4 Nature of Security

4.1 Continuing security

- 4.1.1 The Security created by this Deed is continuing notwithstanding any intermediate payment or settlement of all or any part of the Secured Liabilities or any other matter and will extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment or discharge in whole or in part.
- 4.1.2 If any purported obligation or liability of a Chargor to the Secured Parties which if valid would have been the subject of any obligation or charge created by this Deed is or becomes invalid, unenforceable or illegal in any way whatsoever, the Chargors shall nevertheless be liable in respect of that purported obligation or liability as if the same were fully enforceable and the Chargors were the principal debtors in respect thereof. Each Chargor agrees to keep the Secured Parties fully indemnified against all damages, losses, costs and expenses arising from any failure of a Chargor to carry out any such purported obligation or liability.
- 4.1.3 The obligations and liabilities of each Chargor under this Deed will not be affected by any act, omission, matter or thing which, but for this paragraph, would reduce, release or prejudice any of its obligations or liabilities under this Deed (without limitation and whether or not known to any Secured Party) including:
 - (a) any time, waiver or consent granted to, or composition with, a Chargor or other person;
 - (b) the release of a Chargor or any other person under the terms of any composition or arrangement with any creditor of any person;
 - (c) the taking, variation, compromise, exchange, renewal or release of, or refusal or neglect to perfect, take up or enforce, any rights against, or security over any assets of a Chargor or any other person or any non-presentation or non-observance of any formality or other requirement in respect of any instrument or any failure to realise the full value of any Security;

- (d) any incapacity or lack of power, authority or legal personality of or dissolution or change in the members or status of a Chargor or any other person;
 - (e) any amendment (however fundamental) or replacement of any Finance Document or any other document or Security;
 - (f) any unenforceability, illegality or invalidity of any obligation of any person under any Finance Document or any other document or Security; or
 - (g) any insolvency or similar proceedings.
- 4.1.4 Until the Security Period has ended and unless the Security Agent otherwise directs, no Chargor will exercise any rights which it may have by reason of performance by it of its obligations under this Deed:
- (a) to be indemnified by a Chargor (including any rights it may have by way of subrogation);
 - (b) to claim any contribution from any guarantor of a Chargor of the obligations under the Finance Documents;
 - (c) to take the benefit (in whole or in part and whether by way of subrogation or otherwise) of any right of the Security Agent or any of the other Secured Parties under any Finance Document or of any other guarantee or Security taken pursuant to, or in connection with, the Finance Documents;
 - (d) to claim, rank, prove or vote as a creditor of a Chargor or its estate in competition with the Security Agent or any of the other Secured Parties; and/or
 - (e) receive, claim or have the benefit of any payment, distribution or security from or on account of any other Chargor, or exercise any right of set-off against any other Chargor.
- 4.1.5 Each Chargor shall hold on trust for and immediately pay or transfer to the Security Agent any payment or distribution or benefit of Security received by it contrary to this Clause.
- 4.1.6 Each Chargor waives any right it may have of first requiring the Security Agent to proceed against or enforce any other rights or Security or claim payment from any person before claiming from a Chargor under a Finance Document. This waiver applies irrespective of any law or any provision of the Finance Document to the contrary.
- 4.1.7 Until the Security Period has ended, the Security Agent may refrain from applying or enforcing any other monies, Security or rights held or received by the Security Agent in respect of those amounts, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and a Chargor shall not be entitled to the benefit of the same.
- 4.1.8 Without prejudice to the generality of Clause 4.1.2, each Chargor expressly confirms that it intends that the Security constituted by this Deed shall extend from time to time to any (however fundamental) variation, increase, extension or addition of or to the Secured Liabilities as a result of the amendment and/or restatement of the Facility Agreement and/or any of the other Finance Documents and/or any additional facility or amount which is made available under any of the Finance Documents for the purposes of or in connection with any of the following: business acquisitions of any nature; increasing working capital; enabling investor distributions to be made; carrying out restructurings; refinancing existing facilities; refinancing any other indebtedness; making facilities available to new borrowers; any other variation or extension of the purposes for which any such facility or amount might be made available from time

to time; and any fees, costs and/or expenses associated with any of the foregoing.

4.2 Non-merger of Security

The Security created by this Deed is to be in addition to and shall neither be merged with nor in any way exclude or prejudice or be affected by any other Security or other right which the Security Agent may now or after the date of this Deed hold for any of the Secured Liabilities, and this Deed may be enforced against any Chargor without first having recourse to any other rights of the Security Agent.

5 Further assurances and protection of priority

- (b) to confer on the Security Agent or confer on the Secured Parties, Security over any assets of a Chargor, located in any jurisdiction, equivalent or similar to the Security intended to be conferred by or pursuant to this Deed and, pending the conferring of such Security, hold such assets upon trust (or in any manner required by the Security Agent) for the Secured Parties; and/or

Any settlement or discharge between a Chargor and the Security Agent shall be conditional upon no security or payment to the Security Agent by a Chargor or any other person being avoided, set aside, ordered to be refunded or reduced by virtue of any provision or enactment relating to insolvency and accordingly (but without limiting the other rights of the Security Agent under this Deed) the Security Agent shall be entitled to recover from each Chargor the value which the Security Agent has placed on that security or the amount of any such payment as if that settlement or discharge had not occurred.

15 Ruling-off accounts

If the Security Agent receives notice of any subsequent Security or other interest affecting any of the Security Assets (except as permitted by the Facility Agreement) it may open a new account for each relevant Chargor in its books. If it does not do so then (unless it gives written notice to the contrary to the Chargors or any of them), as from the time it receives that notice, all payments made by the relevant Chargor to it (in the absence of any express appropriation to the contrary) shall be treated as having been credited to a new account of that Chargor and not as having been applied in reduction of the Secured Liabilities.

16 Power of attorney

Each Chargor, by way of security, irrevocably and severally appoints each of the Security Agent and any Receiver as its attorney (with full power of substitution and delegation) in its name and on its behalf and as its act and deed to execute, seal and deliver (using the company seal where appropriate) and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which it ought to execute and do under the terms of this Deed, or which may be required or deemed proper in the exercise of any rights or powers conferred on the Security Agent or any Receiver under this Deed or otherwise for any of the purposes of this Deed, and each Chargor covenants with each of the Security Agent and any Receiver to ratify and confirm all such acts or things made, done or executed by that attorney.

17 Delegation

- 17.1 A Secured Party may, at any time, delegate by power of attorney or otherwise to any person for any period, all or any of the rights, powers and discretions vested in it by or pursuant to this Deed.
- 17.2 That delegation may be made upon any terms and conditions (including the power to sub-delegate) and subject to any restrictions that that Secured Party may, in its discretion, think fit in the interests of the Secured Parties and it shall not be bound to supervise, or be in any way responsible for any loss incurred by reason of any misconduct or default on the part of any such delegate or sub-delegate.

18 Miscellaneous

18.1 Assignment

No Chargor may assign any of its rights or transfer any of its rights or obligations under this Deed. The Security Agent may assign and transfer all or any part of its rights and obligations under this Deed to any successor appointed in accordance with the Finance Documents.

18.2 Counterparts

- 18.2.1 This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.
- 18.2.2 Failure by one or more Parties (the **Non-Signatories**) to execute this Deed on the date of this Deed will not invalidate the provisions of this Deed as between the other Parties who do execute this Deed. Any Non-Signatories may execute this Deed (or a counterpart of this Deed) on a subsequent date and will thereupon become bound by its provisions.
- 18.2.3 If any one or more of the Chargors is not bound by any or all of the provisions of this Deed (whether by reason of lack of capacity, improper execution, failure to execute or for any other reason whatsoever) the remaining Chargors shall nonetheless continue to be bound as if such Chargor had never been a party.

18.3 Covenant to release

At the end of the Security Period, the Security Agent shall, at the request and cost of the Chargors, release the Security Assets from the security constituted by this Deed (including any assignment by way of security).

18.4 Notice of charge

Pursuant to section 136 of the Law of Property Act 1925, this Deed constitutes notice in writing to HSBC UK Bank plc of any charge or assignment granted by a Chargor under this Deed or an Accession Deed (which, without limitation, includes any charge or assignment of an Account held with HSBC UK Bank plc).

19 Governing Law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

20 Jurisdiction

- 20.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute relating to the existence, validity or termination of this Deed or any non-contractual obligation arising out of or in connection with this Deed) (a **Dispute**).
- 20.2 The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.
- 20.3 This Clause is for the benefit of the Security Agent only. As a result, the Security Agent shall not be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Security Agent may take concurrent proceedings in any number of jurisdictions.

In witness this Deed is executed on the date appearing at the head of page 1.
