Strategic Report

Business review

The Company acts as a financing company. The functional currency is GBP as the majority of transactions entered into by the Company are transacted in Sterling.

Financial Review

Results

The results for the year are set out on page 6.

Review of operating performance

Company performance

The Company has finance income of £8,922,000 (2019: £5,706,000) and had finance costs of £nil (2019: £1,653,000) during the year.

As a financing company, the company is dependent on the ability of other group companies to settle inter-company interest as it falls due. Through-out the COVID-19 pandemic the Group has successfully managed to remain operational as across the world the majority of veterinary practices have still operated, albeit with service provision varied on a country-by-country basis. The Group sales have remained robust because of the Group's strategy to focus on essential and chronic prescription medicine, as veterinarians have worked to ensure sick animals have continued to be treated. The impact of COVID-19 on this Company is therefore considered to be minimal.

The financial position at the end of the year was strong with total shareholders' funds standing at £105,394,000 (2019: £106,082,000).

Funding

The Company is principally funded by investment from the Company's parent.

Risks and uncertainties

The Company, like every business, faces risks and uncertainties in both its day to day operations and through events relating to the achievement of its long term strategic objectives.

The Board has ultimate responsibility for risk management within the Company and there is an ongoing and embedded process of assessing, monitoring, managing and reporting on significant risks faced by the Company.

Directors' Report

The directors present their report and the audited financial statements for the year ended 30 June 2020.

Future developments

These are detailed within the Strategic Report on page 1.

Directors

The directors who were in office during the year and up to date of signing the financial statements were:

ID Page

AG Griffin

PN Sandland (appointed 5 December 2019)

MJ Hall (Company Secretary)

Political and charitable contributions

The company made no political or charitable contributions during the year.

Dividends

An interim dividend of £8,500,000 (2019: £nil) was paid during the year. The directors do not recommend the payment of a final dividend (2019: £nil).

Financial risk management

The Company uses various financial instruments to manage its financial risk. These include loans and cash that arise directly from its operations. The main purpose of these financial instruments is to raise finance for the wider Group's operations.

Liquidity risk

The Company seeks to manage liquidity risk by ensuring sufficient liquidity is available to meet its foreseeable needs and to invest cash assets safely and profitably. The Directors review the cash projections on a regular basis to ensure the business has adequate liquidity and working capital.

Statement of Directors' Responsibilities

The directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulation.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have prepared the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year. In preparing the financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- state whether applicable United Kingdom Accounting Standards, comprising FRS 101, have been followed, subject to any material departures disclosed and explained in the financial statements;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006.

The directors are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Directors' Report *(continued)*

Disclosure of information to auditors

The directors who held office at the date of approval of this directors' report confirm that, so far as they are each aware, there is no relevant audit information of which the Company's auditors are unaware; and each director has taken all the steps that he ought to have taken as a director to make himself aware of any relevant audit information and to establish that the Company's auditors are aware of that information.

Directors' and officers' liability

The Company maintains an appropriate level of directors' and officers' insurance whereby directors are indemnified against liabilities to third parties to the extent permitted by the Companies Act 2006. The directors also benefitted from qualifying third party indemnity provisions in place during the financial year and at the date of this report. A copy of the indemnity provisions will be available for inspection upon request at the registered office.

Independent auditors

The auditors, PricewaterhouseCoopers LLP, have indicated their willingness to continue in office and a resolution concerning their re-appointment was approved by the shareholders.

9 December 2020

Independent auditors' report to the members of Dechra Finance Sterling Limited

Report on the audit of the financial statements

Opinion

In our opinion, Dechra Finance Sterling Limited's financial statements:

- give a true and fair view of the state of the company's affairs as at 30 June 2020 and of its profit for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards, comprising FRS 101 "Reduced Disclosure Framework", and applicable law); and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements, included within the Annual Report and Financial Statements (the "Annual Report"), which comprise: the Statement of financial position as at 30 June 2020; the Income statement and the Statement of changes in equity for the year then ended; and the Notes to the financial statements, which include a description of the significant accounting policies.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) ("ISAs (UK)") and applicable law. Our responsibilities under ISAs (UK) are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Independence

We remained independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, which includes the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which ISAs (UK) require us to report to you where:

- the directors' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

However, because not all future events or conditions can be predicted, this statement is not a guarantee as to the company's ability to continue as a going concern.

Reporting on other information

The other information comprises all of the information in the Annual Report other than the financial statements and our auditors' report thereon. The directors are responsible for the other information. Our opinion on the financial statements does not cover the other information and, accordingly, we do not express an audit opinion or, except to the extent otherwise explicitly stated in this report, any form of assurance thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If we identify an apparent material inconsistency or material misstatement, we are required to perform procedures to conclude whether there is a material misstatement of the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report based on these responsibilities.

With respect to the Strategic Report and Directors' Report, we also considered whether the disclosures required by the UK Companies Act 2006 have been included.

Based on the responsibilities described above and our work undertaken in the course of the audit, ISAs (UK) require us also to report certain opinions and matters as described below.

Strategic Report and Directors' Report

In our opinion, based on the work undertaken in the course of the audit, the information given in the Strategic Report and Directors' Report for the year ended 30 June 2020 is consistent with the financial statements and has been prepared in accordance with applicable legal requirements.

In light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we did not identify any material misstatements in the Strategic Report and Directors' Report.

Responsibilities for the financial statements and the audit

Responsibilities of the directors for the financial statements

As explained more fully in the Statement of Directors' Responsibilities, the directors are responsible for the preparation of the financial statements in accordance with the applicable framework and for being satisfied that they give a true and fair view. The directors are also responsible for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

Use of this report

This report, including the opinions, has been prepared for and only for the company's members as a body in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and for no other purpose. We do not, in giving these opinions, accept or assume responsibility for any other purpose or to any other person to whom this report is shown or into whose hands it may come save where expressly agreed by our prior consent in writing.

Other required reporting

Companies Act 2006 exception reporting

Under the Companies Act 2006 we are required to report to you if, in our opinion:

- we have not received all the information and explanations we require for our audit; or
- adequate accounting records have not been kept by the company, or returns adequate for our audit have not been received from branches not visited by us; or
- certain disclosures of directors' remuneration specified by law are not made; or
- the financial statements are not in agreement with the accounting records and returns.

We have no exceptions to report arising from this responsibility.

Notes to the financial statements

1 Principal accounting policies

General information

Dechra Finance Sterling Limited acts as a financing company. The Company is incorporated and domiciled in England, UK and is a private limited company. The address of the registered office is 24 Cheshire Avenue, Cheshire Business Park, Lostock Gralam, Northwich, CW9 7UA.

Basis of preparation

The financial statements of Dechra Finance Sterling Limited have been prepared in accordance with Financial Reporting Standard 101, 'Reduced Disclosure Framework' (FRS 101). The financial statements have been prepared under the historical cost convention and in accordance with the Companies Act 2006.

The preparation of financial statements in conformity with FRS 101 requires the use of certain critical accounting estimates. It also requires management to exercise its judgement in the process of applying the Company's accounting policies. There are no areas involving a high degree of judgement. All accounting policies have been applied consistently other than where new policies have been adopted.

The following exemptions have been taken in preparing the financial statements;

- a) The requirements of IFRS 7 'Financial Instruments: Disclosures'
- b) The requirement of paragraphs 45(b) and 46 to 52 of IFRS 2 'Share-based payment', exempting the Company from preparing share based payment disclosures.
- c) The following requirements of IAS 1:
 - Paragraphs 10(d) and 111, exempting the Company from providing a cash flow statement and information;
 - Paragraph 16, exempting the Company from providing a statement of compliance with all IFRSs;
 - Paragraph 38A, exempting the Company from the requirement for a minimum of two of each primary statement and the related notes;
 - Paragraph 38B to D, exempting the Company from the requirement to present additional comparative information; and
 - Paragraphs 134 to 136, exempting the Company from presenting Capital Management disclosures.
- d) The requirements of IAS 7 'Statement of Cash Flows', exempting the Company from preparing a cash flow statement
- e) The requirements of paragraph 17 of IAS 24 'Related Party Disclosures', exempting the Company from disclosing details of all key management compensation.
- f) The requirements in IAS 24 'Related Party Disclosures' to disclose related party transactions with wholly-owned members of the Group.
- g) The requirements of paragraphs 30 and 31 of IAS 8 'Accounting Policies, Changes in Accounting Estimates and Errors' exempting the company from disclosing the impact of new accounting standards that have been issued but are not yet effective.

The directors intend that the Company will take advantage of the above disclosure exemptions for the year ended 30 June 2021.

Going concern

The directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. The Company therefore continues to adopt the going concern basis in preparing the financial statements.

Notes to the financial statements *(continued)*

1 Principal accounts policies *(continued)*

Adoption of new and revised standards

The following relevant standards, amendments to standards or interpretations have been adopted for the first time from 1 July 2019.

- IFRS 16 'Leases' provides a single lessee accounting model, requiring lessees to recognise assets and liabilities for all leases unless the lease term is 12 months or less or the underlying asset has a low value.
- IFRIC 23 'Uncertainty over Income Tax Treatment' provides clarity on how to apply the recognition and measurement requirements in IAS 12 'Income Taxes' when there is uncertainty over income tax treatments. Adoption of this interpretation did not have a material impact on the Company's financial statements.

The adoption of IFRS 16 'Leases' and IFRIC 23 'Uncertainty over Income Tax Treatment' from 1 July 2019 resulted in changes in accounting policies but did not have any impact on the financial statements for the year 30 June 2020, or retained earnings at 1 July 2019.

Current and deferred income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income, based on the applicable income tax rate for the UK, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses. The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred tax liability is settled. Deferred tax assets are recognised only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity.

Financial guarantee contracts

Where the Company enters into financial guarantee contracts to guarantee the indebtedness of other group companies, the Company considers these to be insurance arrangements, and accounts for them as such. In this respect, the Company treats the guarantee contract as a contingent liability until such time as it becomes probable that the Company will be required to make a payment under the guarantee.

Amounts owed by Subsidiary Undertakings

Amounts owed by subsidiary undertakings are initially recognised at fair value and subsequently measured at this value less loss allowances, calculated using the three stage IFRS 9 model.

Share capital

Ordinary shares are classified as equity. Preference shares are classified as equity. Incremental costs directly attributable to the issue of new ordinary shares or options are shown in equity as a deduction, net of tax, from the proceeds.

Dividend distribution

Dividend distributions to the Company's shareholders are recognised as a liability in the Company's financial statements in the year in which the dividends are approved by the Company's shareholders or, in the case of an interim dividend, when the dividend is paid.

Impairment

The carrying amounts of the Company's assets are reviewed at each statement of financial position date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated.

Notes to the financial statements *(continued)*

2 Finance income

	2020 £000	2019 £000
Interest income	5,788	5,706
Foreign exchanges gains	3,134	-
Total finance income	8,922	5,706

3 Finance costs

	2020 £000	2019 £000
Foreign exchange losses	-	1,653
Total finance costs	-	1,653

4 Profit before income tax

No directors received any emoluments in respect of services as director of this Company during the year (2019: nil).

Auditors' remuneration has been borne by the ultimate parent undertaking in the year (2019: nil).

5 Employees and directors

Excluding directors, the Company did not employ any persons during the year (2019: nil). The directors did not receive any emoluments in respect of their services to the Company (2019: nil).

6 Income tax (expense)/credit

Tax expense included in profit or loss

	2020 £000	2020 £000	2019 £000	2019 £000
<i>Current tax</i>				
UK Corporation tax on current year	1,100		(140)	
Prior year adjustment	10		(76)	
Total current tax		1,110		(216)
Income tax charge/(credit) on profit		1,110		(216)

Notes to the financial statements (continued)

6 Income tax (expense)/credit (continued)

The current tax expense is lower (2019: lower) than the standard rate of corporation tax in the UK of 19% (2019: 19%). The differences are explained below:

	2020 £000	2019 £000
Profit before taxation	8,922	4,053
Current tax charge at 19% (2019: 19%)	1,695	770
Effects of:		
Foreign Exchange	(595)	314
Impact of Financing	-	(1,224)
Prior year Adjustment	10	(76)
Total income tax expense/ (credit)	1,110	(216)

The UK current tax rate used for the period is 19% which is the enacted rate from 1 April 2017. An announcement was made in the Budget on 11 March 2020 (which was substantively enacted on 17 March 2020) for the main rate applicable from 1 April 2020 to remain at 19%, removing the previously enacted reduction to 17%.

7 Investments

	Shares in group undertakings £000
At 1 July 2019 and 30 June 2020	17,976

Investments comprise equity shares in:

Company	Country of incorporation	Principal activity	Registered address	Percentage of ordinary shares held
Dechra Finance Limited	England and Wales	Financial services	24 Cheshire Avenue, Cheshire Business Park, Lostock Gralam, Northwich, CW9 7UA	0%

Dechra Finance Sterling Limited holds one ordinary share in Dechra Finance Limited. Subsequent to the year end it came to the attention of the Directors that Dechra Finance Limited, a fellow subsidiary of the Dechra Pharmaceuticals Group in whom the Company holds an investment, incorrectly executed an internal financing transaction which resulted in the Company's shareholding being diluted. Following the identification of this manifest error, Dechra Finance Limited have corrected this position through issuing 18,265,545 shares via a bonus issue to the Company on 3 December 2020, correcting the ownership position to that which should have resulted from the financing transaction.

The Directors have considered whether or not as a result of the initial transaction the Investment as at 30 June 2020 is impaired and have concluded that in light of the rectification taken subsequent to the year end then no impairment is required.

Notes to the financial statements *(continued)*

8 Trade and other receivables

	2020 £000	2019 £000
Amounts owed by group undertakings	79,229	76,607
