and areas of judgement (continued)

Valuation of investment properties

A key accounting estimate in preparing these financial statements relates to the fair value of the investment properties. However, the valuation of the group's investment properties is inherently subjective, as it is made on the basis of valuation assumptions which may in future prove not to be accurate, the risk of which is heightened due to the potential legislative changes and regulatory activity noted below.

The Government, through the Department for Communities and Local Government, now known as the Department for Levelling Up, Housing and Communities (DLHC), the Competition and Markets Authority (CMA) and the Law Commission, has undertaken a series of consultations on and reviews of the residential property market with a focus on the legal framework surrounding the freehold and leasehold classes of property interests. In January 2021, an announcement was released by the DLHC on a number of proposed changes to the law governing leasehold enfranchisement. These proposals, which have not yet been enacted but some of which are included in the Leasehold Reform (Ground Rent) Bill published on 11 June 2021, include changes to the rights of leaseholders in relation to leasehold extensions and freehold purchases as well as changes to the manner in which ground rent would subsequently be determined. The implementation of legislative changes arising from these reforms could materially reduce the level of income generated by the portfolio of investment properties.

The directors are of the view that the proposed changes, if introduced in total, would be very damaging to the residential property market and against the interests of consumers and other property owners. The directors have engaged actively in the consultations and with other stakeholders and interested parties in order to convey the group's opposition to the current proposals. Public announcements by government and in the Law Commission's report have recognised that any proposals to make wholesale reforms retrospectively pose real problems with respect to the contravention of human rights legislation. As such the impact of reforms is likely to be greatest for future leases and not those already in existence.

The Competition and Markets Authority (CMA) is reviewing potential breaches of consumer protection law in the leasehold market. This review is ongoing and covers developers and investment firms, including the group. The group is cooperating with the CMA. On 19 March 2021 the CMA issued consultation letters to two developers outlining the CMA's specific concerns about the terms that double ground rents every 10 or 15 years. The CMA has also written to the group setting out its concerns and requesting it to remove doubling ground rent terms from its contracts. The group has been given the opportunity to respond to the CMA. The group is already working with leaseholders to vary such lease terms to RPI based review calculations. A significant number of such leases across the group have already been varied in this way.

An intrinsic element of the long-term forecasts is the continuing rental income and lease extension premiums generated by the property assets held by these subsidiaries. The potential legislative changes and regulatory activity raised above may affect these forecasts to the extent that the underlying assumption is no longer valid.

TREBUCHET GR LIMITED**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 DECEMBER 2020****1.8 Critical accounting estimates and areas of judgement (continued)***Valuation of investment properties (continued)*

An intrinsic element of the long-term forecasts is the continuing rental income and lease extension premiums generated by the property assets held by these subsidiaries. The potential legislative changes and regulatory activity raised above may affect these forecasts to the extent that the underlying assumption is no longer valid.

However, the likelihood of the changes, as proposed in their current form, coming into effect is believed to be low and the financial consequences of any changes are too uncertain to enable the directors to reasonably estimate the impact of such changes on their forecasts. It is assumed that the current methodology continues to reasonably approximate a fair value of these assets.

Further details of the valuation of the investment property are set out in note 7.

Deferred taxation

Deferred tax liabilities are assessed on the basis of assumptions regarding the future, the likelihood that assets will be realised and liabilities will be settled, and estimates as to the timing of those future events and as to the future tax rates that will be applicable.

2. Turnover

	2020	2019
		(unaudited)
	£	£

TREBUCHET GR LIMITED

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 DECEMBER 2020

7. Investment properties

	Freehold reversionary Interests	
	2020	2019
	£	£
Fair value		
As at 1 January	-	-
Additions	64,925	-
As at 31 December	64,925	-

On 7 July 2020 the company purchased investment property of £64,925.

The investment properties represent a portfolio of freehold reversionary interests. At 31 December 2020, the directors have valued the investment properties at £64,925 which the directors consider approximates its fair value.

If investment properties were stated on an historical cost basis rather than a fair value basis, the amounts would have been included as follows:

	Freehold reversionary Interests	
	2020	2019
	£	(unaudited) £
Cost	64,925	-

8. Debtors

	2020	2019
	£	(unaudited) £
Amounts owed by parent undertaking	-	100
	-	100

There are no fixed terms of repayment for the parent company loan. Interest is charged at 3 month Libor +1%. Despite the loan being repayable on demand it is not the intention for the loans to be repaid within one year.

9. Creditors: amounts falling due within one year

	2020	2019
	£	(unaudited) £
Deferred income	1,641	-
Amounts owed to parent undertakings	67,759	-
	69,400	-

There are no fixed terms of repayment of the parent company loan. Interest is charged at 3-month Libor +1%. Despite the loans being repayable on demand it is not the intention for the loans to be recalled within one year

TREBUCHET GR LIMITED**NOTES TO THE FINANCIAL STATEMENTS****FOR THE YEAR ENDED 31 DECEMBER 2020**

10. Share capital and reserves**Share capital**

	2020	2019 (unaudited)
	£	£
Allotted, called up and fully paid: 100 ordinary shares of £1	100	100

Ordinary share rights

The company's ordinary shares, which carry no right to fixed income, each carry the right to one vote at general meetings of the Company.

Reserves

Reserves of the Company represent the following:

Profit and loss account

Cumulative profit and loss net of distributions to owners.

11. Guarantees and contingent liabilities

The company is included in a group registration for VAT purposes and is therefore jointly and severally liable for all other participating group undertakings' unpaid debts in this connection.

12. Ultimate parent company and ultimate controlling party

The company's parent company is Lightyear Estates Holdings Limited, which is registered in England and Wales. Copies of the financial statements are available from Companies House, Crown Way, Cardiff CF14 3UZ.

The directors regard the ultimate holding company to be Euro Investments Overseas Incorporated, a company incorporated in the British Virgin Islands.

The ultimate controlling party is the Tchenguiz Family Trust.

13. Related party transactions

The company has taken advantage of the exemptions provided by Section 33 of FRS 102 'Related Party Disclosures' and has not disclosed transactions entered into between two or more members of a group, provided that any subsidiary undertaking which is party to the transaction is wholly owned by a member of that group.
