INTRODUCTION

Introduction

This report has been prepared to provide Members and Creditors with an update on the progress of the Liquidation of the Company since the previous report dated 8 March 2023.

Given the information previously provided to Members and Creditors in an earlier report, detailed background information in respect of the Company has not been included and this report focusses on the progress of the Liquidation subsequent to that report.

A schedule of statutory information in respect of the Company is attached at Appendix 1.

Details of the appointment of the Joint Liquidators

Frank Wessely and Jo Leach of Quantuma Advisory Limited were appointed Joint Liquidators of the Company on 13 January 2021.

The Joint Liquidators confirm that they are authorised to carry out all functions, duties and powers by either one or both of them.

2. THE PROGRESS OF THE LIQUIDATION

A Receipts and Payments account is not attached as to date there have been no transactions.

The rest of this report describes the key developments in the Liquidation over the Review Period. A summary is provided of the main asset realisations during the Review Period and an estimation of those assets yet to be realised, together with details of costs incurred but as yet remaining unpaid.

Administrative, Statutory & Regulatory Tasks

The Joint Liquidators have met a considerable number of statutory and regulatory obligations. Whilst many of these tasks have not had a direct financial benefit in enhancing realisations for the insolvent estate, they have assisted in the efficient and compliant progressing of the Creditors' Voluntary Liquidation, which has ensured that the Joint Liquidators and their staff have carried out their work to high professional standards. Details of the tasks carried out during the Review Period are included in Appendix 2.

Realisation of assets

There have been no realisations in the Liquidation to date.

According to the Statement of Affairs lodged in these proceedings, the Company had no assets.

Estimated Future Realisations

At present it is not known whether there will be any realisations in the Liquidation.

3. CREDITORS: CLAIMS AND DISTRIBUTIONS

Secured Creditors

There are no known secured creditors of the Company.

Preferential Creditors

There are no known preferential creditors.

Secondary Preferential Creditors

In any insolvency process started from 1 December 2020, HM Revenue and Customs ('HMRC') is a Secondary Preferential Creditor for the following liabilities:

- VAT
- PAYE Income Tax
- Employees' NIC
- CIS deductions
- Student loan deductions

This will mean that, if there are sufficient funds available, any of the above amounts owed by the Company will be paid after the Preferential Creditors have been paid in full.

At this time, it is believed HMRC are not owed any funds and therefore will not form a secondary preferential creditor.

Prescribed Part

Under Section 176A of the Insolvency Act 1986, where after 15 September 2003 a company has granted to a creditor a floating charge, a proportion of the net property of the company must be made available purely for the Unsecured Creditors. This equates to:

- 50% of net property up to £10,000;
- Plus, 20% of net property in excess of £10,000.
- Subject to a maximum of £600,000.

The Company has not granted a floating charge to any Creditor after 15 September 2003 and consequently there will be no prescribed part in this Creditors Voluntary Liquidation.

Unsecured Creditors

Unsecured claims were estimated at £124,672 in the Director's Estimated Statement of Affairs and, to date, three claims have been received totalling £282,714.

Based on present information, it is not anticipated that a dividend will be paid to Unsecured Creditors.

4. OTHER MATTERS AND INFORMATION TO ASSIST CREDITORS

Investigations

As mentioned in my previous report, our initial reviews revealed matters that merited further investigation. Correspondence ensued with advisors acting for the Company's majority creditors to gather information and solicitors were instructed to advise on any potential claims.

The Joint Liquidators investigations have continued in the Review Period, and they have followed various lines of enquiry and identified a number of potential claims. Additionally, the Joint Liquidators have continued to seek further information from relevant parties and to seek advice from third parties regarding the potential realisations from the identified claims.

Further details will be provided in subsequent reports subject to matters of confidentiality and privilege.

To date this work has not yet generated any direct financial benefit to Creditors, it has been necessary to meet the statutory duties as well as conduct appropriate enquiries and investigations into potential rights of actions to enhance realisations.

Further Information

To comply with the Provision of Services Regulations, some general information about Quantuma Advisory Limited, including the complaints policy and Professional Indemnity Insurance, can be found at https://www.quantuma.com/legal-information.

Information about this insolvency process may be found on the R3 website here https://www.r3.org.uk/technical-library/england-wales/technical-quidance/creditor-guides/.

General Data Protection Regulation

In compliance with the General Data Protection Regulation, Creditors, Employees, Shareholders, Directors and any other Stakeholder who is an individual (i.e. not a corporate entity) in these insolvency proceedings is referred to the Privacy Notice in respect of Insolvency Appointments, which can be found at this link http://www.quantuma.com/legal-notices.

5. ETHICS

Please note that the Joint Liquidators are bound by the Insolvency Code of Ethics when carrying out all professional work relating to an insolvency appointment. Further information can be viewed at the following link https://www.gov.uk/government/publications/insolvency-practitioner-code-of-ethics Additionally the Joint Liquidators are also bound by the regulations of their Licensing Bodies.

General Ethical Considerations

During the Review Period, no new threats to compliance with the Code of Ethics have been identified.

Specialist Advice and Services

When instructing third parties to provide specialist advice and services or having the specialist services provided by the firm, the Joint Liquidators are obligated to ensure that such advice or work is warranted and that the advice or work contracted reflects the best value and service for the work undertaken. The firm reviews annually the specialists available to provide services within each specialist area and the cost of those services to ensure best value. The specialists chosen usually have knowledge specific to the insolvency industry and, where relevant, to matters specific to this insolvency appointment. Details of the specialists specifically chosen in this matter are detailed below.

Solicitors

Irwin Mitchell LLP were instructed by the Joint Liquidators in the previous reporting period to advise on appropriate legal matters relating to an Order made against the Company in relation to its share capital and assisting with the Joint Liquidators' investigations. Their costs have been agreed on the basis of their standard hourly charge out rates, plus expenses and VAT.

There have been no payments made to Irwin Mitchell LLP during the Review Period and as such their costs remain outstanding.

All professional costs are reviewed and analysed before payment is approved.

6. THE JOINT LIQUIDATORS' FEES AND EXPENSES

A copy of 'A Creditors Guide to Liquidators' Fees' effective from 1 April 2021 together with Quantuma Advisory Limited's current schedule of charge-out rates and chargeable expenses, which includes historical charging information, may be found at https://www.quantuma.com/guide/creditors-guide-fees/.

A hard copy of both the Creditors' Guide and Quantuma Advisory Limited's current and/or historic chargeout rate and expenses policies may be obtained on request at no cost.

Joint Liquidators' Fees

The basis of the Joint Liquidators' fees was fixed on 1 March 2021 as follows:

1. That the Joint Liquidators' fees be fixed by reference to the time given by the Joint Liquidators and their staff in attending to matters as set out in the fees estimate, such time to be charged at the prevailing standard hourly charge out rates used by Quantuma Advisory Limited at the time when the work is performed, capped at £15,000 (plus VAT).

As previously reported, a connected company, AAA Accelerator Group Europe AG, agreed to contribute to the fees of the Joint Liquidators should realisations in the Liquidation be insufficient. Invoices amounting to £45,000 (exclusive of VAT) have been raised in the previous Review Periods. This matter is ongoing.

Time Costs

There have been no fees drawn to date.

The Joint Liquidators believe this case generally to be of average complexity and no extraordinary responsibility has to date fallen upon them.

Comparison of Estimates

The Joint Liquidators' time costs incurred to date (whether or not they have been charged to the Liquidation estate) are compared with the original fees estimate and the actual time costs incurred to the end of the Review Period. The fees estimate covered the life of the case.

For a detailed schedule of work undertaken by the Joint Liquidators during the Review Period and the Whole Period, see Appendix 2. A detailed narrative list of the work undertaken during the Review Period is provided at Appendix 3.

Joint Liquidators' Expenses

An amended Statement of Insolvency Practice 9 (SIP 9), was issued on 1 April 2021. The amended SIP 9 has changed some of the terminology and introduced additional disclosure requirements. The information below may therefore not reflect the information previously provided.

Expenses	Original expenses estimate	Actual expenses incurred in the Review Period	Actual expenses incurred for the Whole Period	Reason for any excess (if the expenses are likely to, or have, exceeded the original estimate)
	£	£	£	
Category 1 expenses				
Solicitor's fees	0.00	-	5,300.00	These costs have been incurred by the instructed solicitors, Irwin Mitchell LLP, and have not been paid to date. This expense was not estimated at the outset.
Statutory & other Advertising	253.80	-	176.00	
Indemnity Bond	135.00	-	20.00	
Printing & Postage costs of external provider.	120.00	1.08	34.34	
Storage Costs	200.00	4.20	208.03	
Category 2 expenses				
Photocopying, scanning & faxes (per side)	150.00	-	-	Please be advised that, whilst it was originally envisaged that these expenses would be
Stationery (Per Report/letter per Member/Creditor)	150.00	-	•	charged to the estate as Category 2 disbursements, this has no longer been allowed since 1 April 2021
TOTAL	1,008.80	5.28	5,738.37	

The expenses, which include disbursements that have been incurred and not yet paid during the Review Period and the Whole Period are detailed below. This includes a comparison of the expenses likely to be incurred in the Liquidation as a whole with the original expenses estimate, together with reasons where any expenses are likely to exceed that estimate.

No expenses have been paid from the Liquidation during the Review Period as the Liquidation is without funds.

Creditors agreed that Category 2 disbursements could be drawn on 1 March 2021. Please note that some Category 2 expenses that have previously been approved and their estimated costs or basis of their cost provided as part of the expenses estimate may not be discharged from the estate from 1 April 2021. These are indicated in the table above.

Cost to Closure

Having regard for the costs that are likely to be incurred in bringing this Liquidation to a close, the Joint Liquidators consider that:

- the original fees estimate has been exceeded; and
- the original expenses estimate has been exceeded for the reasons given above.

The main reasons why the original fees estimate has been exceeded is explained below:

Administration and Planning: Due to the additional time and work carried out in respect of investigations and asset realisation the administration of the case has continued for an extended period of time. This has therefore led to additional time being spent on administrative tasks such as case reviews and other matters such as time spent dealing with administrative and associated compliance requirements as a result of recently introduced legislative changes not anticipated at the outset.

Creditors: The volume of correspondence and communications with creditors in this case has been considerably higher than was anticipated.

Asset Realisations and Investigations: Continuing to investigate various avenues of enquiries, over and above the statutory requirements to report on the directors' conduct, to establish if there are any potential claims which could be pursued for the benefit of creditors.

Given the limited realisations in this case to date, the Joint Liquidators do not propose to request authority to draw fees in excess of the original fees estimate at present.

Creditors' right to request information

Any Secured Creditor, or Unsecured Creditor with the support of at least 5% in value of the Unsecured Creditors or with permission of the Court, may request in writing the Joint Liquidators to provide additional information regarding remuneration or expenses to that already supplied within this report. Such requests must be made within 21 days of receipt of this report.

Creditors' right to challenge remuneration and/or expenses

Any Secured Creditor, or Unsecured Creditor with the support of at least 10% in value of the Unsecured Creditors or with permission of the Court, may apply to the Court for one or more orders, reducing the amount or the basis of remuneration which the Joint Liquidators are entitled to charge or otherwise challenging some or all of the expenses incurred.

Such applications must be made within 8 weeks of receipt by the applicant(s) of the progress report detailing the remuneration and/or expenses being complained of.

Please note that such challenges may not disturb remuneration or expenses disclosed in prior progress reports.

Future of the Liquidation

My administration of the Liquidation will continue until our investigations are finalised and any further actions are pursued and concluded. Once this is complete the Joint Liquidators will then seek their release from office by issuing their final account to members and creditors.

Should you have any queries in regard to any of the above please do not hesitate to contact Jasdeep Koundu on 01628 478100 or by e-mail at Jasdeep.Koundu@quantuma.com.
