**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 JANUARY 2023**

1. General information

Hudswell Investments Ltd is a private company limited by share capital, incorporated in England and Wales, registration number 10289851. The address of the registered office is 16 - 19 Eastcastle Street, Fitzrovia, London, W1W 8DY.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention unless otherwise specified within these accounting policies and in accordance with Section 1A of Financial Reporting Standard 102, the Financial Reporting Standard applicable in the UK and the Republic of Ireland and the Companies Act 2006.

The following principal accounting policies have been applied:

2.2 Cash and cash equivalents

Cash is represented by cash in hand and deposits with financial institutions repayable without penalty on notice of not more than 24 hours. Cash equivalents are highly liquid investments that mature in no more than three months from the date of acquisition and that are readily convertible to known amounts of cash with insignificant risk of change in value.

2.3 Creditors

Short-term creditors are measured at the transaction price. Other financial liabilities, including bank loans, are measured initially at fair value, net of transaction costs, and are measured subsequently at amortised cost using the effective interest method.

2.4 Financial instruments

The Company only enters into basic financial instrument transactions that result in the recognition of financial assets and liabilities like trade and other debtors and creditors, loans from banks and other third parties, loans to related parties and investments in ordinary shares.

Investments in non-derivative instruments that are equity to the issuer are measured:

- at fair value with changes recognised in the Profit and Loss Account if the shares are publicly traded or their fair value can otherwise be measured reliably;
- at cost less impairment for all other investments.

3. Employees

The average monthly number of employees, including directors, during the year was 1 (2022 - 1).

4. Taxation

No charge to tax arises on the current year book profits as the increase in the market value of the investment portfolio is outside the scope of UK corporation tax as an unrealised gain.

Subject to the agreement of HM Revenue and Customs there are unrelieved losses available to carry forward against the same trade of approximately £67K.
