INTRODUCTION

This report provides a summary of the outcome of the Liquidation of Nutrition Bloom Limited.

The Liquidation commenced in January 2020 with assets estimated to total £700 And anticipated liabilities of £28,387

ADMINISTRATION AND PLANNING

The Liquidator is required to meet a considerable number of statutory and regulatory obligations. Whilst many of these tasks do not have a direct benefit in enhancing realisations for the insolvent estate, they assist in the efficient and compliant progressing of the administration of the case, which ensures that work is carried out to high professional standards.

Reporting

The Liquidator has met his statutory and regulatory duties to report to creditors. In consideration of the need for transparency and engagement with creditors, care has been taken to ensure that reports and other communications with creditors have provided useful details of the strategies pursued and the outcomes anticipated.

Other administration tasks

During the Liquidation a number of full case reviews have been carried out.

ENQUIRES AND INVESTIGATIONS

During the Review Period, the Liquidator carried out an initial review of the Company's affairs in the period prior to appointment. This included seeking information and explanations from the director(s) (and senior employees) by means of questionnaires (and interviews); making enquiries of the Company's accountants; reviewing information received from creditors; and collecting and examining the Company's bank statements, accounts and other records.

The information acquired from this process enabled the Liquidator to meet his statutory duty to submit a confidential report on the conduct of the directors (past and present) to the Insolvency Service.

This work was also carried out with the objective of making an initial assessment of whether there were any matters that may lead to any recoveries for the benefit of creditors. This would typically include any potential claims which may be brought against parties either connected to or who have past dealings with the Company.

This initial assessment has been completed and the Liquidator did not identify any further assets or actions which might lead to a recovery for creditors.

Pre-Appointment transactions with connected parties

After reviews have been carried out; there have been no Pre-Appointment transactions that has come to the liquidator's attention that warrant further investigation.

REALISATION OF ASSETS (AS STIPULATED IN APPENDIX II)

The only realisation since my last report is the refund of VAT in respect of Liquidation costs totalling £663.51

Transactions with connected parties

Since my appointment a sale to a connected party has not occurred.

CREDITORS

Irrespective of whether sufficient realisations are achieved to pay a dividend to creditors, the Liquidator has had to carry out key tasks which are detailed in the list at Appendix III. The following sections explain the anticipated outcomes to creditors and any distributions paid.

Secured creditors

The Company has not granted any charges over its assets and as such there are no secured creditors in the matter.

Preferential creditors

Employee claims

There are no preferential creditors in the matter.

Unsecured creditors

Unsecured creditors were estimated to total £.... To date I have received claims totalling £...

Dividend prospects

It is not anticipated that a distribution will be made to any class of creditor.

FEES AND EXPENSES

As per the resolution passed at the meeting of creditors, I am entitled to draw £5,000 plus VAT in respect of work carried out in connection with the preparation of the statement of affairs and I have drawn £3,317 plus VAT in this regard.

The Liquidator's fees

It is the firm's practice to ensure that work is conducted by the appropriate staff member at the appropriate level of experience. Junior members of staff deal with the day to day administration on cases and a manager and director then oversees the work undertaken. Where the issues are complex and litigious, the work will be closely supervised or undertaken by a senior manager or director.

The basis of the Liquidator's fees was approved by creditors on 10 January 2020 in accordance with the following resolution:

"THAT the basis of the Liquidator's fees be fixed by reference to the time properly given by the Liquidator and his staff in attending to matters as set out in the fees estimate, such time to be charged at the prevailing standard hourly charge out rates used by the firm at the time when the work is performed."

I can confirm that my post appointment time costs total £3,651 exceed the original estimate of £3,150 as a result of the time it has taken to reclaim the VAT on Liquidation costs. I have not drawn any remuneration against these costs.

Disbursements

The category 1 disbursements paid for since the date of appointment total £284. These have been discharged by DSI Business Recovery

There has been no category 2 disbursements paid throughout the course of the liquidation.

Information about this insolvency process may be found on the R3 website at http://www.creditorinsolvencyguide.co.uk/. A copy of 'A Creditors' Guide to Fees' together with the firm's charge-out rate and disbursement policy is attached at Appendix III.

Other professional costs

There has been no other professional fees paid throughout the course of the liquidation.

CREDITORS' RIGHTS

An unsecured creditor may, with the permission of the court or with the concurrence of 5% in value of the unsecured creditors (including the creditor in question) request further details of the Liquidator's remuneration and expenses, within 21 days of receipt of this report. Any secured creditor may request the same details in the same time limit.

An unsecured creditor may, with the permission of the court or with the concurrence of 10% in value of the creditors (including the creditor in question), apply to court to challenge the amount and/or basis of the Liquidator's fees and the amount of any proposed expenses or expenses already incurred, within 8 weeks of receipt of this report. Any secured creditor may make a similar application to court within the same time limit.
