## Notes to the Financial Statements for the year ended 31 March 2022

### 1. Statutory information

The company is a private company limited by shares and registered in England and Wales. The company's registered number and registered office address can be found on the Company Information page.

### 2. Compliance with applicable reporting framework

The financial statements have been prepared in compliance with FRS 102 Section 1A as it applies to the financial statements for the period and there were no material departures from the reporting standard.

### 3. Principal activities

The company's principal activity during the year was consultancy services.

### 4. Basis of measurement used in financial statements

The accounts have been prepared under the historical cost convention and in accordance with FRS 102, the financial reporting standard applicable in the UK and Republic of Ireland (as applied to small entities by section 1A of the standard).

### 5. Accounting policies

#### Property, plant and equipment policy

Tangible fixed assets are stated at cost or valuation less depreciation. Depreciation is provided on all tangible fixed assets as follows:

#### Intangible assets policy

Intangible asset are valued at cost. Impairment of intangible assets is only reviewed where circumstances indicate that the carrying value of an asset may not be fully recoverable. Currently it is of the directors opinion that the logo is retaining its full value and as such, is not being impaired.

#### Revenue recognition policy

Turnover from the sale of goods is recognised when the significant risks and rewards of ownership of the goods have transferred to the buyer. Turnover from the rendering of services is recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

## Taxation policy

Current tax is recognised on taxable profit for the current and past periods. Current tax is measured at the amounts of tax expected to pay or recover using the tax rates and laws that have been enacted or substantively enacted at the reporting date.

## Foreign currency translation and operations policy

Transactions in foreign currencies are initially recognised at the rate of exchange ruling at the date of the transaction. At the end of each reporting period foreign currency monetary items are translated at the closing rate of exchange. Non-monetary items that are measured at historical cost are translated at the rate ruling at the date of the transaction. All differences are charged to profit or loss.

## Government grants and other government assistance policy

Grants received towards revenue expenditure are released to the Income Statement as the related expenditure is incurred.

## Going concern

The director has taken the decision during the current financial period to cease trading. As such there will be a short final reporting period ending 30 September 2022 before final liabilities are settled and the company is dissolved.
