- Appendix 1, an account of my receipts and payments for the year ended 10 May 2022 and accumulative for the whole liquidation period from 11 May 2021 to 6 July 2022. The interest bearing client account for this liquidation estate is held with HSBC Bank plc.

3 Liquidator's Actions Since Appointment

- 3.1 Subsequent to my appointment I took necessary steps to realise the company's assets.
- 3.2 I corresponded with the Company's bank to recover any funds held in the Company's account. However, I was advised that there were no funds held in the Company's bank account.
- 3.3 Furthermore, I corresponded with the landlord and other parties to recover any refunds that may be due to the Company. However, no refunds were due to the Company. Therefore, no further realisations could be achieved.
- 3.4 In addition to dealing with the matters relating to asset realisations I have carried out detailed investigation into the affairs of the Company with the view to identify rights of action to recover funds for the benefit of creditors.
- 3.5 I have also carried out detailed correspondence with various parties including company's bankers, accountants and directors to gather information, recover the Company's accounting records and to carryout enquiries into the affairs of the Company.
- 3.6 My time costs incurred in dealing with investigation work also include time incurred in making enquiries about directors' conduct and preparing and submitting a report on directors' conduct to the Insolvency Service / the Secretary of State.

4 The Company Assets

- 4.1 The director's sworn statement of affairs which was sent out to creditors on 30 April 2021 sets out the estimated position of the Company's assets.

Cash at Bank

- 4.2 The director's statement of affairs estimated cash at Bank of £130. Subsequent to my appointment I wrote to the Company's Bank, National Westminster Bank plc, to recover any funds held in the bank account. However, no funds could be recovered as there were no funds in the company's bank account.

5 Investigation into the affairs of the Company

- 5.1 I undertook an initial investigation into the Company's affairs to establish whether there were any potential asset recoveries or conduct matters that justified further investigation, taking account of the public interest, potential recoveries, the funds likely to be available to fund an investigation, and the costs involved. There were no matters that justified further investigation in the circumstances of this appointment.

6 Report on Director's conduct

- 6.1 I am required to submit a confidential report to the Insolvency Service / the Secretary of State to include any matters which have come to my attention during the course of my work which may indicate that the conduct of any past or present Director would make him unfit to be concerned with the management of the Company. I would confirm that my report has been submitted.

7 Liabilities

Preferential Creditors

- 7.1 A sum of £18,801.14 is owed to HM Revenue & Customs in respect of VAT as secondary preferential debts.

Secured Creditors

- 7.2 The Company do not have any secured creditors.

Unsecured Creditors

- 7.3 The statement of affairs indicated non-preferential unsecured creditors totalling £5,624.97.

8 Prescribed Part

- 8.1 The 'Prescribed Part' provisions of Section 176A of the Insolvency Act do not apply to this case as there is no charge over the assets of the Company created after 15 September 2003. This section provides that a proportion of the net assets which would otherwise be paid to the floating charge holder are set aside for the benefit of the unsecured creditors.

9 Dividend

- 9.1 Unfortunately, there are insufficient funds available for a dividend to be paid to the creditors of the Company.

10 Statutory Obligations

- 10.1 In addition to the matters explained above time costs have been incurred in complying with various statutory obligations under various provisions of the insolvency legislation during the course of the liquidation to date.

11 Final return and dissolution of the Company

- 11.1 I am required to submit a final return on the conclusion of the liquidation to the registrar of companies. The Company will then be dissolved usually after three months of conclusion of the liquidation.

12 Destruction of the Company's Books and Records

- 12.1 Pursuant to regulation 16(2) of the Insolvency Regulations 1994 the Company's books and records can be destroyed or disposed of at any time after the expiration of a period of one year from the date of dissolution.

13 Pre-appointment Remuneration

- 13.1 The creditors previously authorised the payment of a fee of £4,000 for my assistance with preparing the statement of affairs and seeking a decision from the creditors on the nomination of a liquidator.

- 13.2 The fee for preparing the statement of affairs and seeking a decision from the creditors on the nomination of a liquidator could not be paid due to no realisations.

14 Remuneration

- 14.1 My remuneration was approved on a time cost basis based on a fees estimate of £28,945.50. The fees estimate acts as a cap and I cannot draw remuneration in excess of that estimate without first seeking approval from the creditors.

- 14.2 The creditors were provided information about the liquidator's fee along with the details of the hourly chargeout rates for all grade of staff, with the fee approval report.

- 14.3 A creditor's guide to liquidator's remuneration can be accessed on the website of the Association of Business Recovery Professionals <http://www.r3.org.uk> (Navigate via 'Technical Library, Technical Guidance' to 'Fees') or at this link

<https://www.r3.org.uk/technical-library/england-wales/technical-guidance/fees/more/29114/page/1/guide-to-liquidators-fees/>

- 14.4 Further information about creditors' rights can be obtained by visiting the creditors' information micro-site published by the Association of Business Recovery Professionals (R3) at <http://www.creditorinsolvencyguide.co.uk/>.

- 14.5 An analysis of time costs in accordance with the Statement of Insolvency Practice 9 is attached at Appendix 3.

- 14.6 Our time costs incurred during the year ended 10 May 2022 for dealing with the Company's affairs is £12,201.50. A total of 44.20 hours were spent at a blended chargeout rate of £276.05. Time is charged in the units of 6 minutes.

- 14.7 Our accumulative time costs incurred up to date are £15,041 against which no fees have been drawn due to insufficient realisations. A total of 54.40 hours were spent at a blended chargeout rate of £276.49.

- 14.8 The actual blended charge out rate incurred slightly exceeded the estimated blended charge out rate of £266.93 in my fees estimate. This is due to the involvement of senior members of staff in carrying out some aspects of the case to ensure quality of the work.

- 14.9 As at the date of this report I do not anticipate that the total time costs I will incur in this matter will exceed the total estimated remuneration I set out in my fees estimate when my remuneration was authorised by the creditors.

- 14.10 A description of the routine work undertaken since my appointment as Liquidator is as follows:

1. Administration and Planning

This represents the work involved in the routine administrative functions of the case by the office holder and their staff, together with the control and supervision of the work done on the case by the office holder and their managers.
