Strategic report

The directors present their strategic report on Aurora FE Limited ("the Company") for the year ended 30 April 2019. Throughout this document, references to the "Company" refer to its parent, Aurora Care and Education Holdings Limited. References to the "Group" and "Aurora Group" refer to Aurora Care and Education Holdings Limited and its subsidiaries.

Principal activities

The Company is a provider of education and care for children, young people and adults with special needs.

The Company opened Aurora Boveridge College in September 2017, an independent specialist college aimed at offering a range of academic and vocational courses leading to employment for young people with special education needs. The Company continues to invest in the development of the facilities and service offering, so that it can best support those in its care and provide an optimised learning space for students of the college.

During the prior year, the Company purchased Foxes Academy Limited, its subsidiary Trybond Limited (together Foxes) and Reynard Care and Support Agency Limited (Reynard) (together the Foxes Group). The Foxes Group operates a specialist catering college and a training hotel for young adults with learning disabilities.

Results and dividends

The loss for the year amounted to £206,663 (2018: loss of £667,731). The Company has net liabilities of £947,804 (2018: £741,141); this is in line with management's expectations, is typical for a business in its infancy and is further explained in the going concern accounting policy. The directors cannot recommend payment of a dividend during the year and have not recommended payment of a dividend since the year end (2018 dividends: £nil).

Key Performance Indicators

The directors consider the financial key performance indicators for the Company to be turnover and earnings before interest, tax, depreciation and amortisation (EBITDA). These metrics best reflect the financial performance of the Company and are consistent with how the finances of the business are assessed and managed on an operational basis. In addition, as the Company continues to grow through acquisitions, cash flow and net debt is reviewed by the business on a regular basis.

	Year to 30 April 2019	Year to 30 April 2018
Turnover	£2,329,673	£697,226
EBITDA	£(33,452)	£(724,422)

The Company's trading in the current year includes a full year's contribution from Aurora Boveridge College, which was set up in the prior year; however, this school contributed less than a full year's trading in the prior year. In addition, there has been a successful drive to maximise occupancy in all of the Group's services and this is reflected in the increases in both turnover and EBITDA.

Principal risks and uncertainties

The directors recognise that the degree of exposure to risks and the Company's ability to manage those risks effectively will influence how successful the business is. The directors identify, assess and manage the risks associated with the business objectives and strategy. Below are the principal risks and uncertainties that may affect the Company and the relevant mitigating factors.

Economic and policy risk

The majority of the Company's revenue in the next financial year will be generated from Local Authorities, Clinical Commissioning Groups (CCG's) and other publicly funded bodies. As such, the success of the Company is linked to the willingness of such public bodies to fund the Company's services. Uncertainty surrounds public body budgets and policy and a change in either, relating to education, health and social care, may pose a risk to the Company. To mitigate this risk, the Company endeavours to keep abreast of future and proposed legislative changes, assesses public body demand through regular dialogue, and reviews fees and value for money within the marketplace.

The directors have considered the potential consequences of the UK's leaving the European Union (EU). The Group neither exports nor makes significant imports but does employ staff from other EU countries. The directors do not anticipate any immediate impact on the availability of its current staff and continues to monitor the situation.

Strategic Report (continued)

Principal risks and uncertainties (continued)

Regulatory risk

All the services of the Company and its subsidiaries are regulated by the Office for Standards in Education, Children's Services and Skills (Ofsted) or the Care Quality Commission (CQC). The key risks posed by operating within a heavily regulated environment are the introduction of new regulations and failure to meet existing regulations. Failure to comply with regulatory requirements may result in restrictions to a service, the loss of child, young person and adult placements, and reputational risk. To mitigate regulatory risk, robust policies and procedures have been implemented throughout the Company, a Governance framework established, regular internal audits completed, and quality inspections are carried out by an independent team. Further to this, rigorous recruitment and training procedures are in place to ensure that our employees are appropriately equipped to work within our services.

Business and operational risk

The success of the business depends on the ability of management to identify services for which there is demand and to build or acquire suitable sites at an appropriate price in order to align services to this demand. The Company then relies on efficient and well controlled processes. The potential impact and likelihood of processes failing and operational risk materialising is assessed on a regular basis. Where these likelihoods are felt to be outside of the directors' appetite for risk, management actions and/or control improvements are identified in order to bring each potential risk back to within acceptable levels. The Company also has a disaster recovery plan in place for all services covering current business requirements. There is a system of internal controls which seek to ensure that events which would damage the reputation of the business are prevented. Management is active in seeking knowledge on changes to the business environment which may have an impact on the way that the Company does business.

Credit risk

The credit risk is primarily attributable to the Company's trade debtors, which are predominantly public bodies. The amounts presented in the balance sheet are net of allowance for doubtful receivables. The credit risk is limited because the debtors are public bodies and there is no indication that there has been a change in their ability to pay. The public bodies concerned have not been downgraded as a result of the UK's decision to leave the EU.

Liquidity risk

By managing liquidity, the Company aims to ensure it can meet its financial obligations as and when they fall due.

As detailed in Note 1, the financial statements have been prepared on a going concern basis, in support of which the Board have reviewed the Company's trading forecasts for the next twelve months taking into account the current macroeconomic environment. As a result, the directors are confident that the assumptions underlying these forecasts are reasonable and that the Group will be able to operate on this basis.

Future developments

The directors expect the general level of activity to increase in the forthcoming year, as demand and popularity of the school remains stable and as capacity at the school increases. The directors hope to realise the impact of increased occupancy extracted from the remodelling and redevelopment projects. The directors do not foresee any events outside the Company's control which are expected to have significant impact on the business. The directors have assessed risks to business above.

Approved by the Board and signed on its behalf by:

S Ramalingam
Director

Date: 10 September 2019

Directors' report

The directors present their annual report on the affairs and the audited financial statements of Aurora FE Limited, together with the audited financial statements and auditor's report for the year ended 30 April 2019.

Going concern

The financial statements have been prepared on the going concern basis, which the directors believe to be appropriate because of the reasons below.

The Company is a 100% owned subsidiary of Aurora Care and Education Holdings Limited, the parent company of The Aurora Group. The majority of the Company's liabilities represent amounts due to fellow Group companies. The sole shareholder of the Aurora Group, Octopus Capital Limited has provided the Company with an undertaking that, for at least 12 months from the date of approval of these financial statements, it will continue to provide financial support to enable the Company to meet all its current and future obligations.

As with any company placing reliance on other Group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis.

Directors

The directors who served the Company during the year and up to the date of the report were as follows:

S Bradshaw (resigned 1 May 2018)
H Brassington (appointed 1 May 2018, resigned 26 September 2018)
S Ramalingam (appointed 14 November 2018)
K Rudd (appointed 1 May 2018, resigned 4 February 2019)
D Slater (appointed 14 November 2018)
J Young (appointed 23 April 2019)

Political contributions

The Company has made no political contributions or incurred any political expenditure during the year (2018: £nil).

Director's indemnities

The Company has made qualifying third party indemnity provisions for the benefit of its directors which were made during the year and remain in force at the date of this report

Disabled employees

Applications for employment by disabled persons are always fully considered, bearing in mind the abilities of the applicant concerned. In the event of members of staff becoming disabled every effort is made to ensure that their employment with the Company continues and that appropriate training is arranged. It is the policy of the Company that the training, career development and promotion of disabled persons should, as far as possible, be identical to that of other employees.

Employee consultation

The Company places considerable value on the involvement of its employees and has continued to keep them informed on matters affecting them as employees and on the various factors affecting the performance of the Company. This is achieved through formal and informal meetings and via Company communications to employees. Employee representatives are consulted regularly on a wide range of matters affecting their current and future interests.

Creditor payment policy

The Company's policy, in relation to all its suppliers, is to settle the terms of payment when agreeing the terms of the transaction and to abide by those terms, provided that it is satisfied that the supplier has provided the goods or services in accordance with the agreed terms and conditions. The Company does not follow any code or standard on payment practice.

Directors' report (continued)

Auditor

Each of the persons who is a director at the date of approval of this report confirms that:

- so far as the director is aware, there is no relevant audit information of which the Company's auditor is unaware; and
- the director has taken all the steps that he/she ought to have taken as a director in order to make himself/herself aware of any relevant audit information and to establish that the Company's auditor is aware of that information.

This confirmation is given and should be interpreted in accordance with the provisions of s418 of the Companies Act 2006.

Pursuant to section 487 of the Companies Act 2006, the auditor will be deemed to be reappointed and Deloitte LLP will therefore continue in office.

Directors' responsibilities statement

The directors are responsible for preparing the Directors' report and the financial statements in accordance with applicable law and regulations.

Company law requires the directors to prepare financial statements for each financial year. Under that law the directors have elected to prepare the financial statements in accordance with United Kingdom Accounting standards and applicable law (United Kingdom Generally Accepted Accounting Practice), including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland".

Under company law the directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Company and of the profit or loss of the Company for that year.

In preparing these financial statements, the directors are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and accounting estimates that are reasonable and prudent; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Company will continue in business.

The directors are responsible for keeping adequate accounting records that are sufficient to show and explain the Company's transactions and disclose with reasonable accuracy at any time the financial position of the Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent auditor's report to the members of Aurora FE Limited

Report on the audit of the financial statements

Opinion

In our opinion the financial statements of Aurora FE Limited (the 'company'):

- give a true and fair view of the state of the company's affairs as at 30 April 2019 and of its loss for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice, including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

We have audited the financial statements which comprise:

- the statement of comprehensive income;
- the balance sheet;
- the statement of changes in equity; and
- the related notes 1 to 17.

The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" (United Kingdom Generally Accepted Accounting Practice).

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report.

We are independent of the company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the Financial Reporting Council's (the 'FRC's') Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We are required by ISAs (UK) to report in respect of the following matters where:

- the directors' use of the going concern basis of accounting in preparation of the financial statements is not appropriate; or
- the directors have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the company's ability to continue to adopt the going concern basis of accounting for a period of at least 12 months from the date when the financial statements are authorised for issue.

We have nothing to report in respect of these matters.

Other information

The directors are responsible for the other information. The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in respect of these matters.

Independent auditor's report to the members of Aurora FE Limited (continued)

Responsibilities of directors

As explained more fully in the directors' responsibilities statement, the directors are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the directors determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the directors are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the FRC's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Report on other legal and regulatory requirements

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the strategic report and the directors' report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the directors' report have been prepared in accordance with applicable legal requirements.

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified any material misstatements in the directors' report.

Matters on which we are required to report by exception

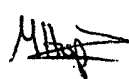

Under the Companies Act 2006 we are required to report in respect of the following matters if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.

Use of our report

This report is made solely to the company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the company and the company's members as a body, for our audit work, for this report, or for the opinions we have formed.

Notes to the financial statements For the year ended 30 April 2019

1 Accounting policies

The principal accounting policies are summarised below. They have all been applied consistently throughout the year and the preceding period.

a. General information and basis of accounting

Aurora FE Limited is a private company limited by shares incorporated in England and Wales under the Companies Act. The address of the registered office is given on page 4. The nature of the Company's operations and its principal activities are set out in the Strategic report on pages 1 to 2.

The financial statements have been prepared under the historical cost convention, modified to include certain items at fair value and in accordance with Financial Reporting Standard 102 (FRS 102) issued by the Financial Reporting Council.

The functional currency of Aurora FE Limited is considered to be Pounds Sterling because that is the currency of the economic environment in which the Company operates. The financial statements are also presented in Pounds Sterling.

Aurora FE Limited meets the definition of a qualifying entity under FRS 102 and has therefore taken advantage of the disclosure exemptions available to it in respect of its separate financial statements. Aurora FE Limited is consolidated in the financial statements of its parent, Aurora Care and Education Holdings Limited, which may be obtained at Companies House, Cardiff, CD14 3UZ. Exemptions have been taken in these separate Company financial statements in relation to financial instruments, presentation of a cash flow statement, remuneration of key management personnel and related parties transactions.

b. Going concern

The financial statements have been prepared on the going concern basis, which the directors believe to be appropriate because of the reasons below.

The Company is a 100% owned subsidiary of Aurora Care and Education Holdings Limited, the parent company of The Aurora Group. The majority of the Company's liabilities represent amounts due to fellow Group companies. The majority shareholder of the Aurora Group, Octopus Capital Limited has provided the Company with an undertaking that, for at least 12 months from the date of approval of these financial statements, it will continue to provide financial support to enable the Company to meet all its current and future obligations.

As with any company placing reliance on other Group entities for financial support, the directors acknowledge that there can be no certainty that this support will continue although, at the date of approval of these financial statements, they have no reason to believe that it will not do so.

Based on this undertaking the directors believe that it remains appropriate to prepare the financial statements on a going concern basis. The financial statements do not include any adjustments that would result from the basis of preparation being inappropriate.

c. Turnover

Turnover represents sales of education and care services net of Value Added Tax and discounts. Turnover represents the value of services provided under contracts to the extent that there is a right to consideration and is recorded at the fair value of the consideration received or receivable. Turnover is recognised in the accounting year in which the services are rendered.

Where a contract has only been partially completed at the balance sheet date, turnover represents the fair value of the service provided to date based on the stage of completion of the contract activity at the balance sheet date. Where payments are received in advance of services provided, the amounts are recorded as deferred income, which is recognised as income over the respective terms of the agreements.

d. Cost of sales

Cost of sales are fees and costs directly associated with generating turnover and are recognised on an accruals basis. Cost of sales comprise salaries and direct operating costs in relation to operating the school.

Notes to the financial statements *(continued)*

For the year ended 30 April 2019

1 Accounting policies *(continued)*

e. Tangible assets

Tangible fixed assets are stated at cost, net of depreciation and any provision for impairment. Depreciation is provided on all tangible fixed assets, other than freehold land, at rates calculated to write off the cost or valuation, less estimated residual value, of each asset on a straight line basis over its expected useful life as follows:

Buildings – 50 years

Leasehold improvements – over the term of the lease

Fixtures, fittings and equipment – 5 years

Computer hardware and software – 3 years

Assets under construction are recorded within fixed assets and are not depreciated as these assets are not available for use in the business. Upon completion the assets are transferred to the appropriate fixed asset category and are depreciated as described above.

The carrying amounts of the Company's assets are reviewed for impairment when events or changes in circumstances indicate that the carrying amount of the fixed asset may not be recoverable. If any such indications exist, the asset's recoverable amount is estimated.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. Impairment losses are recognised in the statement of comprehensive income unless they arise on a previously revalued fixed asset. An impairment loss on a revalued fixed asset is recognised in the statement of comprehensive income if it is caused by a clear consumption of economic benefits. Otherwise impairments are recognised in the statement of total recognised gains and losses until the carrying amount reaches the asset's depreciated historic cost.

f. Taxation

Current tax is provided at amounts expected to be paid (or recovered) using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date.

Deferred tax is recognised in respect of all timing differences that have originated but not reversed at the balance sheet date where transactions or events that result in an obligation to pay more tax in the future or the right to pay less tax in the future have occurred at the balance sheet date. Timing differences are differences between the Company's taxable profits and its results as stated in the financial statements that arise from the inclusion of gains or losses in tax assessments in years different from those in which they are recognised in the financial statements.

Unrelieved tax losses and other deferred tax assets are recognised only to the extent that, on the basis of all available evidence, it can be regarded as more likely than not that there will be suitable taxable profits from which the future reversal of the underlying timing differences can be deducted.

Deferred tax is measured using the tax rates and laws that have been enacted or substantively enacted by the balance sheet date that are expected to apply to the reversal of the timing difference.

Where items recognised in other comprehensive income are chargeable to or deductible for tax purposes, the resulting current or deferred tax expense or income is presented in the same component of comprehensive income as the transaction or other event that resulted in the tax expense or income.

g. Post-retirement benefits

The Company operates defined contribution pension schemes. The assets of the schemes are held separately from those of the Company in independently administered funds. The amount charged to the statement of comprehensive income represents the contributions payable to the schemes in the year. Differences between contributions payable in the year and contributions actually paid are shown as either accruals or prepayments in the balance sheet.

Notes to the financial statements (*continued*)

For the year ended 30 April 2019

1 Accounting policies (*continued*)

h. Financial instruments

Financial assets and liabilities

Financial assets and financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial assets and liabilities are initially measured at transaction price (including transaction costs).

Financial assets and liabilities are only offset in the balance sheet when, and only when, there is a legally enforceable right to set off the recognised amounts and the Company intends to either settle on a net basis, or to realise the asset and settle the liability simultaneously.

Cash and cash equivalents

Cash and cash equivalents comprise cash balances and call deposits. Bank overdrafts that are repayable on demand are included as part of cash and cash equivalents for the purposes of the cash flow statement.

Impairment of assets

Assets, other than those measured at fair value, are assessed for indicators of impairment at each balance sheet date. If there is objective evidence of impairment, an impairment loss is recognised in the statement of comprehensive income as described below. An asset is impaired where there is objective evidence that, as a result of one or more events that occurred after initial recognition, the estimated recoverable value of the asset has been reduced. The recoverable amount of an asset is the higher of its fair value less costs to sell and its value in use.

Where indicators exist for a decrease in impairment loss, the prior impairment loss is tested to determine reversal. An impairment loss is reversed on an individual impaired asset to the extent that the revised recoverable value does not lead to a revised carrying amount higher than the carrying value had no impairment been recognised.

Derecognition

Financial assets are derecognised when: the contractual rights to the cash flows from those assets expire or are settled; or where substantially all the risk and rewards of those assets are transferred to another entity; or where another entity becomes able to unilaterally sell those assets in their entirety to an unrelated third party. Financial liabilities are derecognised only when the relevant financial obligations are extinguished.

Trade debtors

Trade debtors are amounts due from customers for merchandise sold or services performed in the ordinary course of business. Trade debtors are recognised initially at the transaction price. They are subsequently measured at amortised cost using the effective interest method, less provision for impairment. A provision for the impairment of trade debtors is established when there is objective evidence that the Company will not be able to collect all amounts due according to the original terms of the receivables.

Trade creditors

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if the Company does not have an unconditional right, at the end of the reporting period, to defer settlement of the creditor for at least twelve months after the reporting date. If there is an unconditional right to defer settlement for at least twelve months after the reporting date, they are presented as non-current liabilities. Trade creditors are recognised initially at the transaction price and subsequently measured at amortised cost using the effective interest method.

Investments

In the Company balance sheet, investments in subsidiaries are measured at cost less impairment. For investments in subsidiaries acquired for consideration including the issue of shares qualifying for merger relief, cost is measured by reference to the nominal value of the shares issued plus fair value of other consideration. Any premium is ignored.

i. Provisions

Provisions are recognised when the Company has an obligation at the reporting date as a result of a past event, it is probable that the Company will be required to settle that obligation and a reliable estimate can be made of the amount of the obligation.

Notes to the financial statements (continued)

For the year ended 30 April 2019

2 Critical accounting judgements and key sources of estimation uncertainty

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. There are no significant judgements in accounting policies in these financial statements.

Key sources of estimation uncertainty

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are addressed below.

Tax provisions

The Company's deferred and current tax provisions relate to management's assessment of tax payable on open tax positions or tax benefits available to the company in the future and have yet to be agreed with HMRC. Uncertain tax items for which a provision is made relate principally to the interpretation of tax legislation regarding arrangements entered into in the ordinary course of business. Due to the uncertainty associated with such tax items, there is a possibility that, on conclusion of open tax matters at a future date, the final outcome may differ significantly.

3 Turnover

The Company has a single class of business, providing educational services. The Company earns all of its revenue in the UK.

An analysis of the Company's turnover is as follows:

	Year to 30 April 2019 £	Year to 30 April 2018 £
Rendering of services	<u>2,329,673</u>	<u>697,226</u>

4 Loss before taxation

Loss before taxation is stated after charging:

	Year to 30 April 2019 £	Year to 30 April 2018 £
Depreciation of tangible fixed assets	177,902	91,370
Operating lease costs	57,134	26,925
	<u>235,036</u>	<u>118,295</u>

The analysis of auditor's remuneration is as follows:

	Year to 30 April 2019 £	Year to 30 April 2018 £
Fees payable to the Company's auditor and its associates for the audit of the Company's annual financial statements	7,500	13,200
Non-audit fees:		
Taxation compliance services	-	2,004
	<u>7,500</u>	<u>15,204</u>

Notes to the financial statements (continued)
For the year ended 30 April 2019

5 Staff numbers and costs

The average number of staff employed by the Company during the financial year amounted to:

	Year to 30 April 2019	Year to 30 April 2018
	No	No
Administration	7	6
Operations	48	23
	<u>55</u>	<u>29</u>

The aggregate payroll costs of the above were:

	Year to 30 April 2019	Year to 30 April 2018
	£	£
Wages and salaries	1,411,489	741,299
Social security costs	136,591	73,563
Other pension costs	49,100	965
	<u>1,597,180</u>	<u>815,827</u>

Pension schemes

The Company operates defined contribution pension schemes. The pension costs charge for the year represents contributions payable by the Company to the schemes and amounted to £49,100 (2018: £965). Pension contributions of £12,758 were outstanding at the end of the financial year (2018: £nil).

6 Directors' remuneration and transactions

The Company did not pay any emoluments to the directors during the year. The directors are remunerated by Aurora Care and Education OpCo Ltd, another entity within the Aurora Group, for services to the Group as a whole and as such it is not possible to directly attribute any element of their remuneration to services as a director of this Company. The financial statements of Aurora Care and Education OpCo Ltd are available to the public from Companies House.

7 Tax on loss

(a) Analysis of credit in the year

	Year to 30 April 2019	Year to 30 April 2018
	£	£
Current tax:		
UK corporation tax on loss for the year	-	(46,731)
Adjustment in respect of previous periods	(10,623)	-
Total current tax	<u>(10,623)</u>	<u>(46,731)</u>
Deferred tax:		
Origination and reversal of timing differences	7,292	(113,251)
Adjustment in respect of previous periods	(592)	-
Effect of changes in tax rates	(768)	11,921
Total deferred tax	<u>5,932</u>	<u>(101,330)</u>
Total tax per income statement	<u>(4,691)</u>	<u>(148,061)</u>

Notes to the financial statements (continued)
For the year ended 30 April 2019

7 Tax on loss (continued)

(b) Factors affecting tax credit

The credit for the year can be reconciled to the loss per the statement of comprehensive income as follows:

	Year to 30 April 2019 £	Year to 30 April 2018 £
Loss before tax	(211,354)	(815,792)
Tax charge at 19.0% (2018: 19.0%)	(40,157)	(155,000)
<i>Effects of:</i>		
Expenses not deductible for tax purposes	12,150	5,598
Effects of group relief / other reliefs	35,298	-
Adjustment from previous periods	(11,214)	-
Tax rate changes	(768)	11,921
Deferred tax not recognised	-	(10,580)
Tax charge for the year	(4,691)	(148,061)

The Finance Act 2016 was substantively enacted on 6 September 2016 and provided for a reduction in tax rate to 17% from 1 April 2020. Deferred tax as at 30 April 2019 has been calculated at this rate. The Company has no carried forward tax losses for the year (brought forward: £670,009). The Company has no unrecognised deferred tax balances as at the year end (2018: £nil).

8 Tangible assets

	Assets under construction £	Land and buildings £	Computer hardware and software £	Leasehold improvements £	Fixtures, fittings and equipment £	Total £

For the year ended 30 April 2019

9 Investments

Subsidiary undertakings

During the prior year, the Group acquired Foxes Academy Limited, its wholly owned subsidiary Trybond Limited, and Reynard Care & Support Agency Limited through the purchase of 100% of the share capital. Foxes Academy Limited operates a specialist college and training hotel for young adults with learning disabilities. Trybond Limited owns the majority of the freehold properties operated by Foxes Academy. Reynard Care & Support Agency Limited is registered with the Care Quality Commission to allow the administration of medication and offer care for learners enrolled at Foxes Academy.

The acquisition cost was adjusted during the current year in accordance with the terms of the original purchase agreement.

	£
Cost and carrying value	
At 30 April 2018	10,114,853
Adjustment to cost	(137,027)
