Directors' report

The Directors present their report and financial statements for the year ended 31 December 2021. This Directors' report has been prepared in accordance with the provisions applicable to companies entitled to the small companies' exemption under S415A of Companies Act 2006 and therefore the company has taken the exemption from preparing a strategic report.

Principal activities

The Company has not traded since the date of establishment on 24 January 2017.

Business review

During the year, the Company was dormant and made £nil profit after tax (2020: £nil). The Directors paid no dividends in the year.

Directors

Set out below are the Directors who held office during the period and up to the date of this report, except as noted:

R Meller	
AJ Dawes	(resigned 07 March 2022)
P Maalde	
K Wambach	(resigned 06 December 2021)
C Dean	(appointed 07 March 2022)

None of the Directors who held office at the end of the year and up to the date of this report held any disclosable interest in group undertakings as recorded in the register of directors' interests.

Going concerns

After making enquiries, the Directors have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. Accordingly, they continue to adopt the going concern basis in preparing the financial statements.

Further details regarding the adoption of the going concern basis can be found in the significant accounting policies note in the financial statements.

Audit exemption

The Company is exempt from audit under S480 of Companies Act 2006.

Approved by the board and signed on its behalf by:

C Dean
Director

Level 26
One Canada Square

Statement of Directors' responsibilities

The Directors are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

Company law requires the Directors to prepare financial statements for each financial year. Under that law the Directors have elected to prepare the financial statements in accordance with International Financial Reporting Standards (IFRSs) as adopted by the United Kingdom. Under company law the Directors must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the company and of the profit or loss of the company for that period. In preparing these financial statements, International Accounting Standard 1 requires that Directors:

- properly select and apply accounting policies;
- present information, including accounting policies, in a manner that provides relevant, reliable, comparable and understandable information;
- make an assessment of the company's ability to continue as a going concern.

The Directors are responsible for keeping adequate accounting records that are sufficient to show and explain the company's transactions and disclose with reasonable accuracy at any time the financial position of the company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement of financial position

As at 31 December 2021

	Notes	31 December 2021 £	31 December 2020 £
Current assets			
Trade and other receivables	5	1	1
Total current assets		<u>1</u>	<u>1</u>
Net assets		<u>1</u>	<u>1</u>
Equity			
Called up share capital	8	1	1
Total equity		<u>1</u>	<u>1</u>

The Company received no income and incurred no expense in the period. Accordingly, a statement of other comprehensive income is not presented.

- a) For the year ended 31 December 2021 the Company was entitled to exemption from audit under section 480(1) of the Companies Act 2006 relating to dormant companies.
- b) The members have not required the Company to obtain an audit in accordance with section 476 of the Companies Act 2006.
- c) The Directors acknowledge their responsibility for:
 - a. Ensuring the Company keeps accounting records which comply with section 386; and
 - b. Preparing accounts in accordance with section 394, which give a true and fair view of the state of affairs of the Company as at the end of the financial year, and of its profit or loss for the financial year, in accordance with the requirements of section 396, and which otherwise comply with the requirements of the Companies Act 2006 relating to accounts, so far as applicable to the Company.

The statement of financial position should be read in conjunction with the notes to the financial statements on pages 5 to 10.

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements of 1 Leadenhall Nominee Limited, registered number 10581466, were approved and authorised for issue by the board of directors on 21 June 2022 and were signed on its behalf by:

C Dean
Director

The statement of changes in equity should be read in conjunction with the Notes to the financial statements on pages 5 to 10.

Notes to the financial statements

(forming part of the financial statements)

1. General information

I Leadenhall Nominee Limited ("the Company") is a private company limited by share capital, incorporated in the United Kingdom and registered in England and Wales. The address of the registered office is Level 26, One Canada Square, London, E14 5AB. The nature of the Company's operations and its principal activities are set out in the Directors' report.

2. Adoption of new and revised standards

These financial statements have been prepared in accordance with UK-adopted IFRS. For periods commencing on or after 31 December 2020, IFRS as endorsed by the EU ceases to apply to UK registered companies due to the UK's exit from the EU.

At the date of authorisation of these financial statements, the following Standards and Interpretations which have not been applied in these financial statements were in issue but not yet effective and in some cases had not been adopted by the UK:

Standard/Amendment	Description	Effective for periods beginning on or after
IFRS 17 (including amendments)	Insurance Contracts	1 January 2023 *
Amendments to IAS 12	Deferred Tax related to Assets and Liabilities arising from a Single Transaction	1 January 2023 *
Amendments to IAS 8	Definition of Accounting Estimates	1 January 2023 *
Amendments to IAS 1 and IFRS Practice Statement 2)	Disclosure of Accounting Policies	1 January 2023 *
Amendments to IFRS 3, IAS 16, IAS 37 and Annual Improvements 2018-2020	Amendments to: <ul style="list-style-type: none"> • Business Combinations • Property Plant & Equipment • Provisions, Contingent Liabilities & Contingent Assets • First-time Adoption of IFRS • Financial Instruments • Leases • Agriculture 	1 January 2022 *
Amendments to IAS 1	Classification of Liabilities as Current or Non-Current	1 January 2023 **

* subject to UK endorsement

**exposure draft published proposing deferral of effective date to 2024, and subject to UK endorsement

The Directors do not expect that the adoption of the standards listed above will have a material impact on the financial statements of the company aside from additional disclosures.

Notes to the financial statements *(continued)*

2. Adoption of new and revised standards *(continued)*

The amendments to IAS 1 affect only the presentation of liabilities as current or non-current in the consolidated balance sheets and not the amount or timing of recognition of any asset, liability, income or expenses, or the information disclosed about those items. The amendments clarify that the classification of liabilities as current or non-current is based on rights that are in existence at the end of the reporting period, specify that classification is unaffected by expectations about whether the company will exercise its right to defer settlement of a liability, explain that rights are in existence if covenants are complied with at the end of the reporting period, and introduce a definition of 'settlement' to make clear that settlement refers to the transfer to the counterparty of cash, equity instruments, other assets or services. The amendments are applied retrospectively for annual periods beginning on or after January 1, 2023, with early application permitted. An exposure draft was published proposing deferral of the effective date to January 1, 2024 in November 2021. The company is in the process of determining the impact of the amendments on its financial statements.

3. Significant accounting policies

Basis of accounting

The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRSs) as adopted by the United Kingdom.

The financial statements have been prepared under the historical cost basis. Historical cost is generally based on the fair value of the consideration given in exchange for the assets. The principal accounting policies have been consistently applied in the current and prior year and are set out below.

The Company is exempt by virtue of s401 of the Companies Act 2006 from the requirement to prepare group financial statements. These financial statements present information about the company as an individual undertaking and not about its group for all periods presented. The company has no cash balances or bank accounts in either the current year or preceding period and therefore no statement of cash flows has been prepared.

The financial statements are expressed in Pounds Sterling which is the functional currency of the company.

Going concern

The Directors have prepared the financial statements on a going concern basis as this is a dormant company.

Financial instruments

Financial assets

Investments and other financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- those to be measured subsequently at fair value (either through OCI or through profit or loss); and
- those to be measured at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will either be recorded in profit or loss or OCI. For investments in equity instruments that are not held for trading, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income (FVOCI). The Company reclassifies debt investments when and only when its business model for managing those assets changes.

Notes to the financial statements *(continued)*

3. Significant accounting policies *(continued)*

(ii) Recognition and derecognition

Regular way purchases and sales of financial assets are recognised on the trade date, the date on which the Company commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

(iii) Measurement

Regular way purchases and sales of financial assets are recognised on the trade date, the date on which the Company commits to purchase or sell the asset. Financial assets are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Company has transferred substantially all the risks and rewards of ownership.

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortised cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortised cost. Interest income from these financial assets is included in finance income using the effective interest rate method. Any gain or loss arising on derecognition is recognised directly in profit or loss and presented in other gains (losses) together with foreign exchange gains and losses. Impairment losses are presented as a separate line item in the statement of profit or loss.
- **FVOCI:** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest income and foreign exchange gains and losses, which are recognised in profit or loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to profit or loss and recognised in other gains (losses). Interest income from these financial assets is included in finance income using the effective interest rate method. Foreign exchange gains and losses are presented in other gains (losses) and impairment expenses are presented as a separate line item in the statement of profit or loss.
- **FVPL:** Assets that do not meet the criteria for amortised cost or FVOCI are measured at FVPL. A gain or loss on a debt investment that is subsequently measured at FVPL is recognised in profit or loss and is presented net within other gains (losses) in the period in which it arises.

The Company subsequently measures all equity investments at fair value. Where the Company's management has elected to present fair value gains and losses on equity investments in OCI, there is no subsequent reclassification of fair value gains and losses to profit or loss following the derecognition of the investment. Dividends from such investments continue to be recognised in profit or loss as other income when the Company's right to receive payments is established. Changes in the fair value of financial assets at FVPL are recognised in net change in fair value of financial instruments at fair value through profit or loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Notes to the financial statements (*continued*)

3. Significant accounting policies (*continued*)

(iv) Impairment

The Company assesses on a forward-looking basis the expected credit losses associated with its debt instruments carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The Company's financial assets are subject to the expected credit loss model.

For trade receivables, the Company applies the simplified approach permitted by IFRS 9, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

The expected loss rates are based on the payment profiles of sales over a period of 36 months before 31 December 2021 or 1 January 2021, respectively, and the corresponding historical credit losses experienced within this period.

The historical loss rates are adjusted to reflect current and forward-looking information on macroeconomic factors affecting the liability of the tenants to settle the receivable. Such forward-looking information would include:

- changes in economic, regulatory, technological and environmental factors, (such as industry outlook, GDP, employment and politics);
- external market indicators; and
- tenant base.

Trade receivables

Trade receivables are written off when there is no reasonable expectation of recovery. Indicators that there is no reasonable expectation of recovery include, among others, the probability of insolvency or significant financial difficulties of the debtor. Impaired debts are derecognised when they are assessed as uncollectible.

Cash flow statement

The company has no cash balances or bank account; therefore no statement of cash flows has been prepared.

4. Critical accounting estimates and judgements

The preparation of the financial report in conformity with the International Financial Reporting Standards requires management to make judgements, estimates and assumptions that affect the application of policies and reported amounts of assets and liabilities, income and expenses. However, management do not consider there to be any critical estimates or judgements pertinent to the preparation of these financial statements.

5. Trade and other receivables

	31 December 2021	31 December 2020
	£	£
Amount owed from related parties	1	1
	<u>1</u>	<u>1</u>

Amount owed from related parties are unsecured, non-interest bearing and repayable on demand. The carrying amount of receivables approximates to their fair value.

Notes to the financial statements *(continued)*

6. Related party transactions

At year end, the Company had the following receivables from related parties:

Related Party	Relationship	Amounts owed by related parties	
		31 December 2021	31 December 2020
		£	£
I Leadenhall GP Limited	Parent	<u>1</u>	<u>1</u>

7. Financial Instruments

Categories of financial instruments

The following table summarises the fair values of the financial assets and liabilities recorded in the Company's financial statements.

	Current	
	31 December 2021	31 December 2020
Financial assets	£	£
Trade and other receivables	<u>1</u>	<u>1</u>
	<u>1</u>	<u>1</u>

Capital risk management

The capital structure of the Company is managed by the immediate parent who manages its capital to ensure that the Company will be able to continue as a going concern.

Externally imposed capital requirement

The Company is not subject to externally imposed capital requirements.

Market risk

The Company is not directly exposed to foreign exchange movements.

Notes to the financial statements (continued)

8. Called up share capital

	31 December 2021 £	31 December 2020 £
<i>Authorised</i>		
1 ordinary share of £1	1	1
	<hr/>	<hr/>
<i>Allotted, called up and fully paid</i>		
1 ordinary share of £1	1	1
	<hr/>	<hr/>

The holders of ordinary shares are entitled to receive dividends as declared from time to time and are entitled to one vote per share at meetings of the Company.

9. Ultimate parent undertaking

The Company's immediate parent is 1 Leadenhall GP Limited, an entity registered in England and Wales. The ultimate parent undertaking and controlling party is Brookfield Asset Management Inc., a company incorporated in Canada.

The smallest group in which the results of the company are consolidated is that headed by Brookfield Property Partners L.P., incorporated in Bermuda. The consolidated financial statements of Brookfield Property Partners L.P. are available to the public and may be obtained from its registered office at 73 Front Street, 5th Floor, Hamilton, HM 12, Bermuda. The largest group in which the results of the company are consolidated is that headed by Brookfield Asset Management Inc., incorporated in Canada. The consolidated financial statements of Brookfield Asset Management Inc. are available to the public and may be obtained from its registered office at Brookfield Place, 181 Bay Street, Suite 300, Toronto, Ontario, M5J 2T3.
