## **IP2IPO Portfolio (GP) Limited**

### **Report of the Directors for the Year Ended 31 December 2022**

The directors present their report with the financial statements of the Company for the year ended 31 December 2022.

#### **DIVIDENDS**

No dividends will be distributed for the year ended 31 December 2022 (year ended 31 December 2021: £nil).

#### **DIRECTORS**

The directors shown below have held office during the whole of the period from 1 January 2022 to the date of this report.

D G Baynes  
G Smith  
C E Glasson  
A Leach

#### **POLITICAL DONATIONS AND EXPENDITURE**

During the year ended 31 December 2022, the Company made no political or charitable donations (year ended 31 December 2021: £nil).

#### **GOING CONCERN**

Notwithstanding net current liabilities, excluding debtors more than one year, of £8,525 as at 31 December 2022, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

After reviewing the cash flow forecasts for a period of at least 12 months, the directors are satisfied that taking account of reasonably possible downsides, the Company will have sufficient funds to meet its liabilities as they fall due for that period. For this reason, the directors consider it appropriate to adopt the going concern basis in preparing these financial statements.

The directors have considered the impact of the other uncertainties and their potential implications on future operations. Whilst there are significant wider market uncertainties which may impact the Company, the directors do not believe this will impact the ability of the Company to continue as a going concern for at least the next 12 months.

Those forecasts are dependent on Top Technology Ventures Limited not seeking repayment of the amounts currently due to the Company, which at 31 December 2022 amounted to £8,525. Top Technology Ventures Limited has indicated via a letter of support that it does not intend to seek repayment of these amounts for the period covered by the forecasts. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

#### **FUTURE OUTLOOK**

The directors believe that the Company will continue to operate satisfactorily for the foreseeable future.

#### **STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS**

So far as the directors are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the company's auditors are unaware, and each director has taken all the steps that he or she ought to have taken as a director in order to make himself or herself aware of any relevant audit information and to establish that the company's auditors are aware of that information.

#### **AUDITORS**

The auditor Moore NHC Audit Limited, is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

### **Statement of Directors' Responsibilities for the Year Ended 31 December 2022**

The directors are responsible for preparing the Report of the Directors and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

## **Report of the Independent Auditors to the Members of IP2IPO Portfolio (GP) Limited**

### **Opinion**

We have audited the financial statements of IP2IPO Portfolio (GP) Limited (the 'company') for the year ended 31 December 2022 which comprise the statement of comprehensive income, the balance sheet, the statement of changes in equity and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 101 'Reduced Disclosure Framework'.

In our opinion the financial statements:

- give a true and fair view of the state of the company's affairs as at 31 December 2022 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

### **Basis for opinion**

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Conclusions relating to going concern**

In auditing the financial statements, we have concluded that the directors' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the directors with respect to going concern are described in the relevant sections of this report.

### **Other information**

The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. The directors are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements, or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

### **Opinions on other matters prescribed by the Companies Act 2006**

In our opinion, based on the work undertaken in the course of our audit:

- the information given in the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the directors' report have been prepared in accordance with applicable legal requirements.

### **Matters on which we are required to report by exception**

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

## **Report of the Independent Auditors to the Members of IP2IPO Portfolio (GP) Limited**

### **Responsibilities of directors**

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error. In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud, is detailed below.

### **Explanation as to what extent the audit was considered capable of detecting irregularities, including fraud**

The objectives of our audit in respect of fraud, are to identify and assess the risks of material misstatement of the financial statements due to fraud; to obtain sufficient appropriate audit evidence regarding the assessed risks of material misstatement due to fraud, through designing and implementing appropriate responses to those assessed risks; and to respond appropriately to instances of fraud or suspected fraud identified during the audit. However, the primary responsibility for the prevention and detection of fraud rests with both management and those charged with governance of the company.

Our approach was as follows:

- We obtained an understanding of the legal and regulatory requirements applicable to the company and considered that the most significant are the Companies Act 2006, UK financial reporting standards as issued by the Financial Reporting Council, and UK taxation legislation.
- We obtained an understanding of how the company complies with these requirements by discussions with management and those charged with governance.
- We assessed the risk of material misstatement of the financial statements, including the risk of material misstatement due to fraud and how it might occur, by holding discussions with management and those charged with governance.
- We inquired of management and those charged with governance as to any known instances of non-compliance or suspected non-compliance with laws and regulations.

Based on this understanding, we designed specific appropriate audit procedures to identify instances of non-compliance with laws and regulations. This included making enquiries of management and those charged with governance and obtaining additional corroborative evidence as required.

A further description of our responsibilities is available on the Financial Reporting Council's website at: <https://www.frc.org.uk/auditorsresponsibilities>. This description forms part of our auditor's report.

### **Use of our report**

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

## **IP2IPO Portfolio (GP) Limited**

### **Notes to the Financial Statements for the Year Ended 31 December 2022**

#### **1. STATUTORY INFORMATION**

IP2IPO Portfolio (GP) Limited is a private company, limited by shares, registered in England and Wales. The Company's registered number and registered office address can be found on the Company Information page.

The principal activity of IP2IPO Portfolio (GP) Limited (the "Company") during the year was the management of IP2IPO Portfolio L.P. (the "Partnership"), a limited partnership which funds the formation, building and development of spin-out companies specialising in the commercialisation of scientific innovations developed at leading universities and research institutions in the UK with a view to making a profit. The Company has assigned its parent company, Top Technology Ventures Limited to act as "Operator" and has appointed IP Group plc to advise on and manage the investments of the Partnership.

#### **2. ACCOUNTING POLICIES**

##### **Basis of preparation**

The Financial Statements of IP2IPO Portfolio (GP) Limited (the "Company") are for the year ended 31 December 2022. The principal accounting policies adopted in the preparation of the financial statements are set out below. The policies have been consistently applied to all the years presented, unless otherwise stated. These financial statements have been prepared in accordance with Financial Reporting Standard 101 Reduced Disclosure Framework ("FRS 101").

In these financial statements, the Company has applied the exemptions available under FRS 101 in respect of the following disclosures: a Cash Flow Statement and related notes; disclosures in respect of transactions with wholly owned subsidiaries; disclosures in respect of capital management; and disclosures of transactions with a management entity that provides key management personnel services to the Company. The Company has also applied the exemption from the requirements of IFRS 7 Financial Instruments: Disclosures, the equivalent disclosures are included in the IP Group plc consolidated financial statements.

##### **Changes in accounting policies**

##### **(i) New standards, interpretations and amendments effective from 1 January 2022**

There are no amendments to accounting standards, or IFRIC interpretations that are effective for the year ended 31 December 2022 that have had a material impact on the Company's financial statements.

##### **(ii) New standards, interpretations and amendments not yet effective**

No new standards, interpretations and amendments not yet effective are expected to have a material effect on the Company's future financial statements.

##### **GOING CONCERN**

Notwithstanding net current liabilities, excluding debtors more than one year, of £8,525 as at 31 December 2022, the financial statements have been prepared on a going concern basis which the directors consider to be appropriate for the following reasons.

After reviewing the cash flow forecasts for a period of at least 12 months, the directors are satisfied that taking account of reasonably possible downsides, the Company will have sufficient funds to meet its liabilities as they fall due for that period. For this reason, the directors consider it appropriate to adopt the going concern basis in preparing these financial statements.

The directors have considered the impact of the ongoing uncertainties and their potential implications on future operations. Whilst there are significant wider market uncertainties which may impact the Company, the directors do not believe this will impact the ability of the Company to continue as a going concern for at least the next 12 months.

Those forecasts are dependent on Top Technology Ventures Limited not seeking repayment of the amounts currently due to the Company, which at 31 December 2022 amounted to £8,525. Top Technology Ventures Limited has indicated via a letter of support that it does not intend to seek repayment of these amounts for the period covered by the forecasts. As with any company placing reliance on other group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Consequently, the directors are confident that the Company will have sufficient funds to continue to meet its liabilities as they fall due for at least 12 months from the date of approval of the financial statements and therefore have prepared the financial statements on a going concern basis.

##### **Fund management services**

Fund management fees include fiduciary fund management fees which are generally earned as a fixed fee and are recognised as the related services are provided.

## IP2IPO Portfolio (GP) Limited

### Notes to the Financial Statements - continued for the Year Ended 31 December 2022

#### 2. ACCOUNTING POLICIES - continued

##### Taxation

The charge for taxation is based on the profit for the year and takes into account taxation deferred because of timing differences between the treatment of certain items for taxation and accounting purposes.

##### Related party transactions

In accordance with IAS 24 "Related Parties Disclosures", the Company discloses details of material transactions between the reporting entity and related parties. However, transactions between the Company and other Group companies have not been disclosed in accordance with the exemption in IAS 24 paragraph 16.

#### 3. TURNOVER
